I dedicate this book to my friends and  
family who care for me

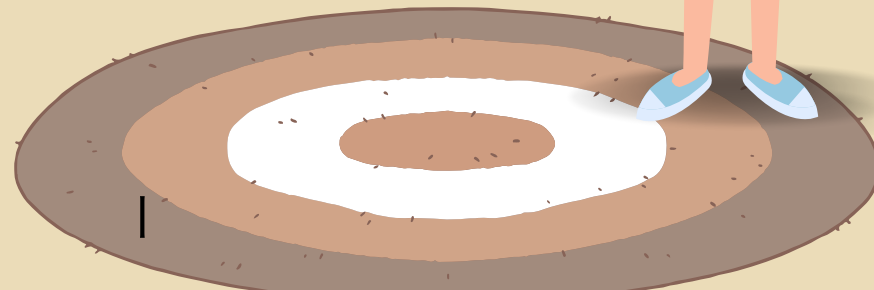

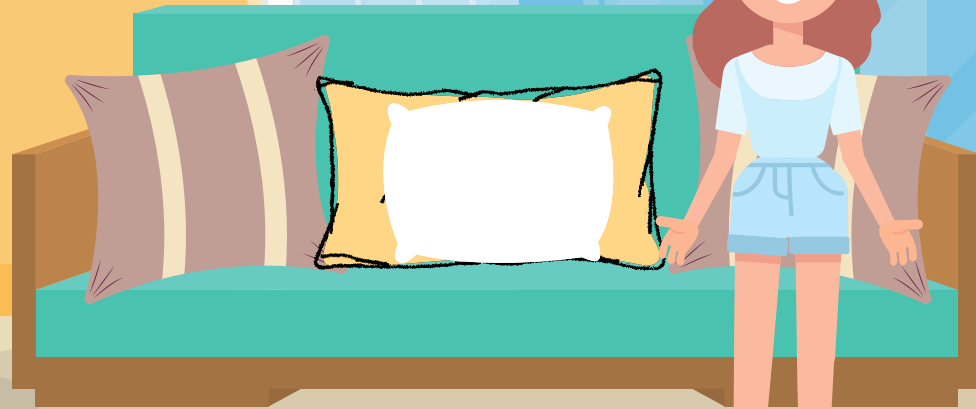

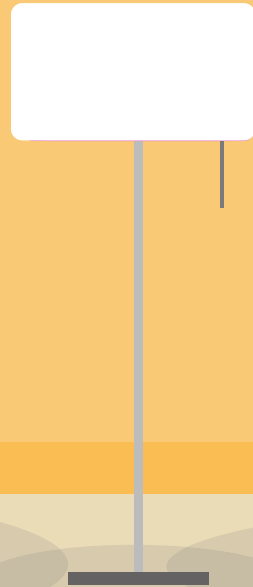

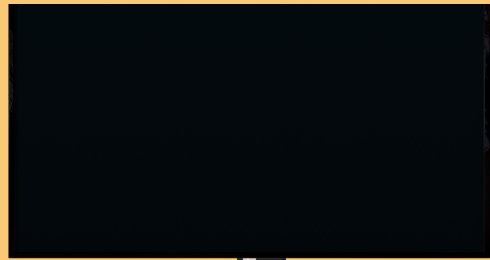

