

Adventure to Magic World

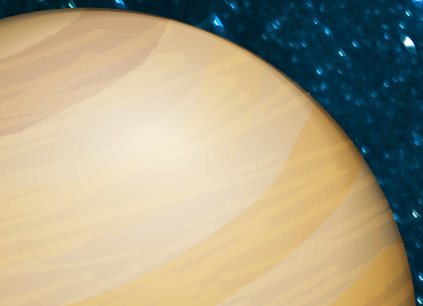

Written by Maeve

Dedicated to my mum and dad for
always keeping me safe.

-Maeve

The night was ordinary and frosty. It was all dark and the lights were out in Smilo's house.

Smilo was a kind little alien who loves exploring.

He sneakily crept out the door to go to his dad's spaceship.

“Should I tell Dad where I’m going? Nah, I’ll be back by at least midnight,” Smilo said to himself.

Smilo had always wanted to explore his planet and tonight he was going to do it.

Smilo got in the spaceship and turned the engine on.

Smilo was soon flying into
the stars. His big planet
looked so small from where
he was.

Suddenly,
something started
pulling Smilo back
towards it...

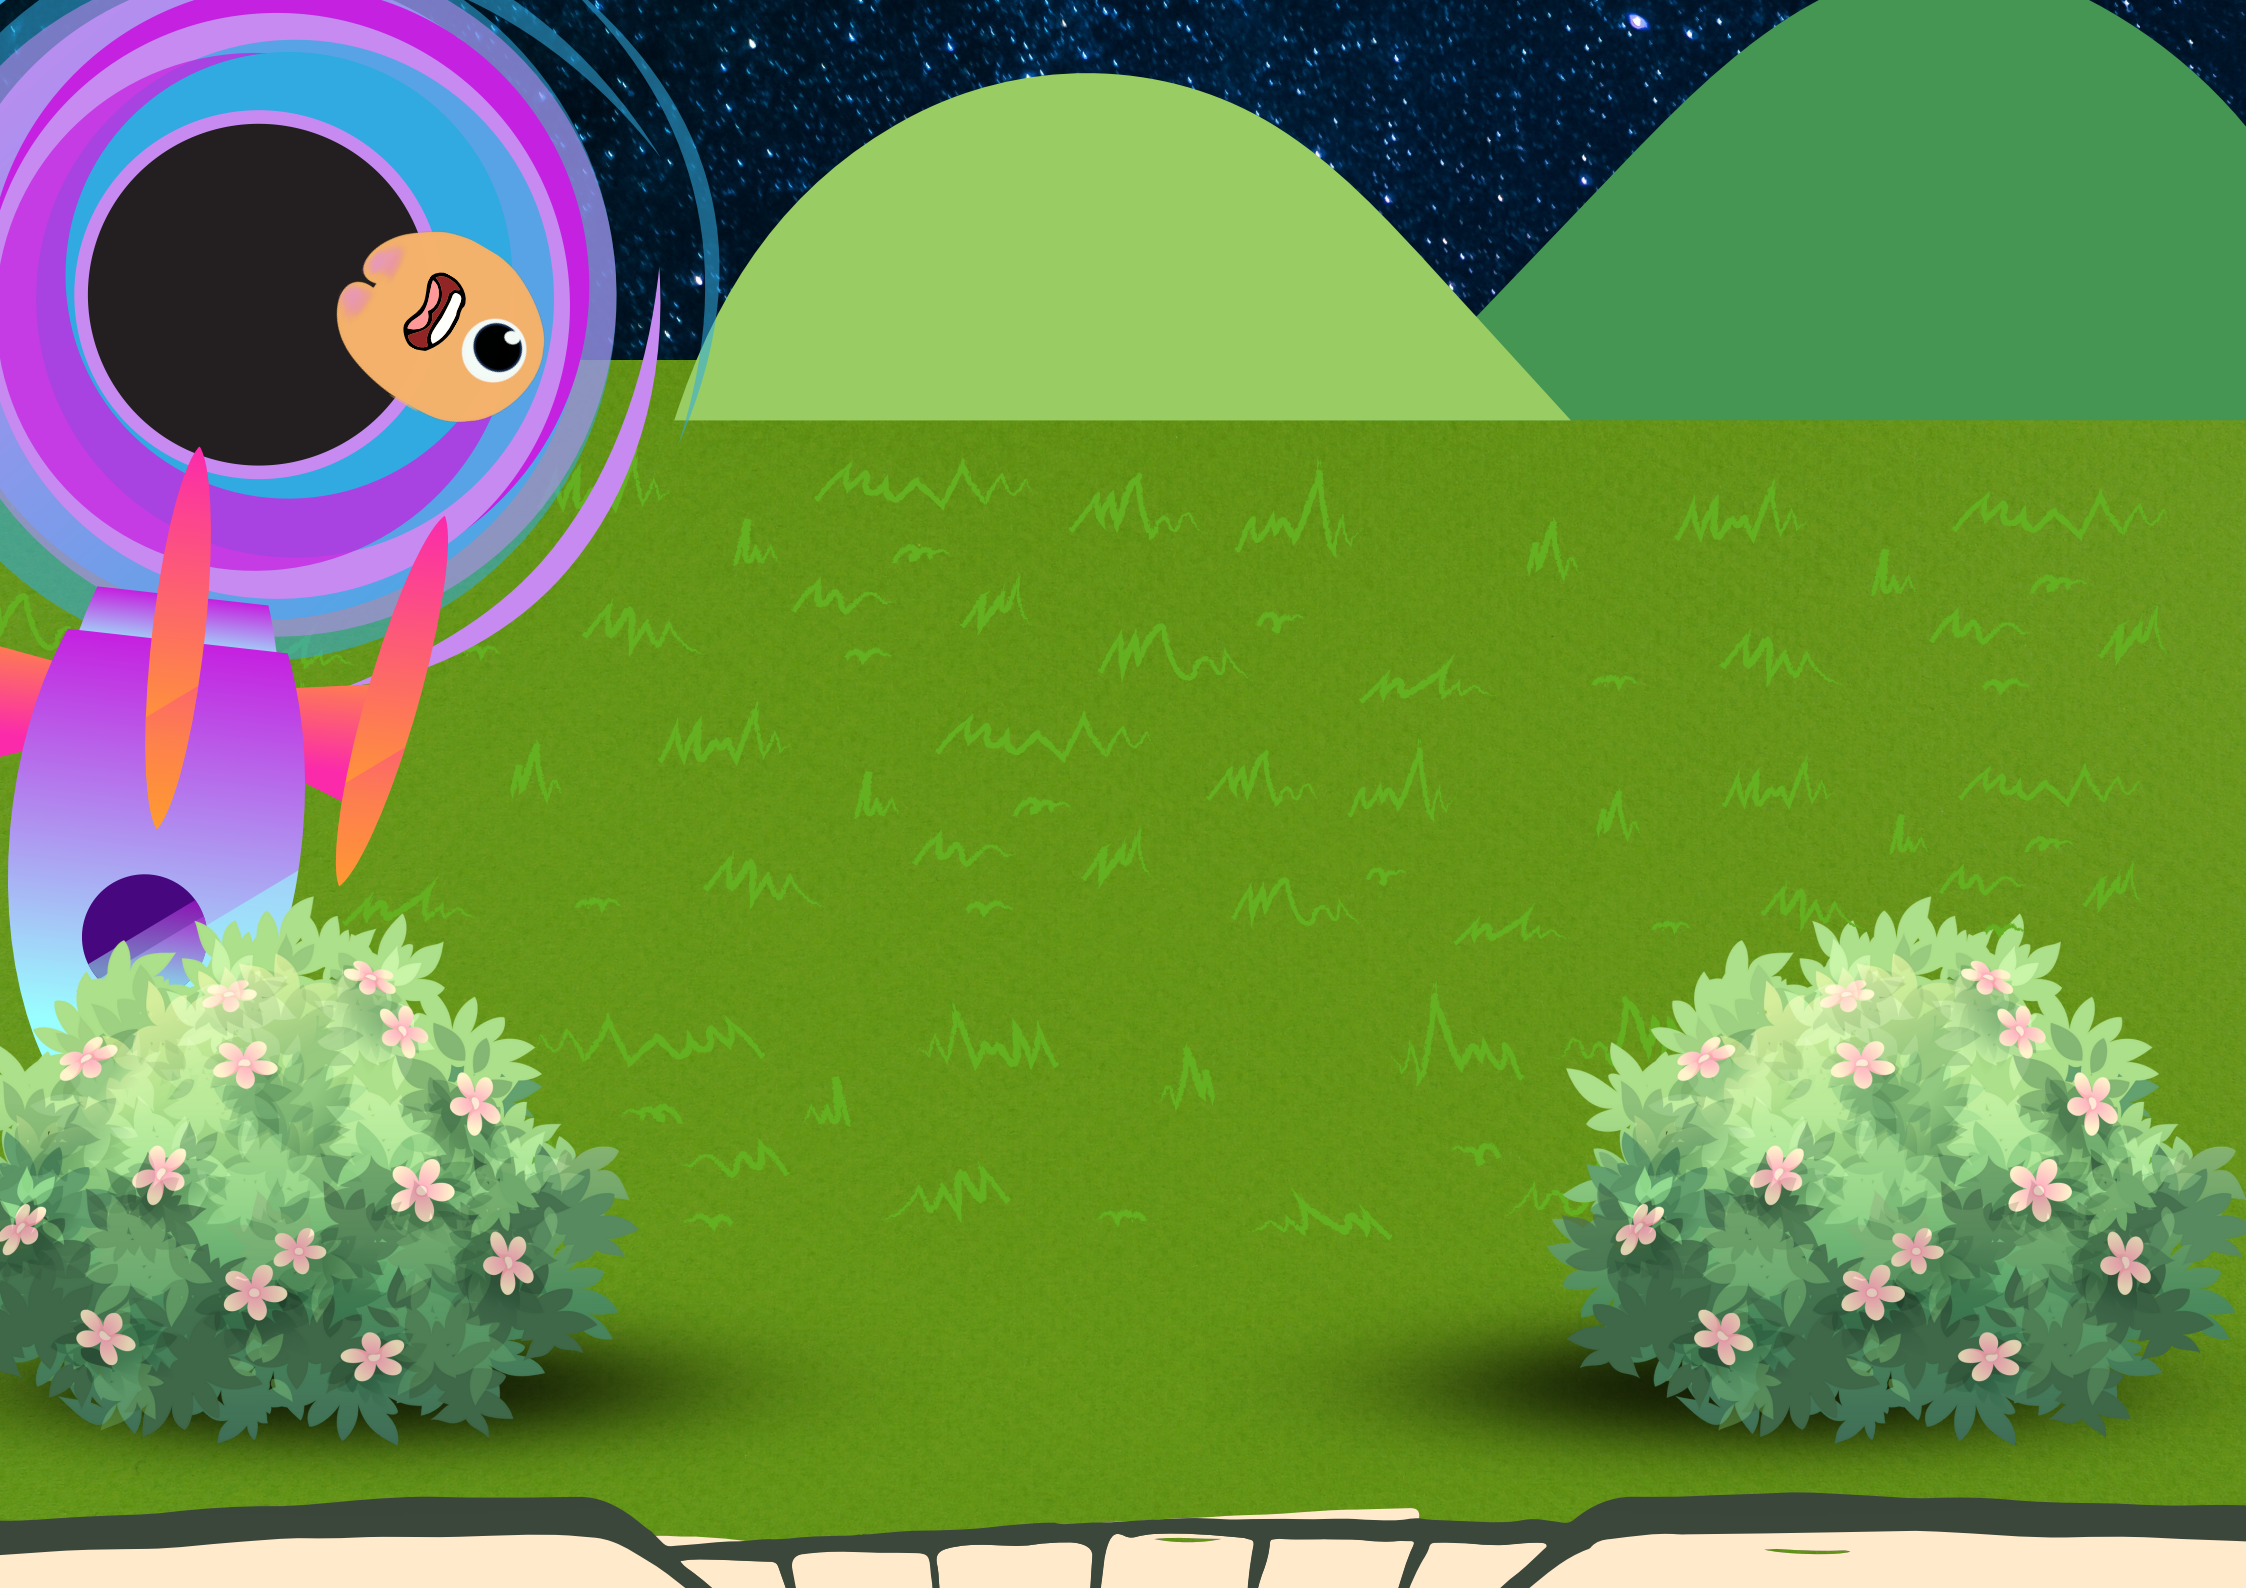

Oh no, it's a
black hole!

