

my first day of school

by sourabh

It was night time and tomorrow
was my first day of school.

Once I woke up, I was so excited.

I brushed my teeth.

Ate my breakfast.

And bathed.

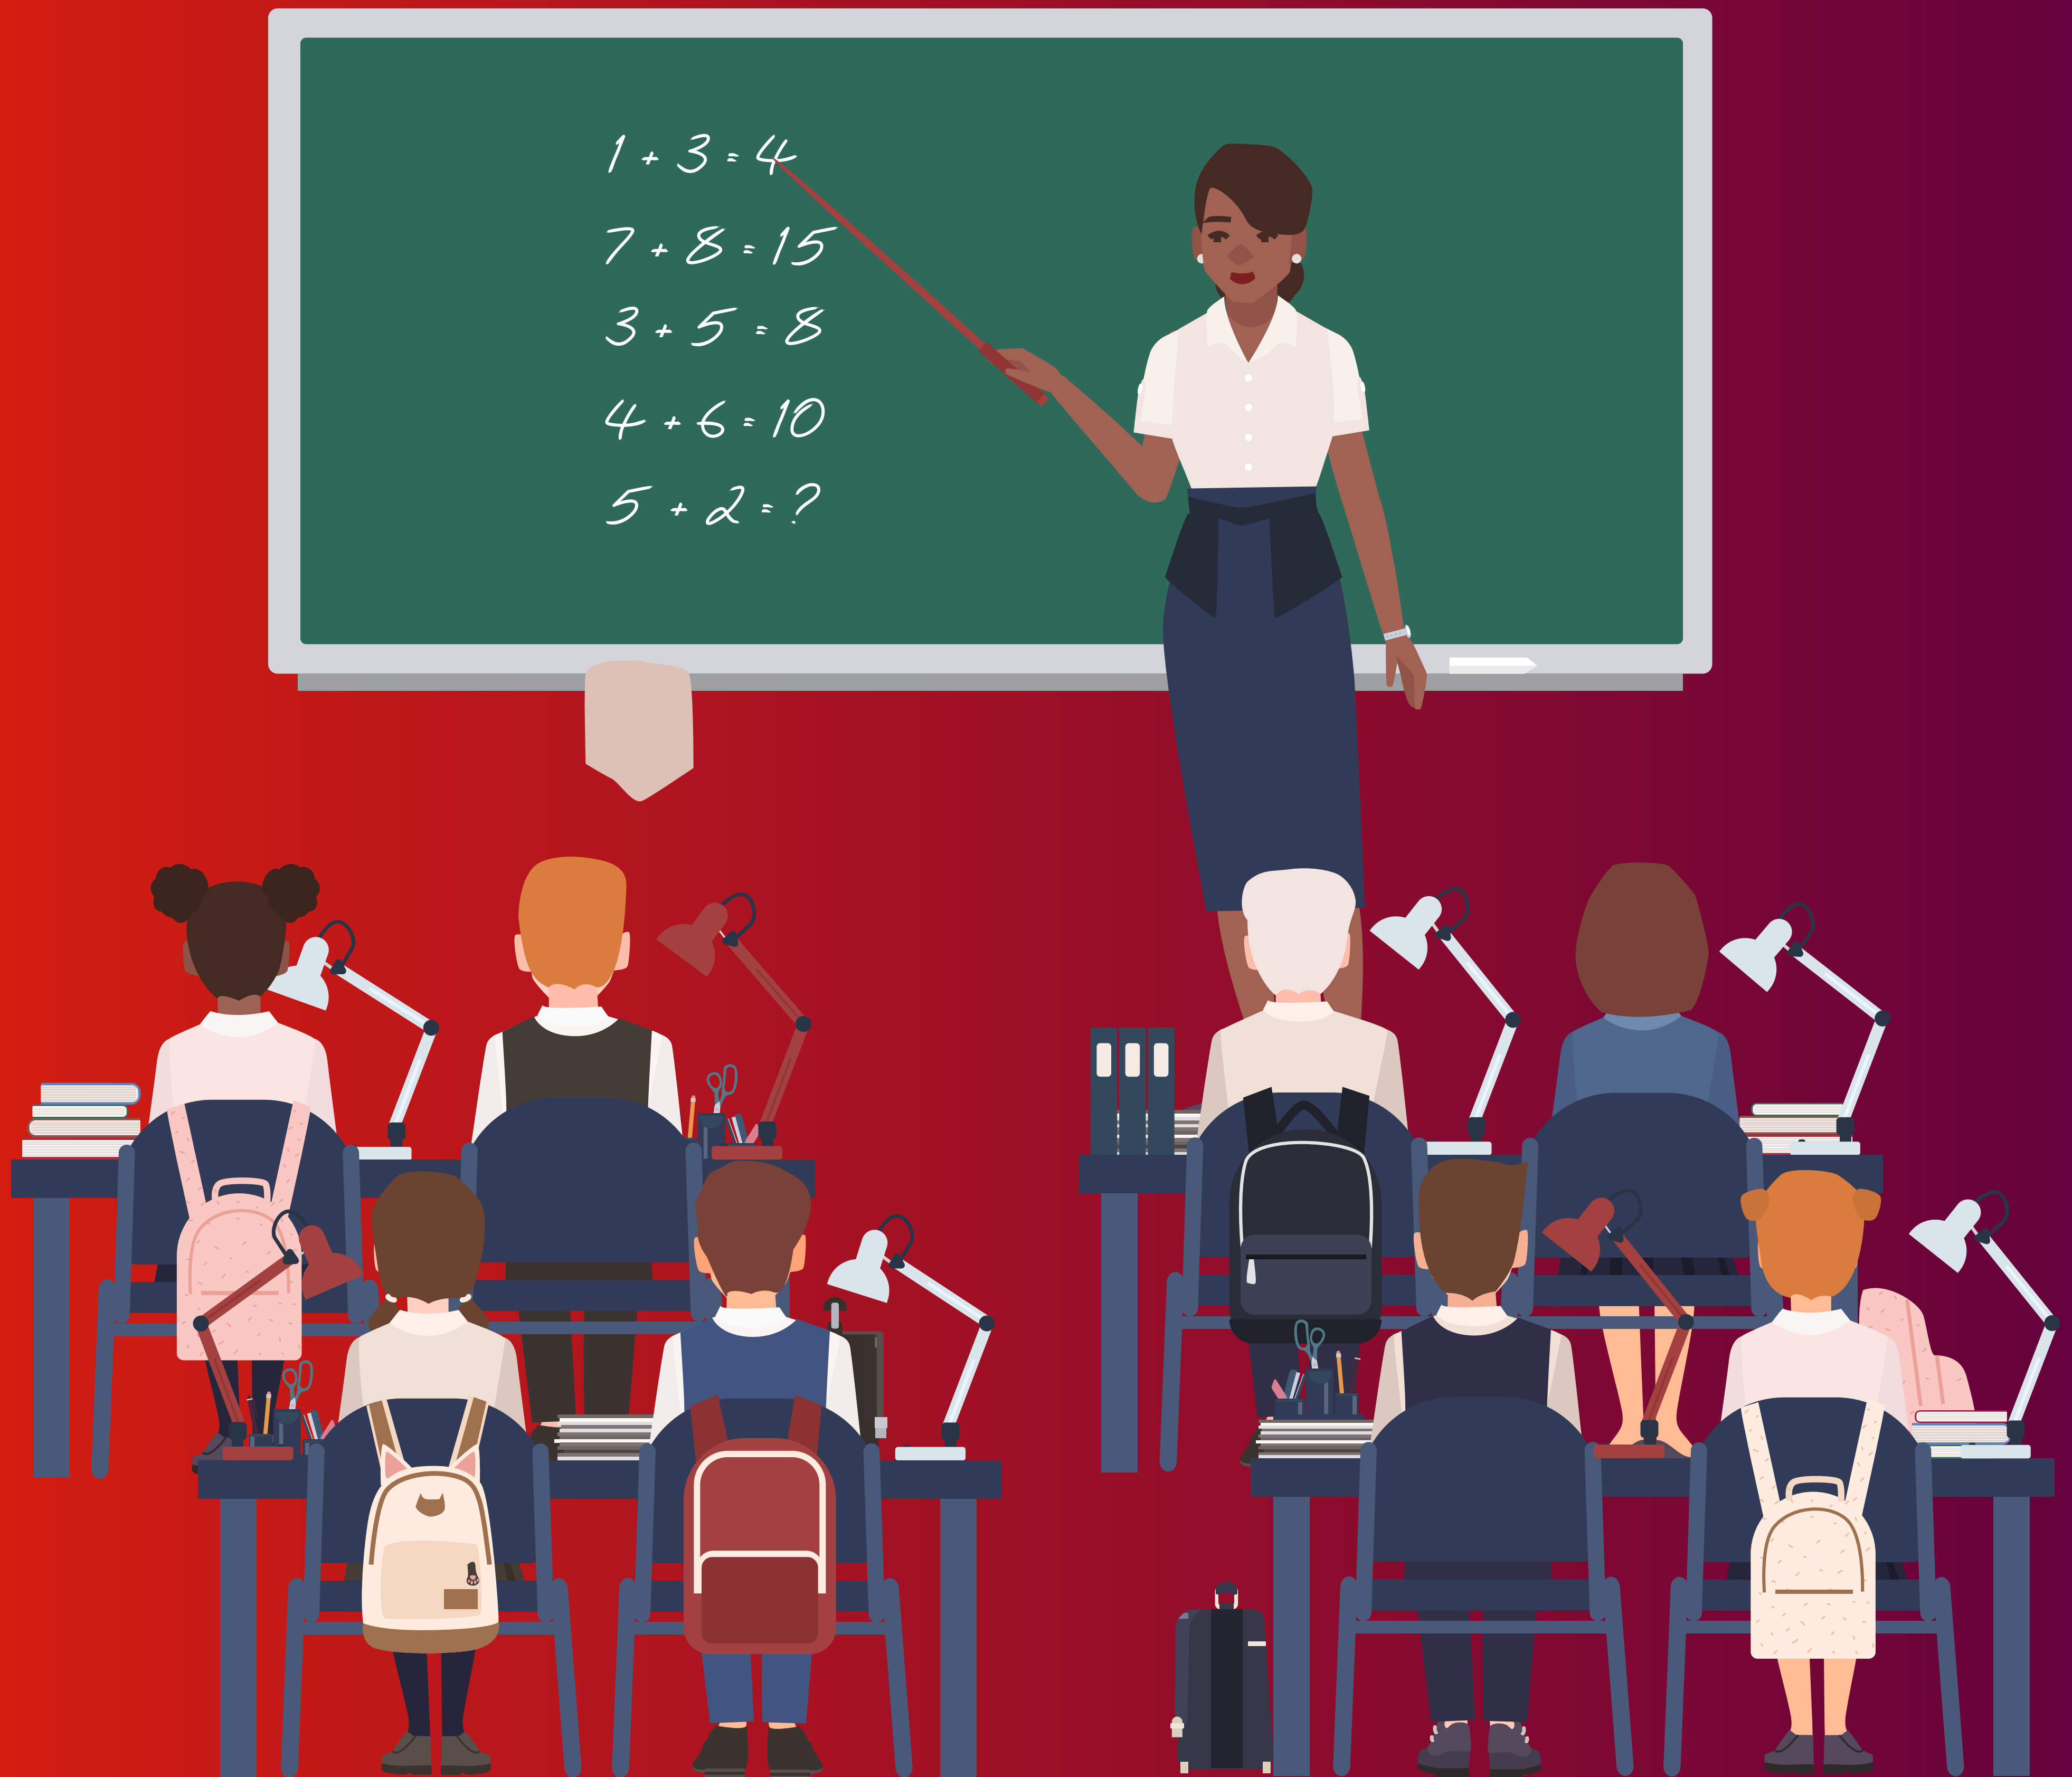

then I packed my
backpack.

