and you all must know
me from last time, now
back to the point, I will
destroy and eat
everything in my
path."**

**myro was punched so
super hard that he was
flying in the sky.**

**But finally myro had
looked at what
tictok weaknesses
were which could be
very hard to get.**

**The weakness
for tictok is

**miro noticed
that he
needed a
screwdriver**

do but he won the battle with a big