Smilo got sucked
through the black hole as
fast as an ostrich
speeding through the
boiling sand.

“Woooooaaaaaaahhh!!”

Smilo yelled.

Plonk! Smilo had
landed straight into a
big bush.

He got up, peered around
and found himself in an
old fashioned town.

Smilo jumped up to go
and ask another alien
where he was.

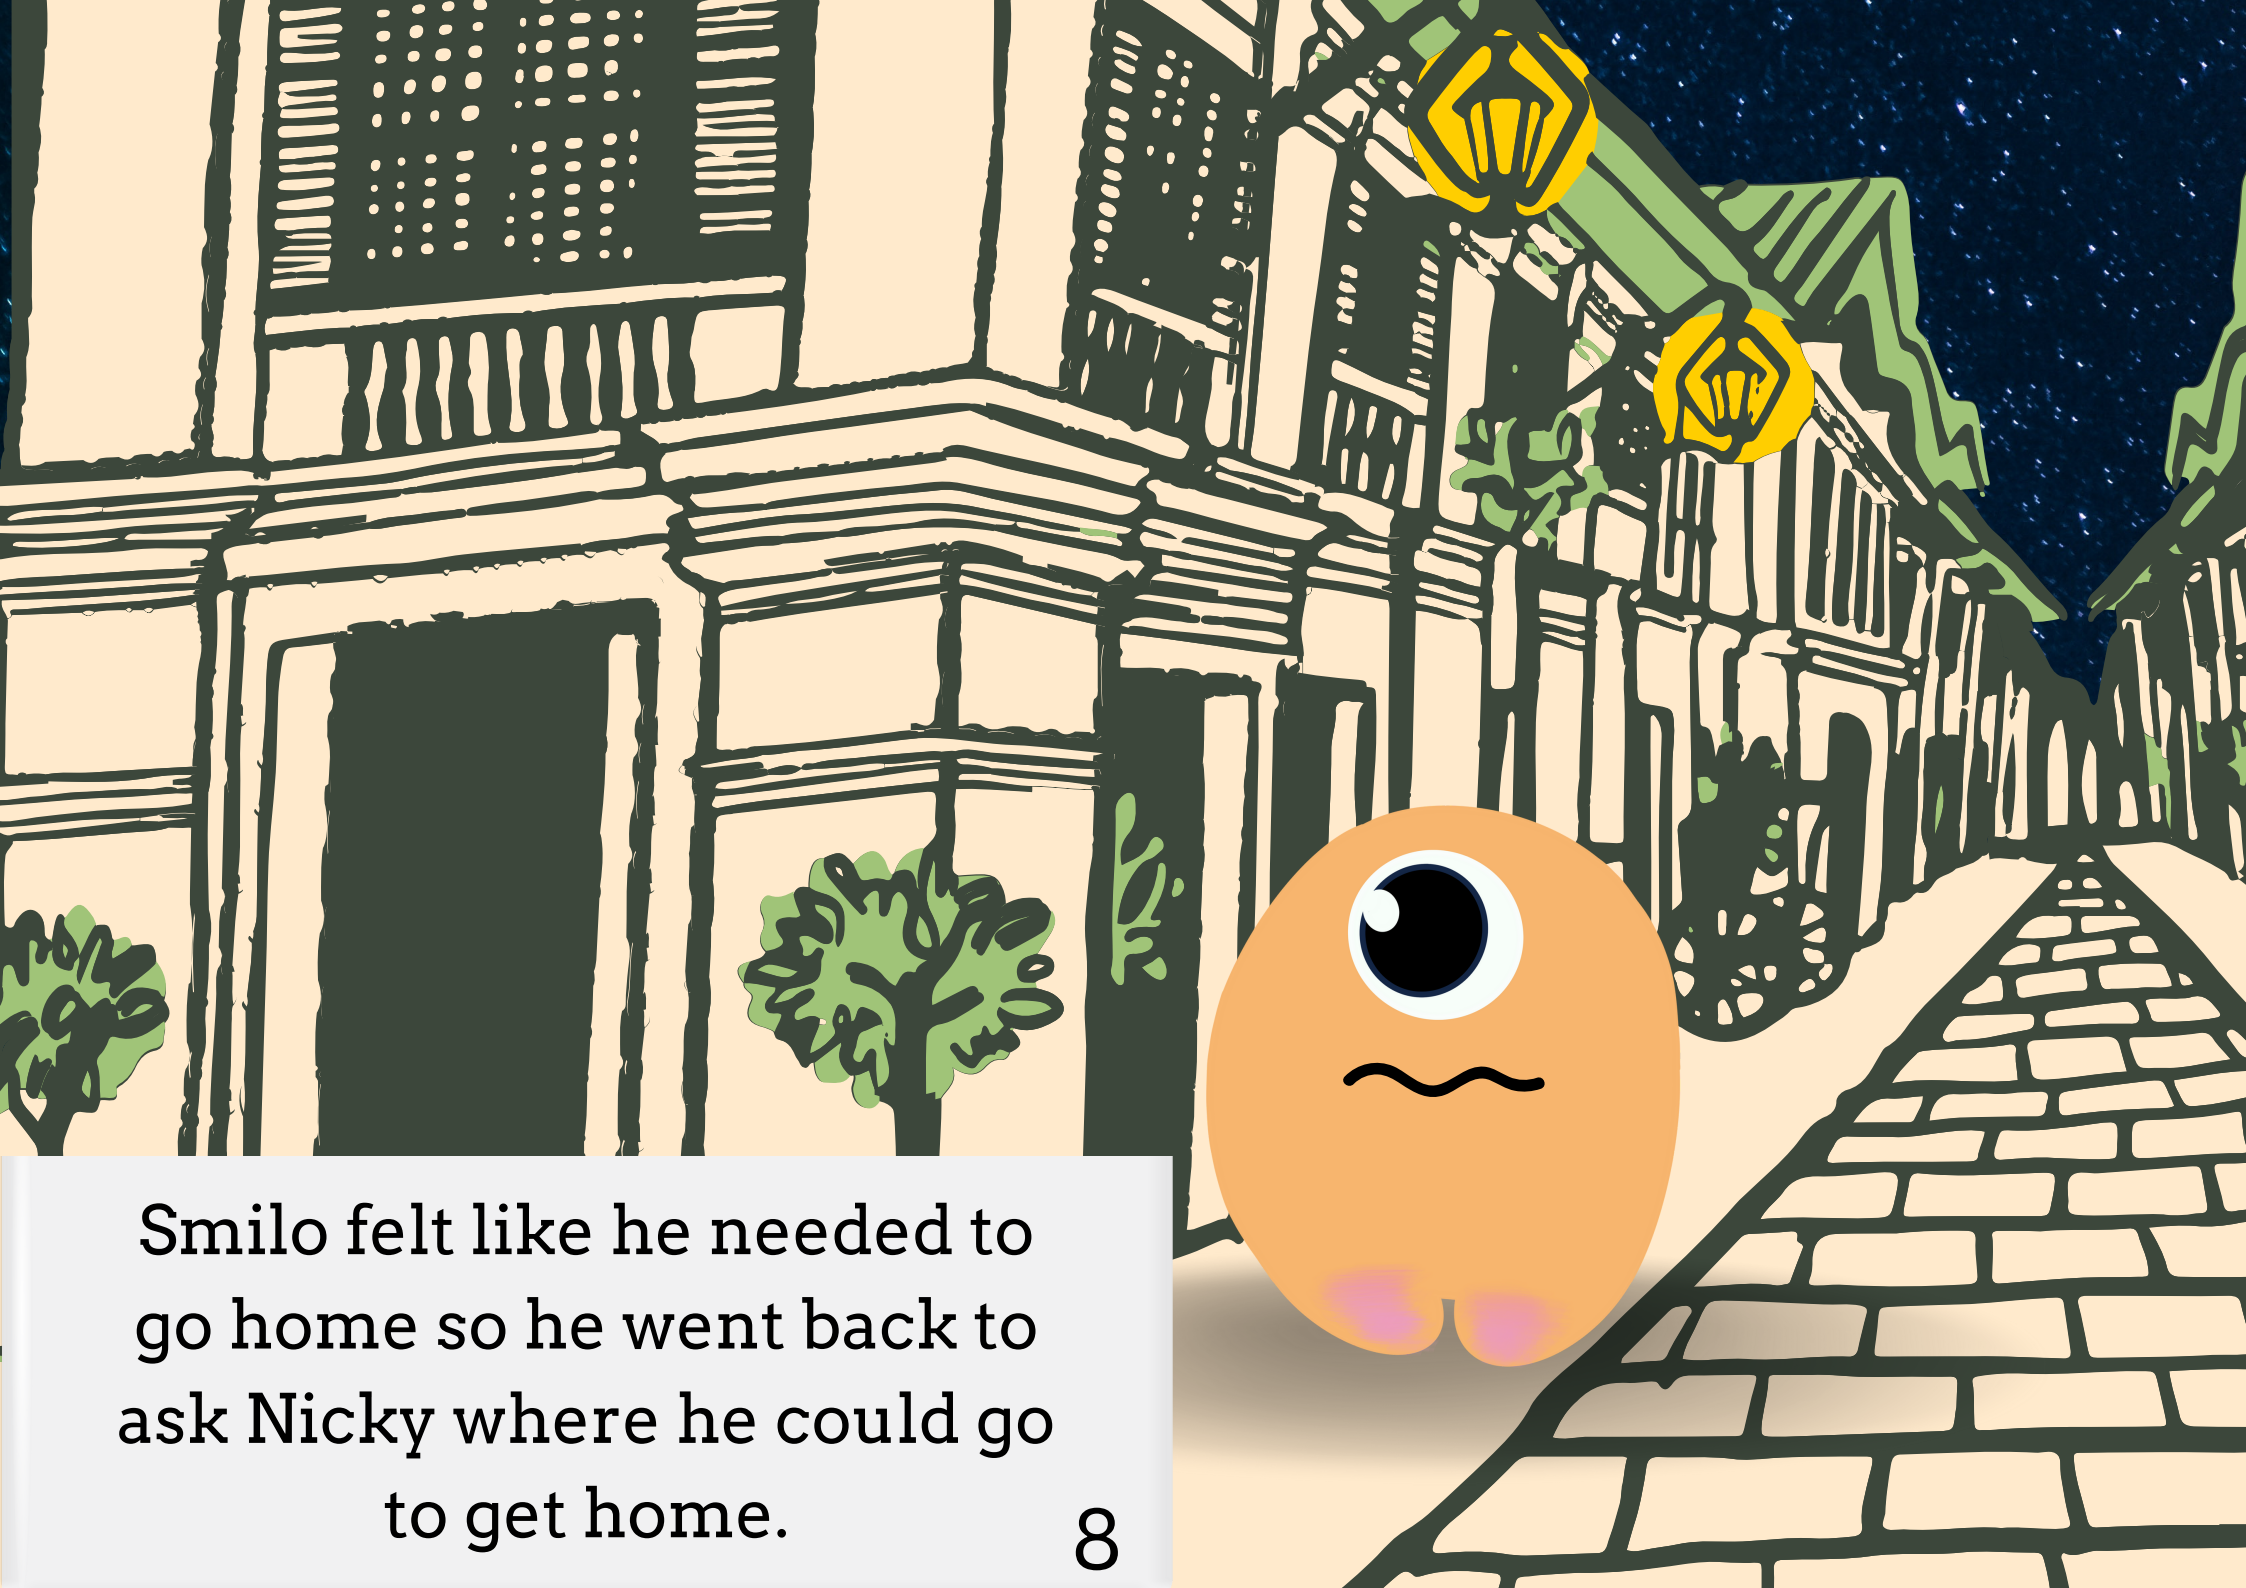

He came to a little girl alien playing with
cards. "Excuse me but where am I?" Smilo
asked the girl.

