

HOW TO ORGANISE A VISIT TO A Retirement Village

01

FIND YOUR NEAREST RETIREMENT VILLAGES

With your classmates, locate your nearest retirement villages and elderly homes. Collect their addresses and their phone numbers.

02

MAKE SOME PHONE CALLS OF ENQUIRY

With the permission of your teacher, make some phone calls and tell the retirement village managers what you want to do and why!

03

ORGANISE THE DATE AND A BUS

- Decide on a date with the manager
- Book the bus to take you there
- Inform your community about the plan

04

PLAN WHAT THE VISIT WILL LOOK LIKE

As you will be visiting a new location and visiting new people, you must make a solid plan about what will happen when you arrive. Do your research and work together. Make sure school policies are followed.

05

ORGANISE YOUR RESOURCES

On your visit, you will be learning, teaching and entertaining. So make sure that you have gathered all the resources that you will need to make your visit successful.

06

ENJOY YOUR TIME

Now it is time to visit the retirement home and enjoy your time. Listen carefully, be respectful, learn from the people you meet and have a wonderful time. Maybe leave them with a small memento to keep until next time.