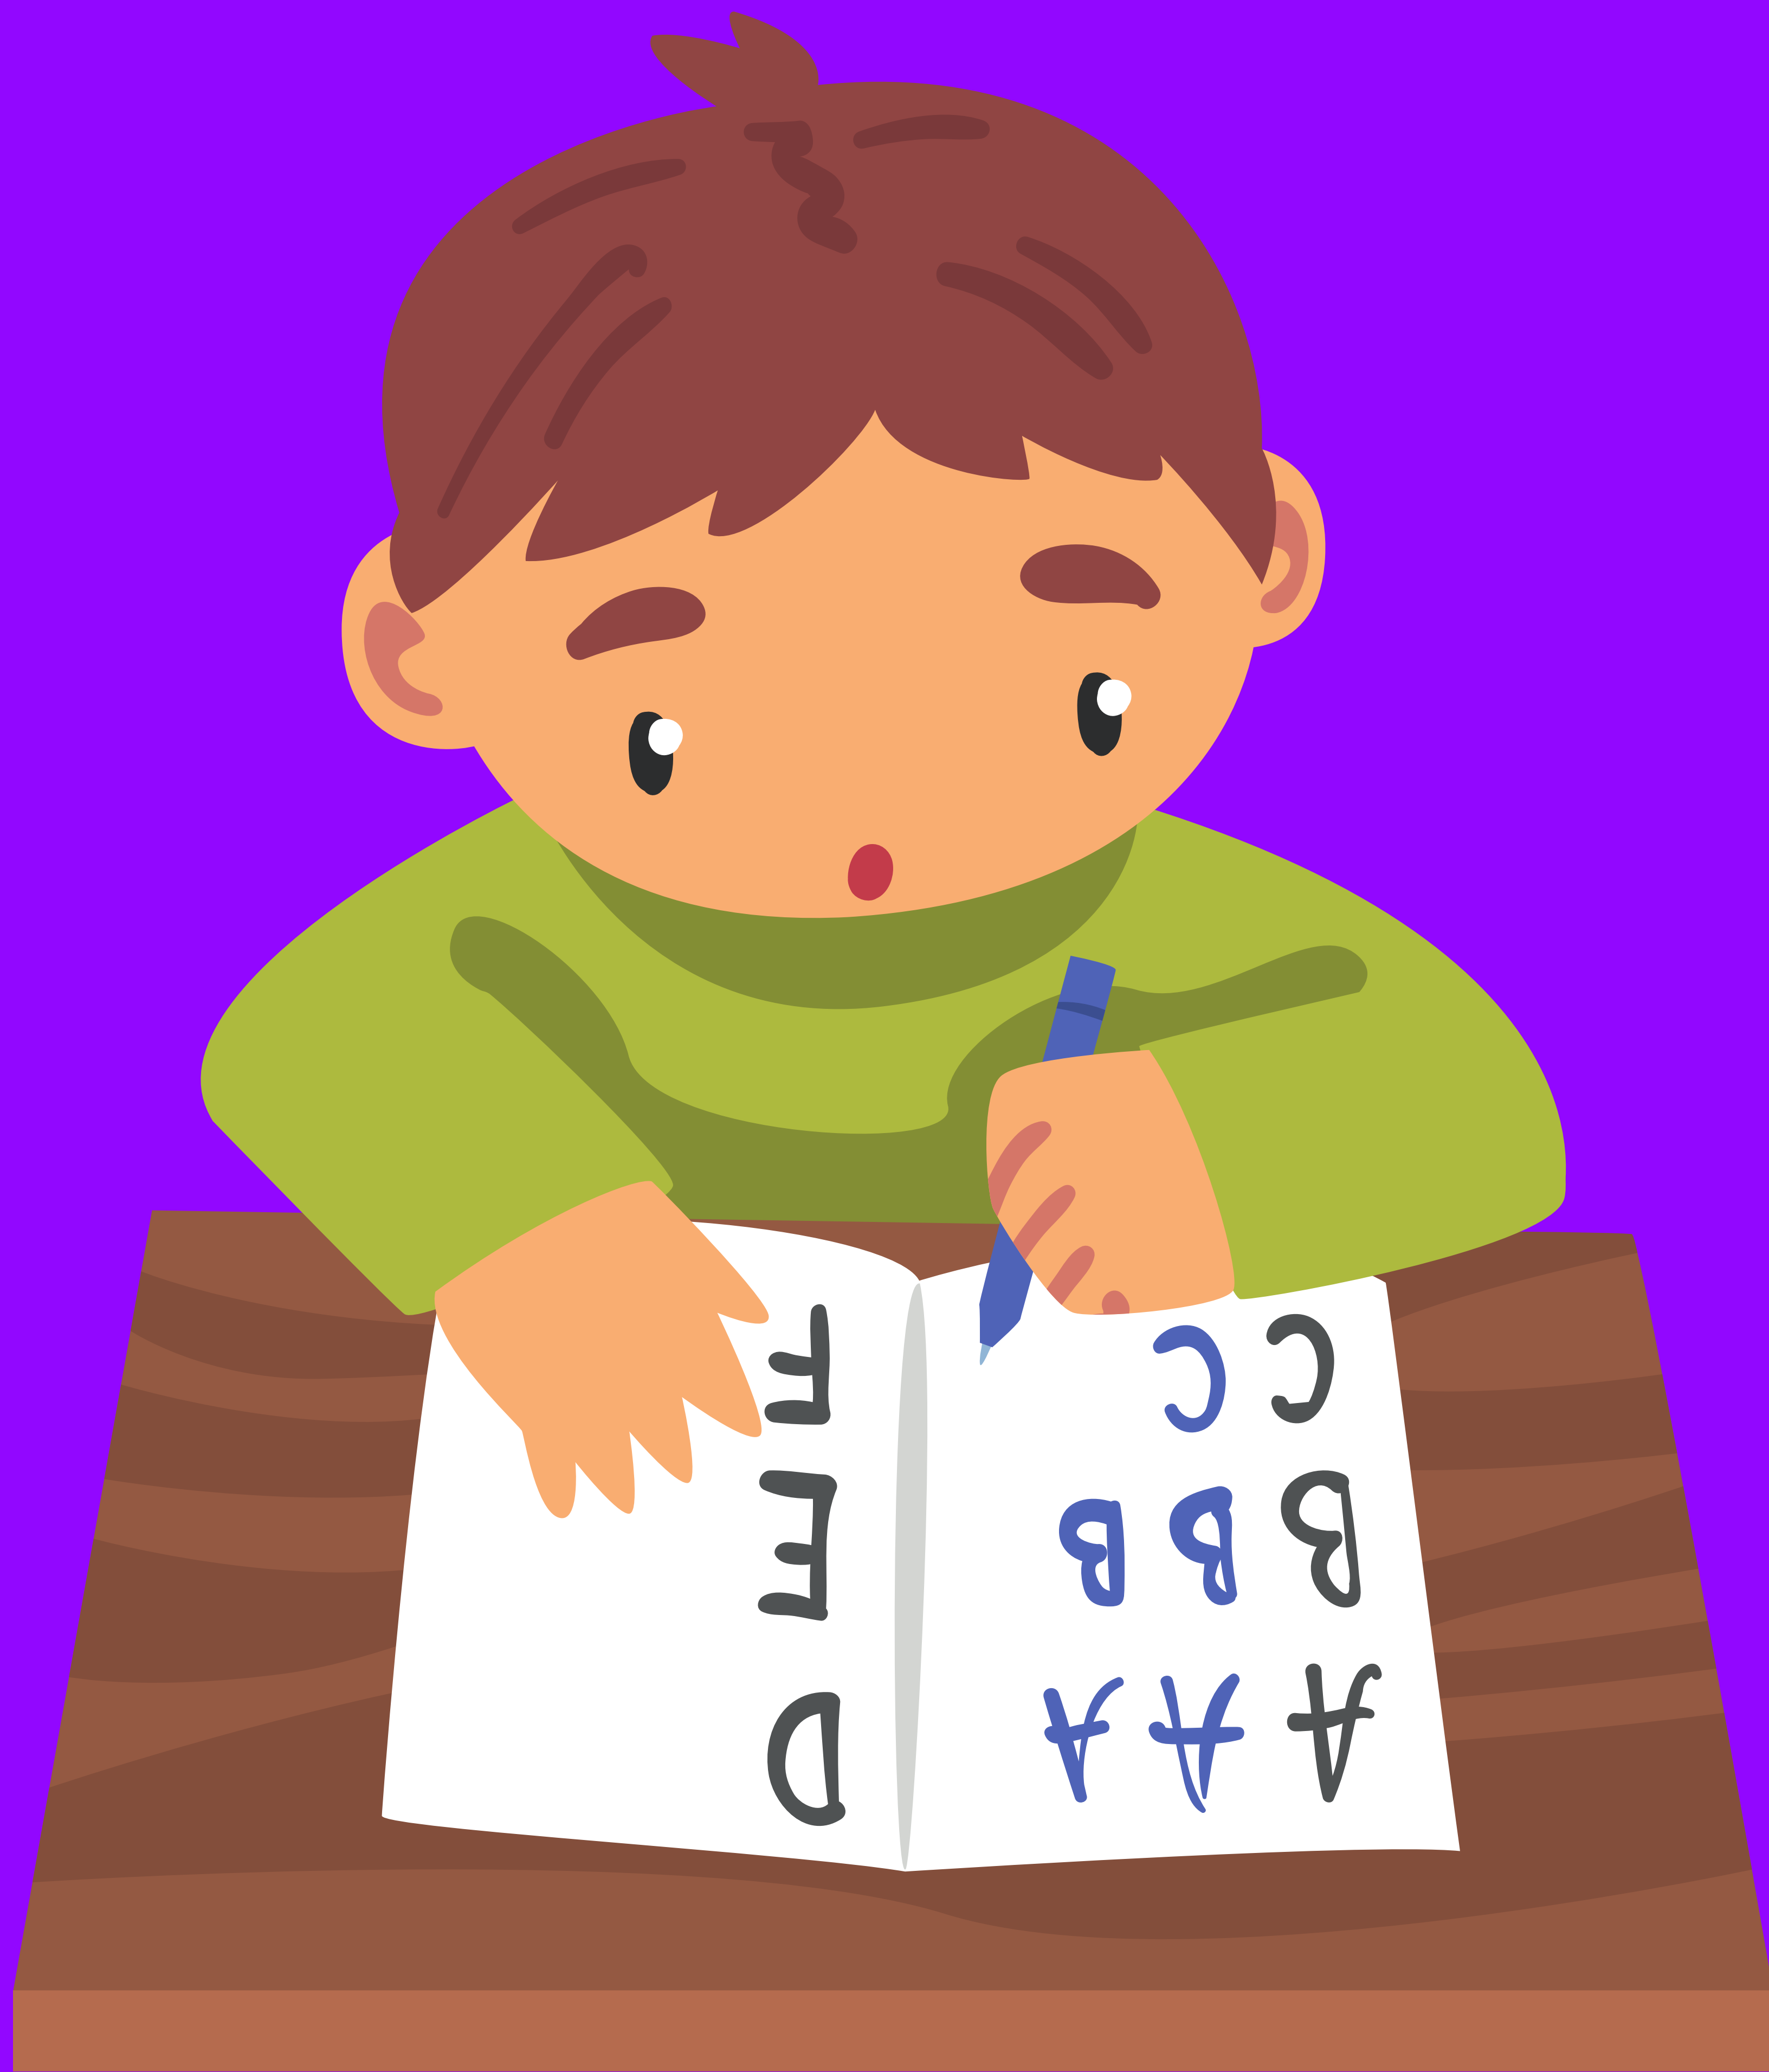

Then my school bus stopped, I
boarded the school bus and I reached
school

Then the teacher introduced me to
the class.

Then we wrote our notes.

And I made new friends, I enjoyed
MY FIRST DAY OF SCHOOL.

The End!
