To Christmas

Erin the elf was excited to be a part of Santa's group. She had one job, to make sure children all over the world were asleep on Christmas Eve so that Santa could visit.

She flew around the world and completed her task in lightning speed, after all that's why Santa picked her to join the other elves.

All the other elves made fun of her because she was the only girl, but she didn't care. She was Santa's favourite.

It was the night before Christmas and Santa was getting ready to fly his sleigh around the world to distribute gifts. But something was wrong. Reindeer Ralph was injured and could not fly !!!!

**“Oh !! this is a rather worrying situation,” said Santa.
“Now how am I going to distribute gifts to the
wonderful children ?” he wondered.**

The Elves looked worried. Looks like Christmas was going to be ruined this year for the world. How would they ever solve this difficult situation ??

“Santa, I can help,” yelled Erin excitedly. “And how would you do that my dear Erin ?” asked Santa. “ I can build a reindeer robot if everyone helps,” replied Erin. “Then get to it immediately Erin. There is no time to waste,” instructed Santa.

So Erin gathered the elves and told them what she needed to assemble the robot reindeer. They all set out to work and gathered all the material. Soon there was an enchantment of very busy elves. They had to save this Christmas.

Erin got to work. The Elves joined her. They had to have this robot reindeer ready quickly. Christmas had to be saved.

There was much excitement in Santa's workshop.
Tiny hands worked swiftly and they all enjoyed
working with Erin.

Soon it was ready !!! Robot Reindeer Ralph was magnificent !! Santa was very pleased with Erin and all of the elves. Christmas had been saved.

Erin swiftly tied Robot Reindeer Ralph with the other reindeers and Santa was ready to go !!! “Goodbye dear Erin. I’ll see you when I get back and then we will all celebrate,” said Santa.

Understanding that Erin had saved Christmas, all the elves had one - by - one apologized to her and had thanked her in unison for saving the most important day of the year.

**“Ho ho ho, Merry Christmas and a happy new year to
one and all ! On Donner, On Vixen, On Prancer, On
Dancer and On Robotic Ralph, Ho ho ho!”**