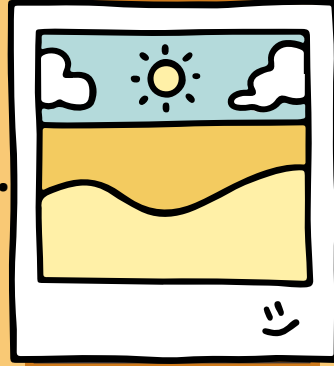

**“In two days we are going to space Pingo!” I said excitedly. “Are you excited? ”**

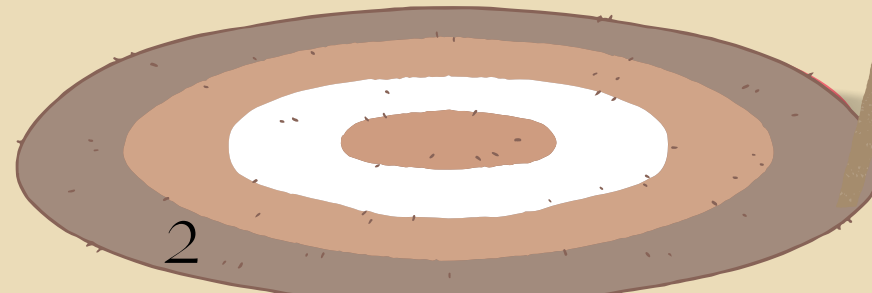

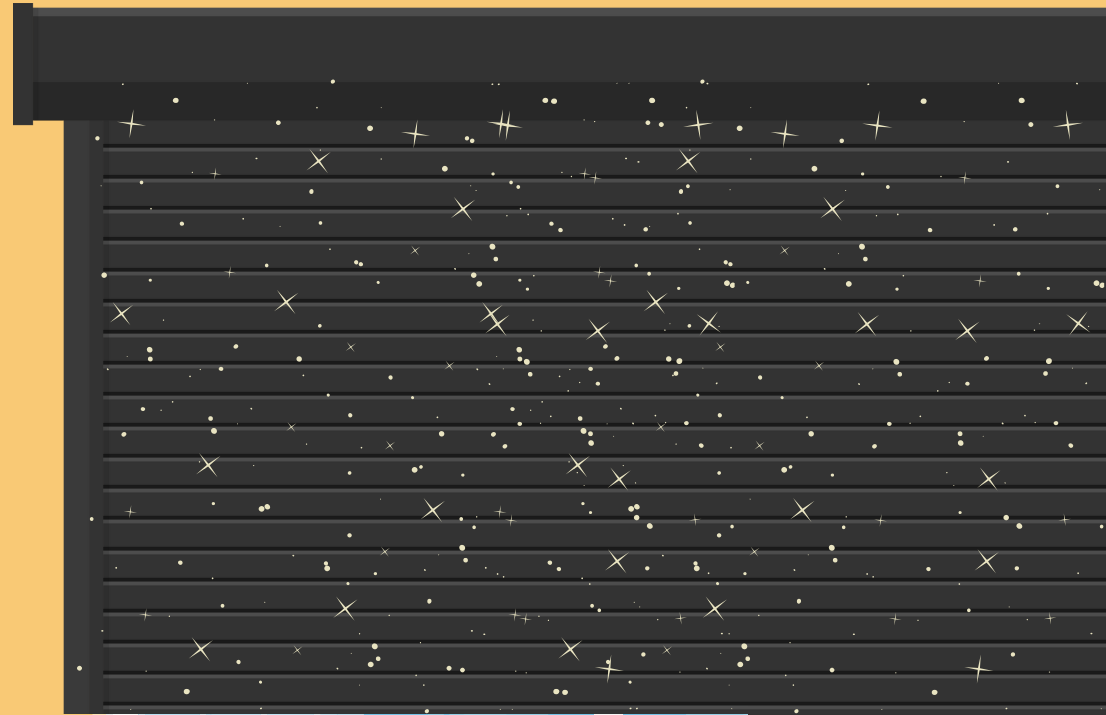

