

Sweet Memories

Written and Illustrated
by Christian.E

My name is Christian.E

I am currently 11.

I live in Australia with my family.

Many people are interested to know that my hobbies include gymnastics, writing stories and playing games.

Most of the time I surround myself with people that I care about.

Some of those special people are my family and my friends. I particularly enjoy writing fun narratives and sometimes fables because it is a way to show creativity.

I also particularly enjoy going to the Theater and watching Musicals because it inspires me.

Whenever I am out with friends I enjoy a nice sunny day picnic.

**In the
Enchanted
Cookie
Kingdom, lived
a joyful
Gingerbread
Woman and a
fearless
Gingerbread
Man. It was a
charming
sunny day, so
the
Gingerbread
Man and
Woman
decided to go
outside.**

**They had
so much
fun. They
jumped!
They
danced!
They
played!**

**They started
to hear the
sound of an
eary
footstep. It
sounded like
an apple
falling,
heading
towards
them. Their
house
started to
crash down
and that
made them
miserable
and glum.**

**Greenish,
thick, fog
appeared and
out came the
Gingerbread
Witch of the
Kingdom. She
wanted to
take the
Gingerbread
Man for her
private army
filled with
strong
Gingerbread
Knights.**

**She snatched
the
Gingerbread
Man viciously
and the
Gingerbread
Man
screamed
louder than a
lions ROAR!
She then
blasted a
large,
powerful
beam to the
ground to
glide away.**

**The
Gingerbread
Woman
looked at the
broken cookie
crumbs, rolling
in the ground
all crushed up.
A turquoise,
thin, fog
appeared and
the magical
Gingerbread
Wizard
appeared.**

**The
Gingerbread
Wizard told the
Gingerbread
Woman he knew
where the cruel,
Gingerbread
Witch's lair was
and he flew them
to the lair,
hoping to find
the Gingerbread
Man.**

**They saw a jet
black,
disturbing
shadow pop out
and there was
the
Gingerbread
Witch, holding
the
Gingerbread
Man tightly. She
was ready to
hypnotise him
for her private
army.**

**The
Gingerbread
Wizard
demanded a
battle for
the
Gingerbread
Man. She
accepted
and they
agreed on a
magic
battle.**

3! 2! 1!
BEGIN! The
Gingerbread
Witch
blasted the
Gingerbread
Wizard and
he fell to the
hard ground.
He blasted
her back but
she slyly
dodged it.

The
Gingerbread
Woman was
feeling so awful
for the
Gingerbread
Wizard and
wanted to help.
She didn't want
to be
frightened
anymore. So
she did what
the
Gingerbread
Man would do,
and pushed the
Gingerbread
Witch!

He saw his chance and the Gingerbread Wizard blasted the Gingerbread Witch and the Gingerbread Woman grabbed the Gingerbread Man and tried to escape. The Gingerbread Witch faded away brutally bit by bit.

**They all
decided to go
back home.
The
Gingerbread
Wizard
made sure
their house
was rebuilt.**

**They all
went inside,
blissfully
happy, and
the
Gingerbread
Woman told
the
Gingerbread
Man, “I
wanted to
save you, so I
did my part
and saved
you.”**

The Gingerbread Wizard had to go as it was his time to leave. So to this day, the Gingerbread Woman wasn't scared anymore. The Gingerbread Wizard became the stunning guardian of the kingdom and the Gingerbread Witch learned her lesson.

The gingerbread man and woman,
Are being hunted.
But by who?
Something Magical happens.
There are spells, magic and relationship.