"Why this is magic world!" replied the girl.

"By the way, my name is Nicky."

"Thank you," Smilo replied.

Smilo felt like he needed to go home so he went back to ask Nicky where he could go to get home.

Nicky took Smilo to a small, rose covered cottage with a sign that said Mr Wand's . 9

“Hello, I’m Mr
Wand. Let me
guess, you are here
because you need to
go home,” he
chuckled politely.

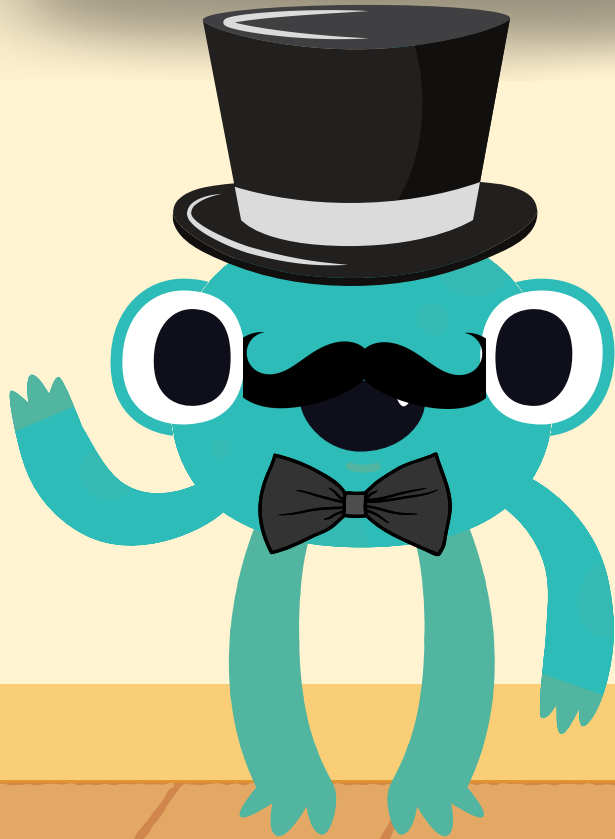

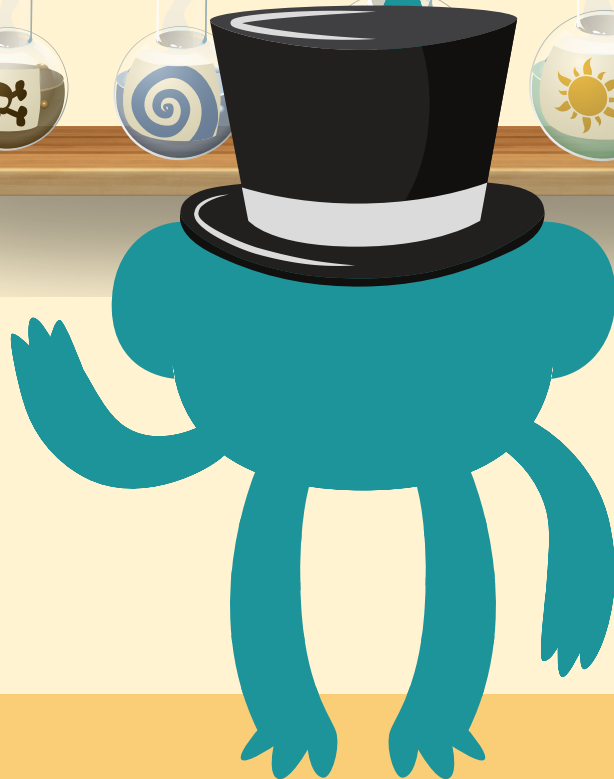

“How did you know?” asked Smilo.

