

# HEAVEN RESTORED

**Divyam Malpani**

***Dedicated to my sweet mother,  
Sarita Malpani,  
And my sister,  
Bhaavya Malpani,  
For supporting me and Mother Nature throughout.***

**The clouds gathered overhead,  
Over this land of bliss;**

**The leaves were shaken from trees,  
Something was amiss!**

**Andre, with his grandpa, Dwyane Rock,  
Also felt the change,**

There hung a sense of foreboding  
It was so very *strange*!

**Alerted to the fall of trees,  
Dwayne sent his eagle, Beorne;**

Beorne, let's get  
to work

To look into the issue,  
To check out what was wrong.

**Beorne alerted Dwayne to the fall of trees,  
To the making of a dam,**

**And taking animals illegally  
To some foreign land.**

**Beorne, king among animals ,  
Came up with a plan**

**To foil this evil strategy,  
To defeat the Destroyer *Than*!**

Andre and Dwayne sneaked in,  
In the dead of night;

Could they rescue the animals?  
Free them from their plight?

Unleashing the captive animals,  
They turned to go back;

**But blocking their way stood,  
The fearsome Than!**

The elephants, on Beorne's order,  
Charged the half-built dam

Causing Than and his followers,  
To hastily scam!

Setting the police on Than and co.,  
The countryside planted more trees,

**To make up for the loss,  
Of the ones that had been deceased.**

The background is a textured teal watercolor wash. Scattered throughout are several irregular, torn pieces of white paper, creating a layered and aged appearance. The text is centered in a bold, black, sans-serif font.

**A few years later...**

**Andre, now a boy in his teens,  
His mission he came to pack;**

**Found creatures singing around the  
flourishing forest,  
Heaven was restored, it was back.**

# ABOUT THE AUTHOR

**I am Divyam. I am 14 years old, and reside in India. In my spare time, I write poems, read books, binge-watch series and think up experiments I would like to perform.**

**Nature has been tampered with to such an extent that the end of the world does not seem too far now. I, myself being an animal lover, have written this book to establish in this world, a sense of respect towards Mother Nature. I dream of bringing an impact through my mindful poetry, and hence bring about a blooming world for all creatures.**

**'Heaven Restored' is a story which tells us about the unjust way Mother Nature has been tampered with, and provides an inkling of the consequences we will soon have to face.**

**It tells a story, in which the protagonist, Andre, foils the evil plans of Than, the Destroyer, and saves his countryside; a living Heaven on Earth.**