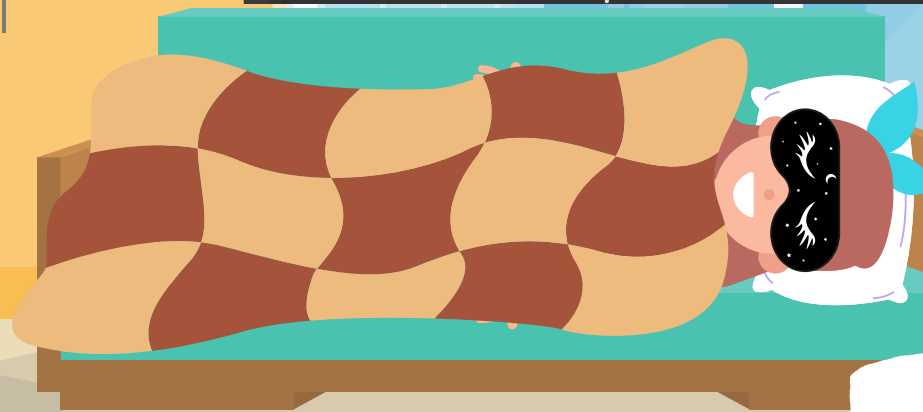

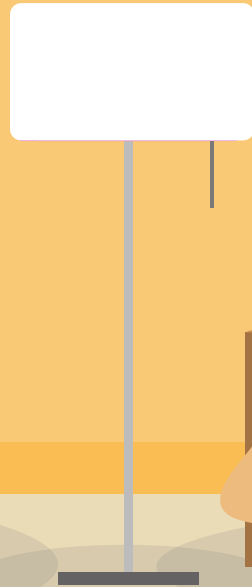

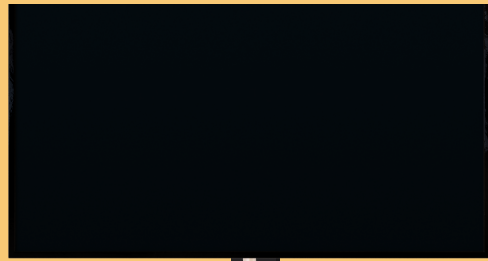

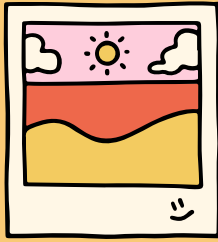

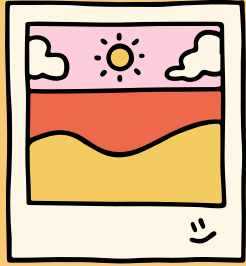