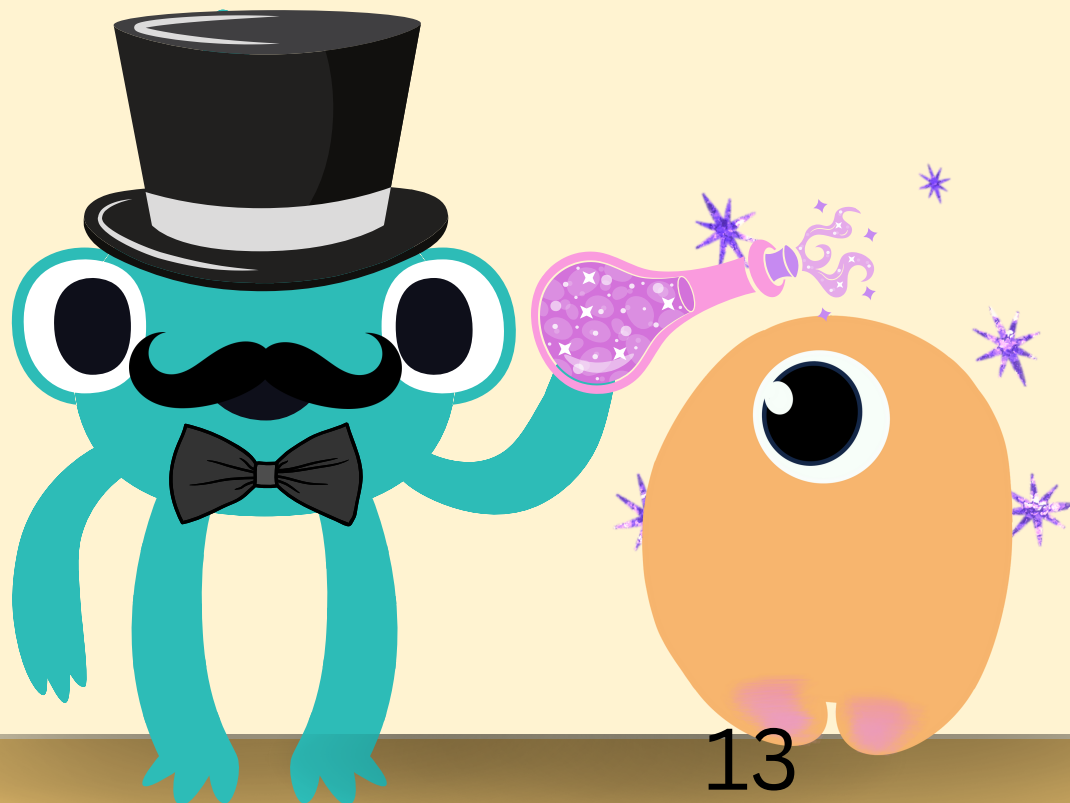

“Well, this is Magic World,” Mr Wand replied.

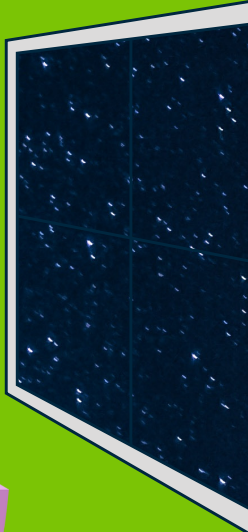

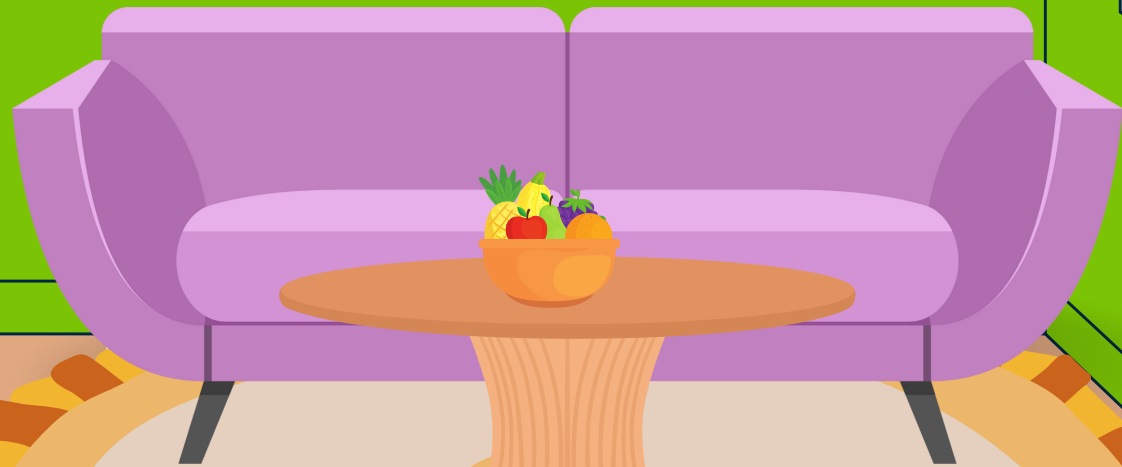

Mr Wand searched his dusty shelves and soon found a 'return home' potion.

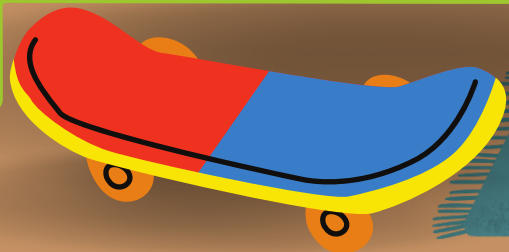

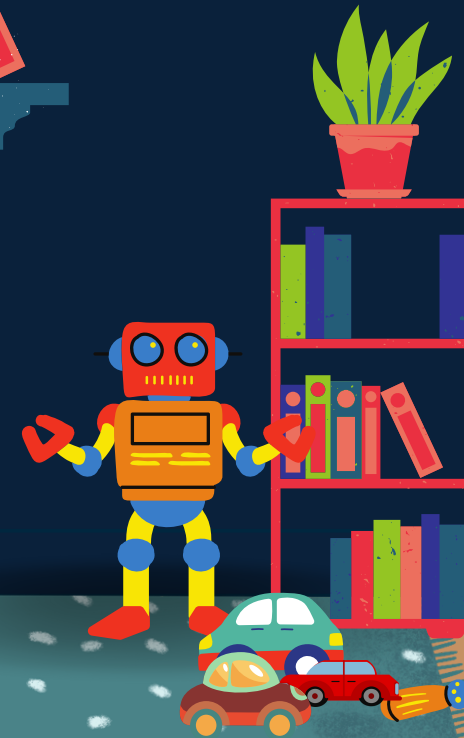

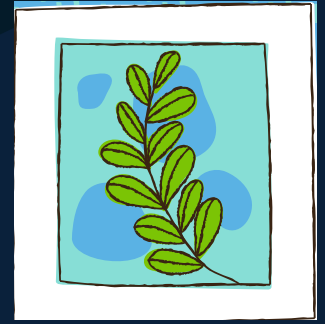

He poured it onto
Smilo's head...

