

Listening is the key to

happiness

“Hi, I'm Mia and I'm going to be telling you about what happened to me when I was just 9”.

It all started when I was getting ready for school. It was a hot and sunny day. I grabbed my violin and had some breakfast.

Before I knew it, it was time for school.

My mum dropped me off but then I realized I was running LATE. I was running as fast as a cheetah within seconds.

“Mia where have you been?” “Sorry Miss Miller my mum's car wasn't really working” “Oh that's bad but you should start to get to work we're doing math”.

“Fine” Mia was dashing through her work trying to get it done before lunch “Ring, ring, ring” “YES just in time”.

Mia got her lunch and she could hear her noodles calling out her name "Eat me, eat me," but before she knew it Jack came to talk to her. "Oh well, well, well look who it is" "Jack I just want to eat my lunch and NO YOU ARE NOT HAVING MY LUNCH". "I don't want your lunch" "Then what do you want"

Jack grinned at her “I'm here to tell you that you should give UP on your dreams,” “WHAT” “Yeah you won't be successful you will just FAIL”, Mia looked blue.

“What's wrong Mia?” Mia didn't respond..... “Mia are you ok?” “Oh yes Miss, Miller” “Are you sure?”
“Yes “ok..” Mia made her way home.

“Hi Mia” “...hi mum” “Are you ok?” “No” “Aw what happened” “Some boy at my school keeps saying I should give up on my dreams of becoming a singer”.

“Aw Mia don’t listen to him” “I feel like giving up”
“DON’T, listen to ME no matter what he says just
ignore him OK” “Ok” “I just know that you will
become a famous singer one day” “Thanks mum” Mia
ran to her room with joy in her heart and feeling
loved.

The next day came and Mia was feeling confident. She got dressed, grabbed her violin and went off to school. As she got there Jack was standing in front of her locker looking mad.

“HEY what did i tell you” “I don’t know?” “To
give up”

“Why would I give up?” “Because you are bad
and I mean BAD at playing the violin”

Mia looked blue again but that didn't stop her. "I will never give up," she said, running to miss Miller to tell her what Jack said. "Why are you crying mia?" "Jack keeps saying to me to give up on my dreams of becoming a famous singer" " Oh mia don't listen to him you never know you may become a famous singer but only if you keep trying" Thanks Miss,Miller".

She ran home with the BIGGEST smile on her face
“MIA” “NOT NOW MUM” “What is she doing” time
was flying fast as Mia was writing down a song to sing
one day in front of a BIG crowd.....

years went past and mia was doing great with her songs and was only 24.

Before she knew it she was performing on stage in New york mia was very scared but she knew that she could do it.“Now inviting Mia Anderson to the stage” Mia had a big smile on her face. She had her song ready, her microphone and she was looking fine.

She started to sing and the BIG crowd started to like it and started to hype her up even some of the people were throwing roses “Thank you so much everyone” Mia saw that her song was ALL over the news.

“WOW” am i famous?” “OMG ARE YOU MIA ANDERSON?” “Yes, why?” “I LOVE YOUR MUSIC can I get an autograph?” “Of course you can” “OMG THANKS SO MUCH” “your welcome”.

“OMG mia from primary school” “jack is that you” “yeah
long time no see”

“I can’t believe it’s you” “I can't believe you're famous
now” “Well no matter what people say about you, keep
going and NEVER give up on your dreams.....”

**REMEMBER TO NEVER GIVE
UP ON YOUR DREAMS**

This story is about a girl called Mia went to school but she got bullied a lot by Jack. Jack kept telling her to give up on her dreams but that didn't stop her from giving UP. 24 years later Mia became very successful with her singing and playing her violin. Jack came to her and said sorry for being rude to her back in school.
