One very early, sunny morning a warm breeze softly blew the trees and the birds sang like princesses.

An adorable dog named Coco woke up in her cozy, sweet, warm, fluffy, half chewed bed. Her tummy was starving and growling like a wolf. She ran to her food bowl ready to gulp it down.

When she got there she saw it was the usual, biscuits with wet food and a splash of water. She ate it in a flash. Afterwards she went on her daily walk with Mum who was as kind as a teddy bear.

Once she got home and Mum went inside she went to her bed ready to curl up when she saw a letter...

Slowly Coco turned the letter over and on the back there was her own name in the prettiest handwriting ever! She opened it and then there was card a big word saying 'CONGRATULATIONS!'

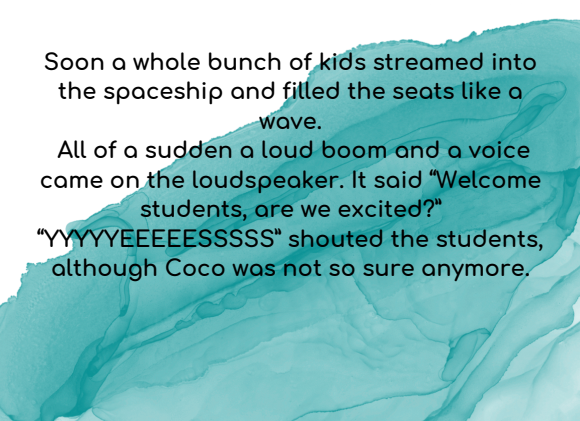

"You've made it into Space School!" it said  
Coco was sooooooooooooooooooooooooooooo  
excited! She started packing straight away.  
Coco packed a bag of toys and her travel bed.

YAY!

When the day had finally arrived, Coco's family waved goodbye and had a couple of tears. As Coco got on the rocket, she heard her family sing "Goodbye Coco" and then they were gone. Coco put her luggage into a compartment in front of her seat, sat down and buckled herself up. Then a cat appeared and she said "Hi" and gave it a wave, when the cat finally noticed it said "Get lost loser" Coco suddenly wanted to go back home. Turns out the cat was a mean girl called Skyla.

The background of the slide is a teal watercolor wash, with darker, more saturated areas on the left and right sides, and lighter, more transparent areas in the center. The texture is soft and painterly.

Soon a whole bunch of kids streamed into the spaceship and filled the seats like a wave.

All of a sudden a loud boom and a voice came on the loudspeaker. It said “Welcome students, are we excited?”  
“YYYYEEEESSSSS” shouted the students, although Coco was not so sure anymore.

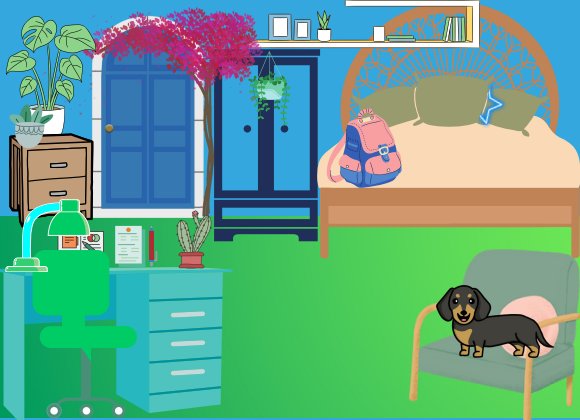

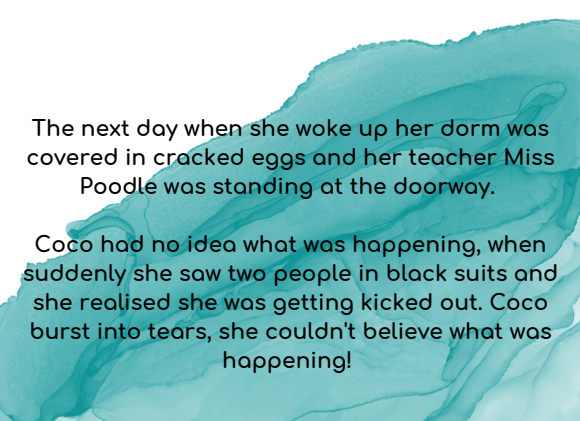

The background of the slide is a soft, abstract watercolor wash in various shades of teal and light blue, with irregular, feathered edges. The text is overlaid on this background.

“Lovely” said the woman on the loudspeaker.  
Soon they arrived at Space School.

When they all got inside the school they picked a dorm. Coco picked one with walls as blue as the ocean. Then they headed to class.

The next day when she woke up her dorm was covered in cracked eggs and her teacher Miss Poodle was standing at the doorway.

Coco had no idea what was happening, when suddenly she saw two people in black suits and she realised she was getting kicked out. Coco burst into tears, she couldn't believe what was happening!

The background of the page is a soft, teal-colored watercolor wash. The color is more saturated in the upper left and fades towards the bottom right, creating a gentle, artistic texture.

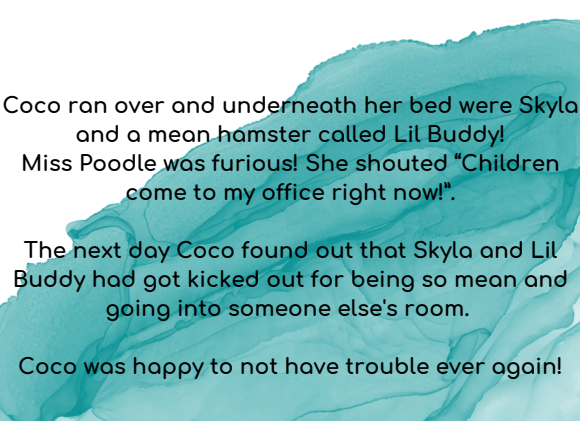

She begged and begged Miss Poodle not to kick her out because she hadn't done it. Miss Poodle felt very sorry and said "I'm sorry Coco, but you have nothing to prove, it wasn't you."

Coco felt sad. Shortly after a giggling noise came from under Coco's bed...

PLEASE

Coco ran over and underneath her bed were Skyla  
and a mean hamster called Lil Buddy!  
Miss Poodle was furious! She shouted “Children  
come to my office right now!”.

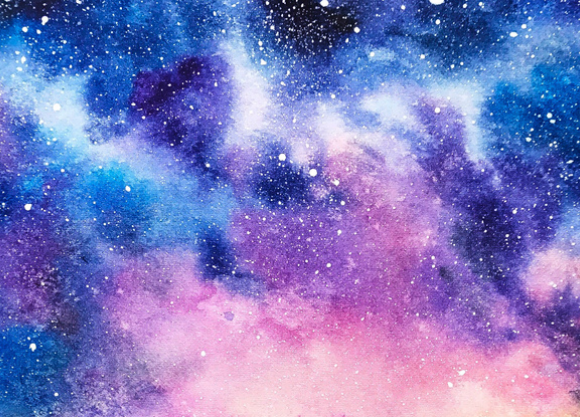

The next day Coco found out that Skyla and Lil  
Buddy had got kicked out for being so mean and  
going into someone else's room.

Coco was happy to not have trouble ever again!