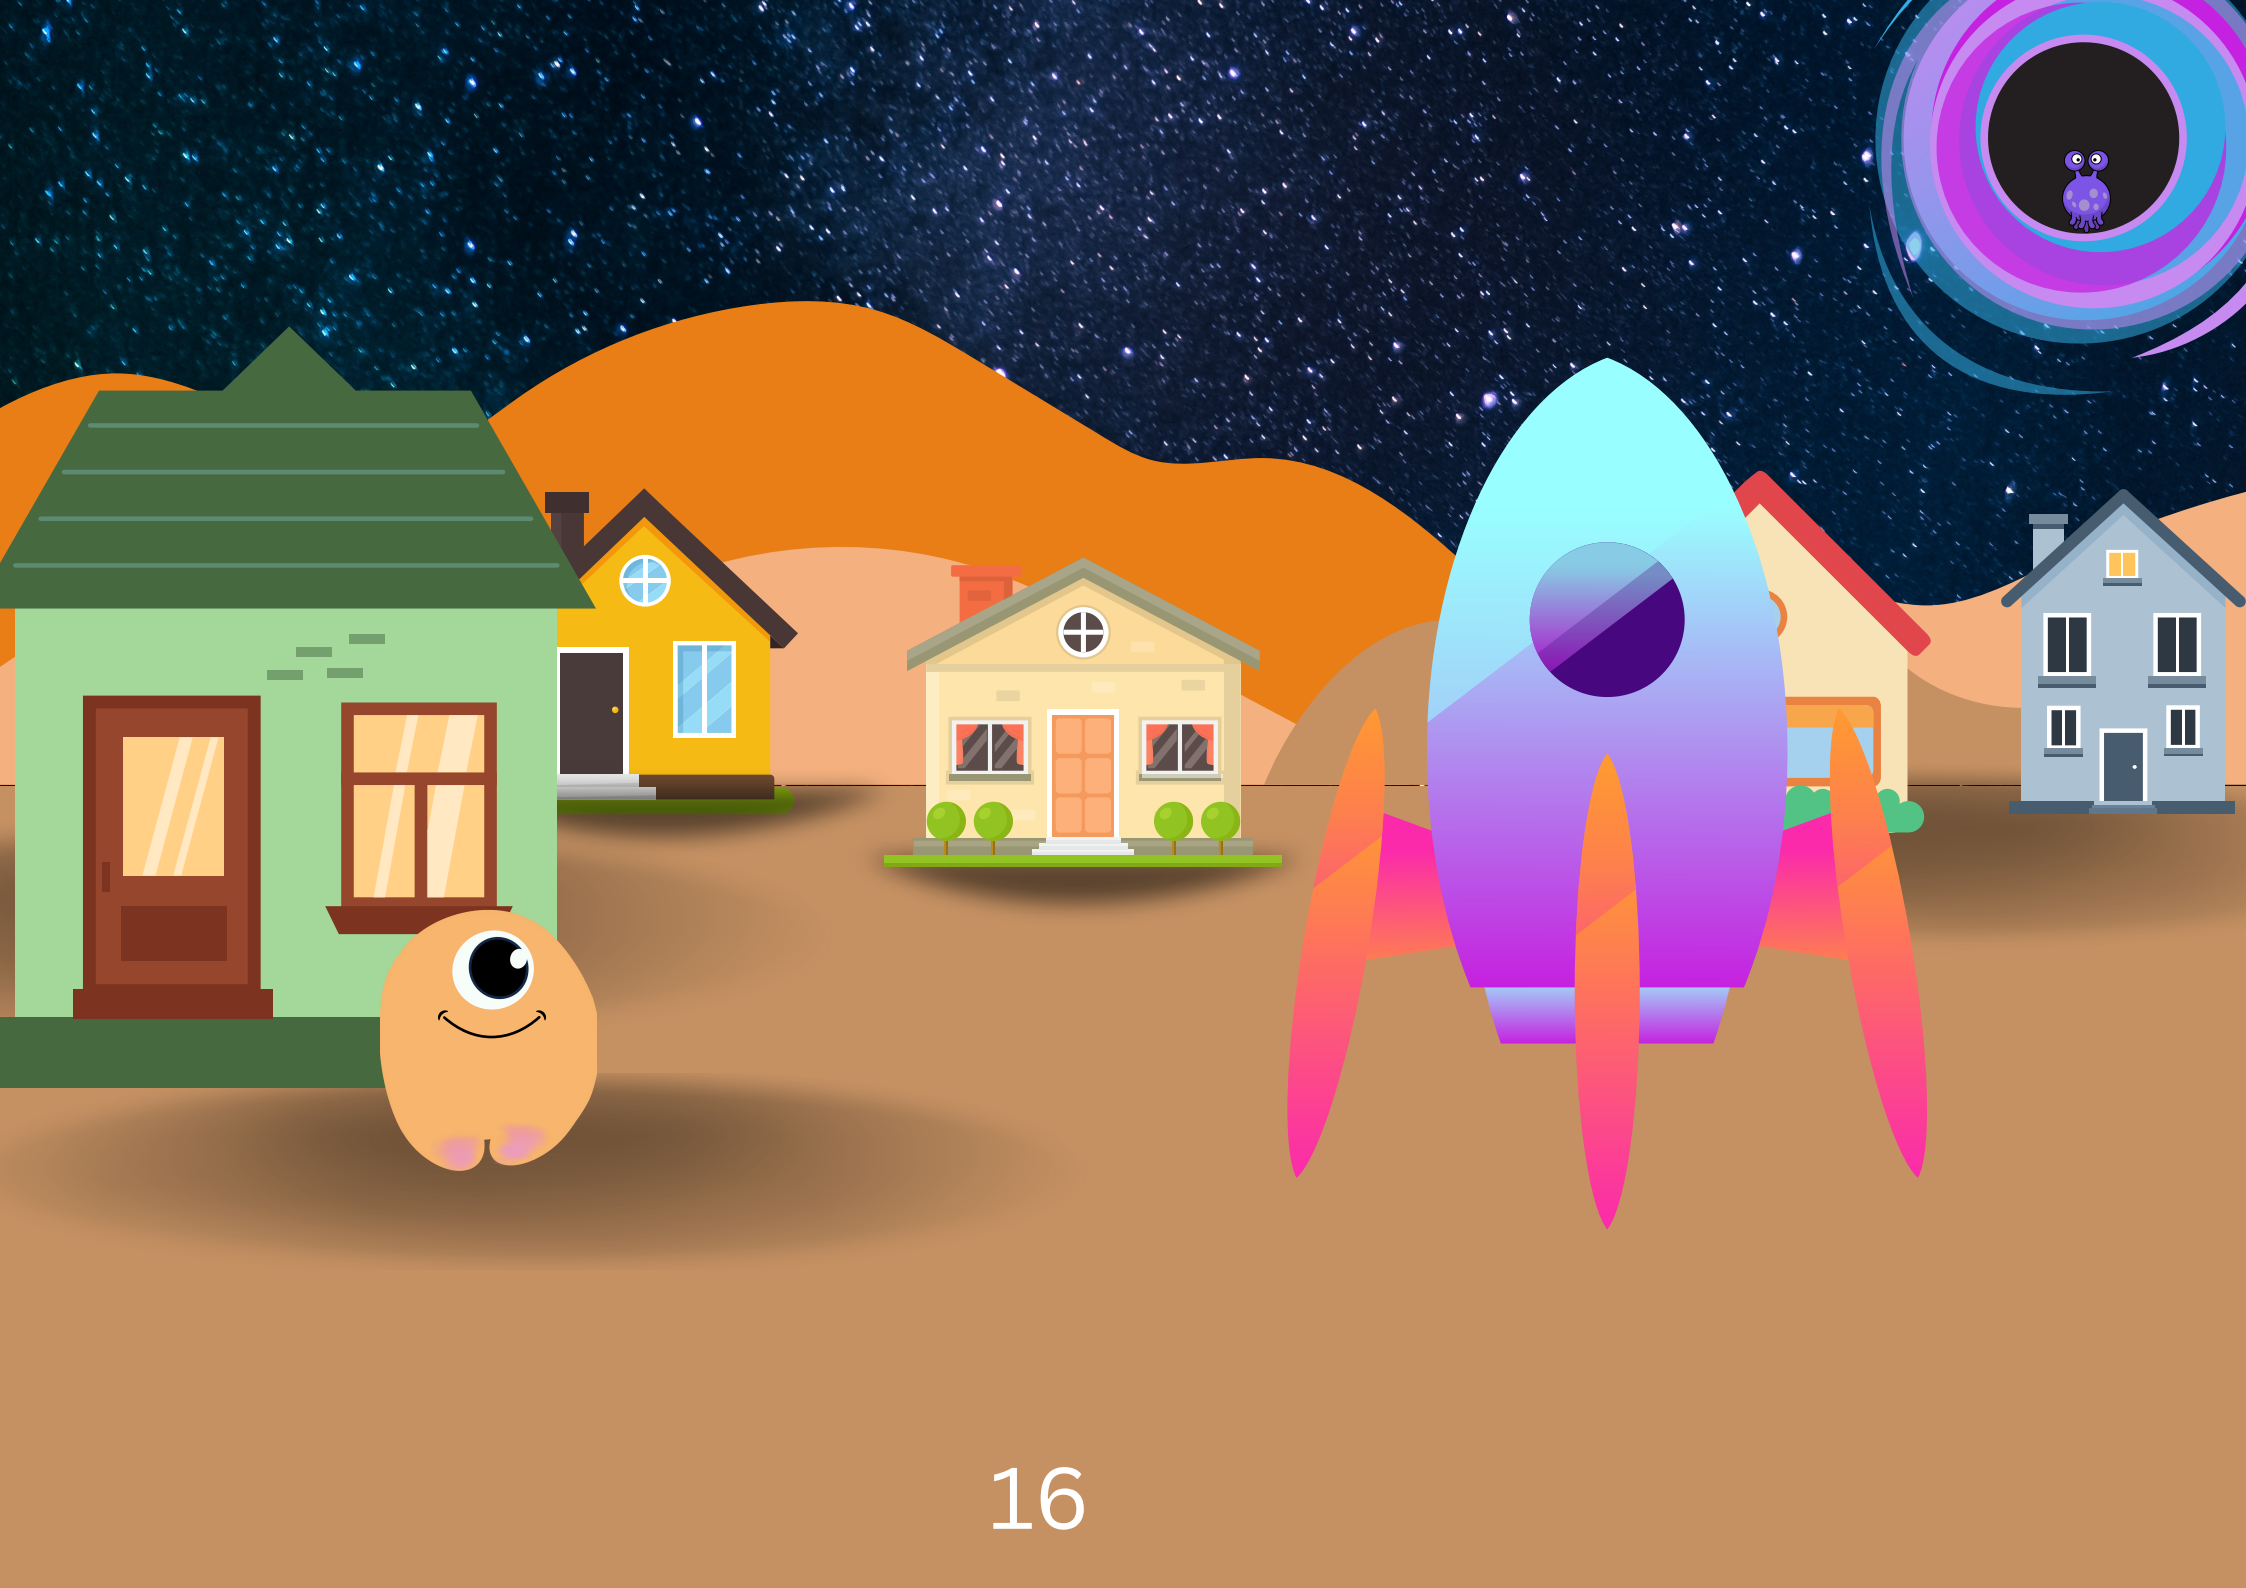

...and with a poof,
Smilo was back in his
warm home
with the spaceship
repaired outside.

From that day on, Smilo
promised himself that he would
never go exploring by himself any
where he doesn't know again.

ABOUT THE AUTHOR

My name is Maeve. I am 11 years old and I am from Australia.

In my spare time, I like to go on long walks, watch movies and hang out with friends. My dream for the future is to become an actress. To me, acting is really fun and I enjoy it a lot.

I love learning about space. I always have. I wanted to share a story with the world to help people learn to read. This story comes from my interest in space and what unknown planets could be out there.

Adventure to Magic World is a book where you can come on a magical journey with Smilo as he explores a planet he has never seen before! Smilo has always loved exploring, but he should never go anywhere he doesn't know alone.
