There once lived the most radical bird in the forest.
This forest was known as the Misty Meadow.

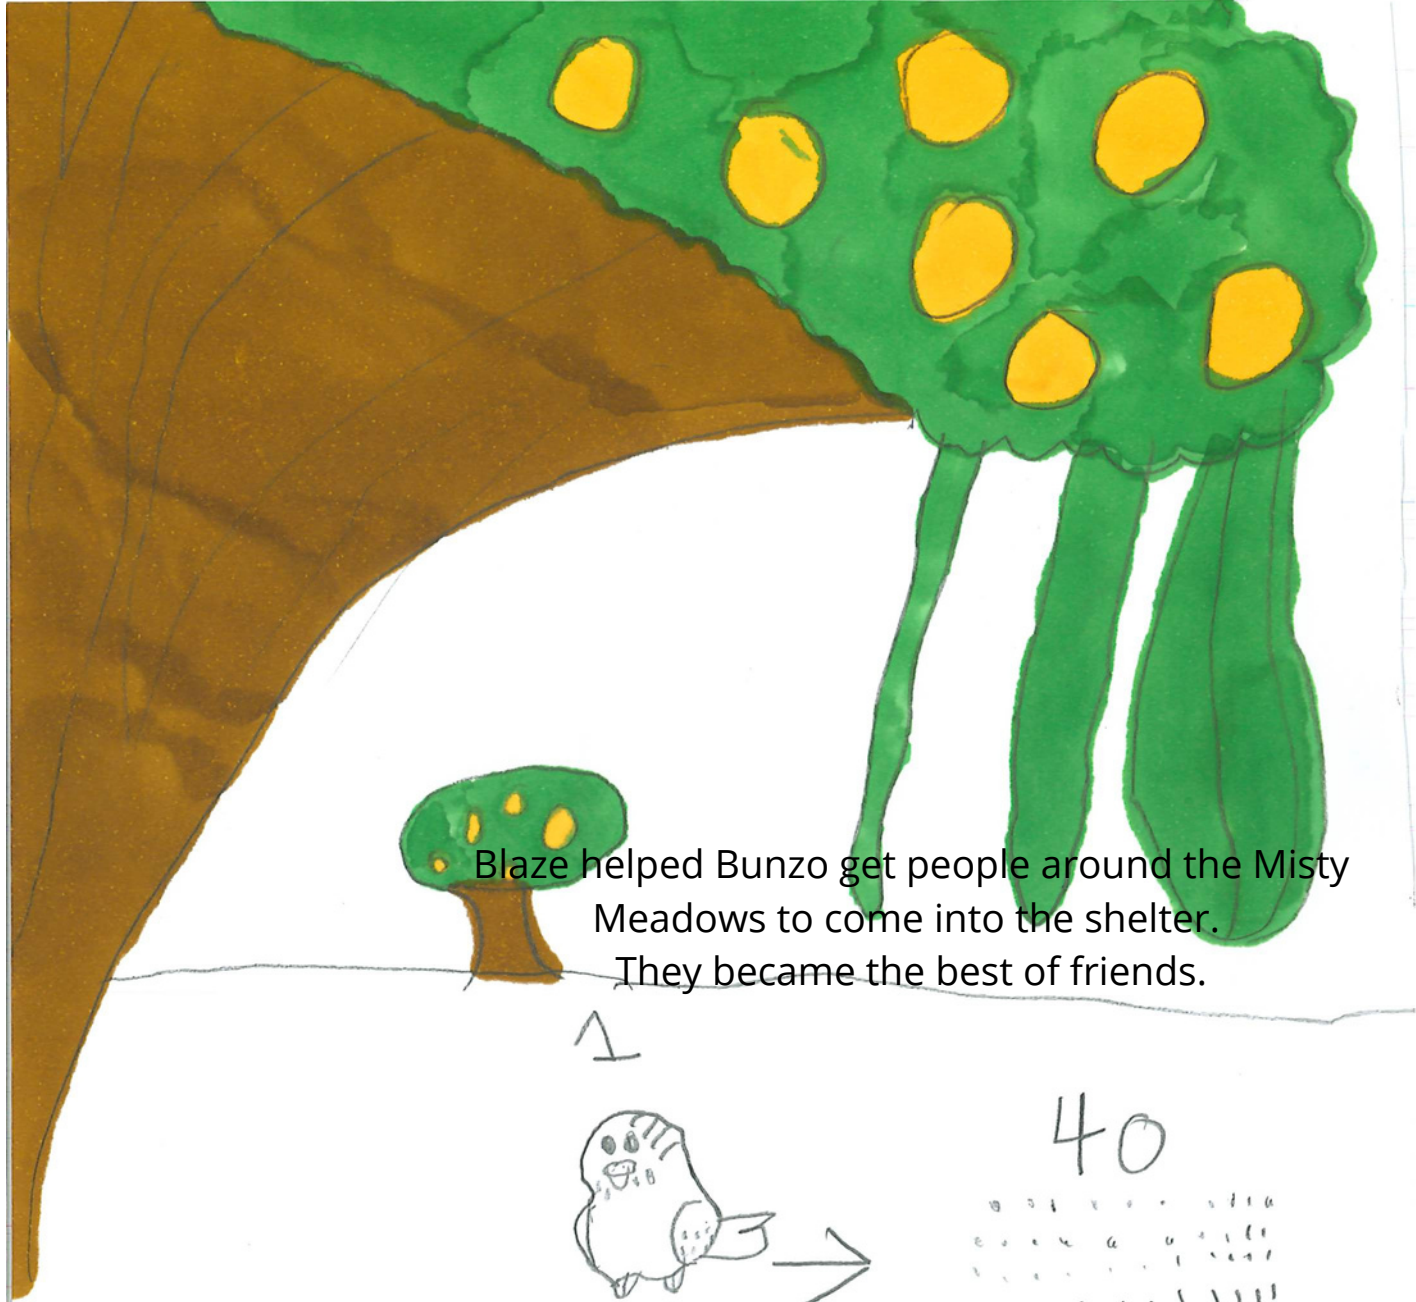

He was so happy
around other people
but under that
happiness is a
homeless man who
was very lonely and
depressed.

Then there was a bunny
named Bunzo.
He had a homeless shelter
where he gave
them food and clean water.

Five years ago after Bunzo had just built the shelter, Blaze was the first to come in.

Blaze helped Bunzo get people around the Misty Meadows to come into the shelter. They became the best of friends.

Ok The End.

My name is Lucas and I am 11 years old. I have been learning to write a picture book about empathy. My hobbies are drawing and building lego. I enjoy writing fiction and I have really enjoyed writing this book.

BLAZO is about a young bird who acts nice around other people but is hiding the fact he is homeless.
This is a story about empathy.