**“YES!” Pingo yelled.**

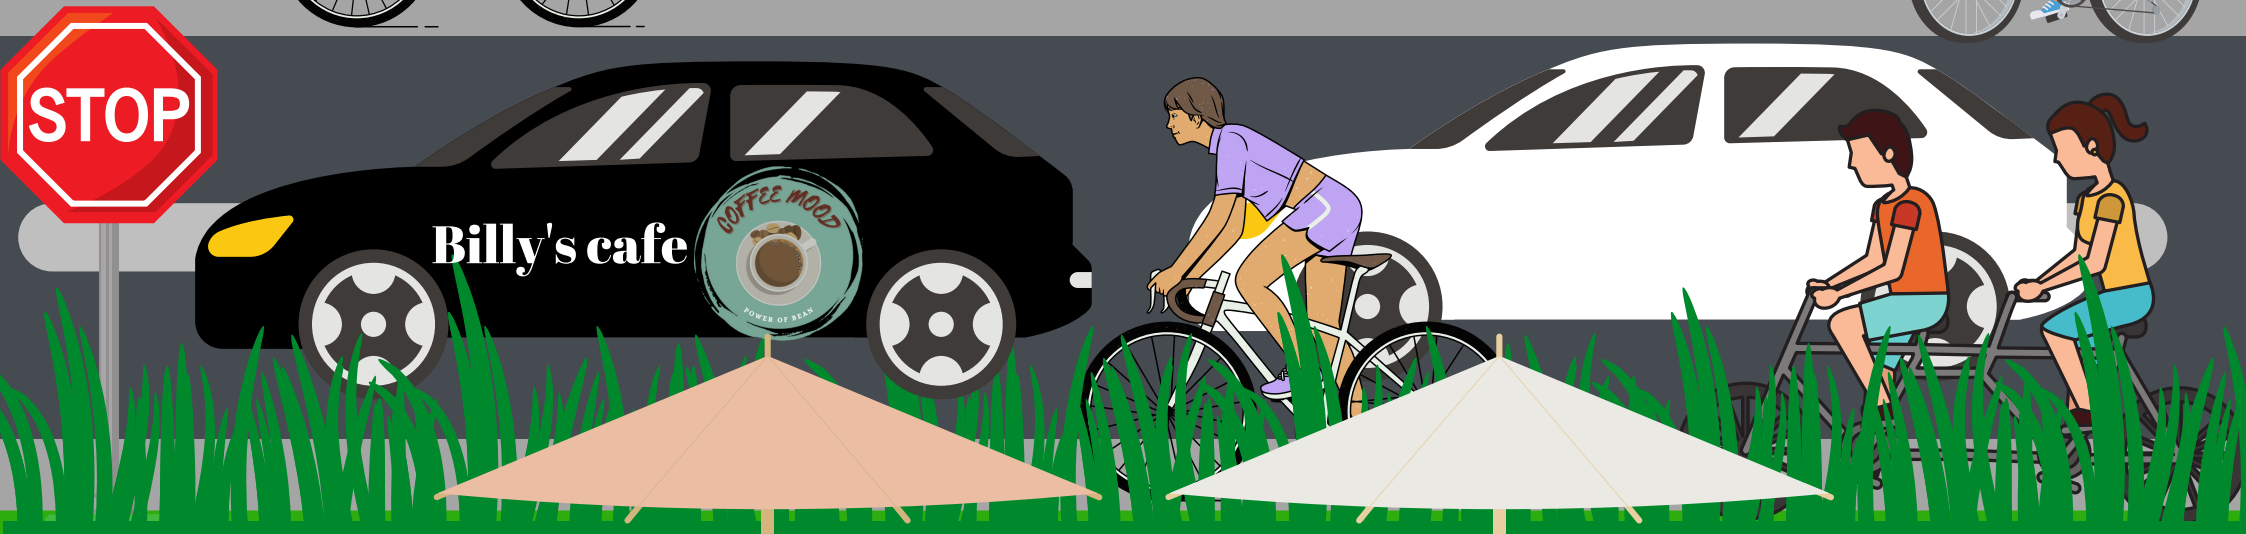

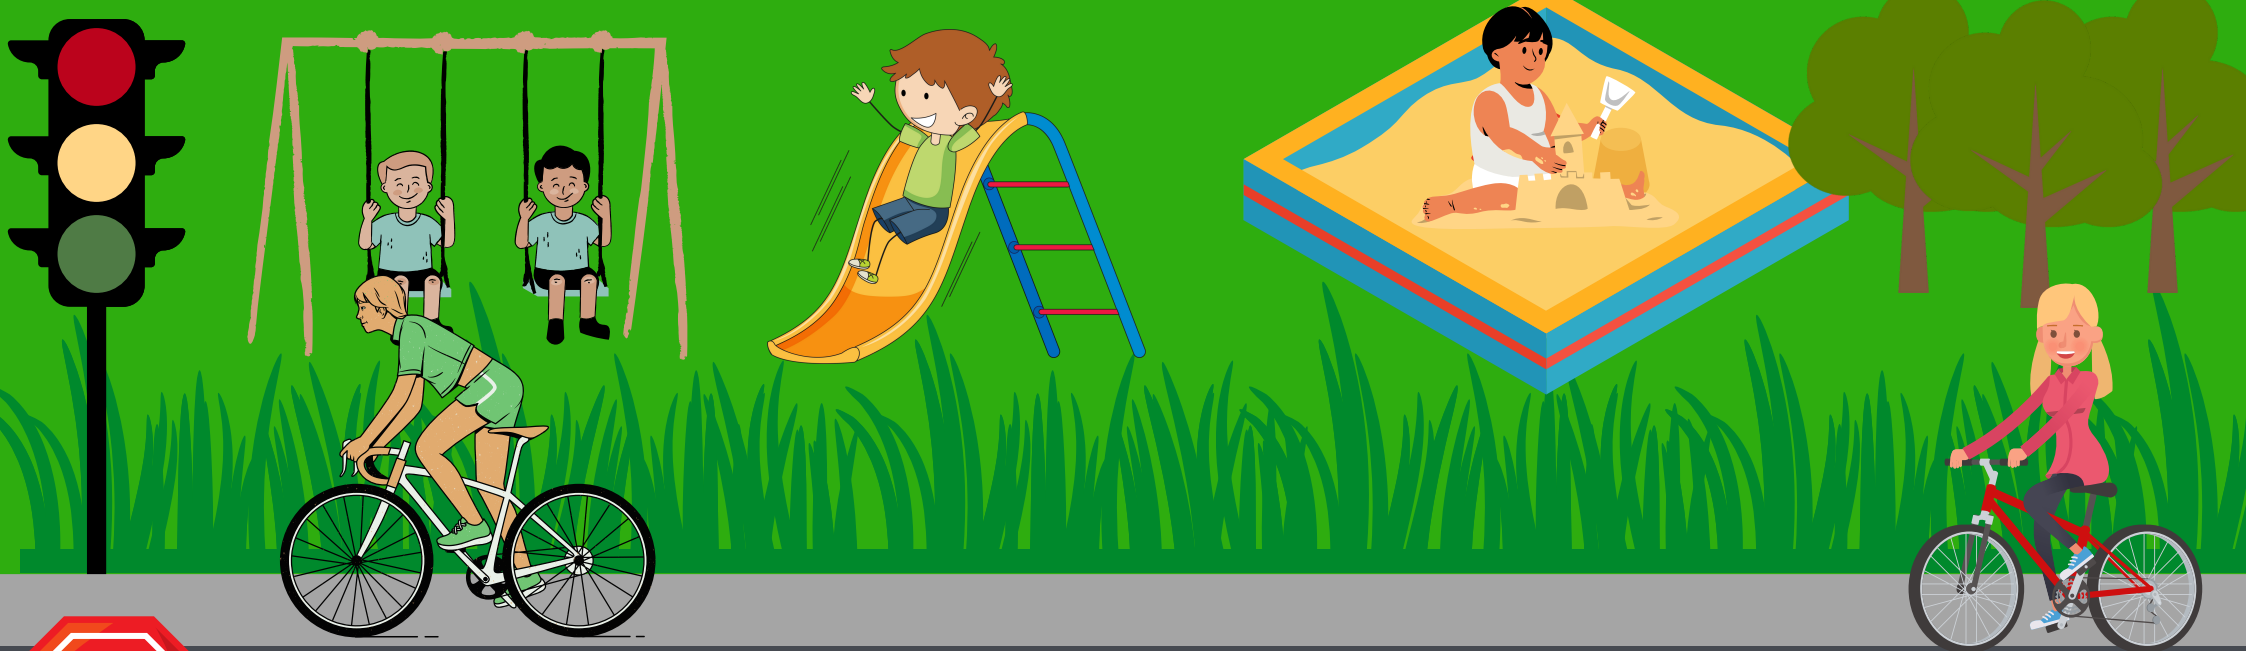

**“Should we pack?” Pingo asked .**

**“You don’t have to pack but if you want clothes you should,” I replied.**

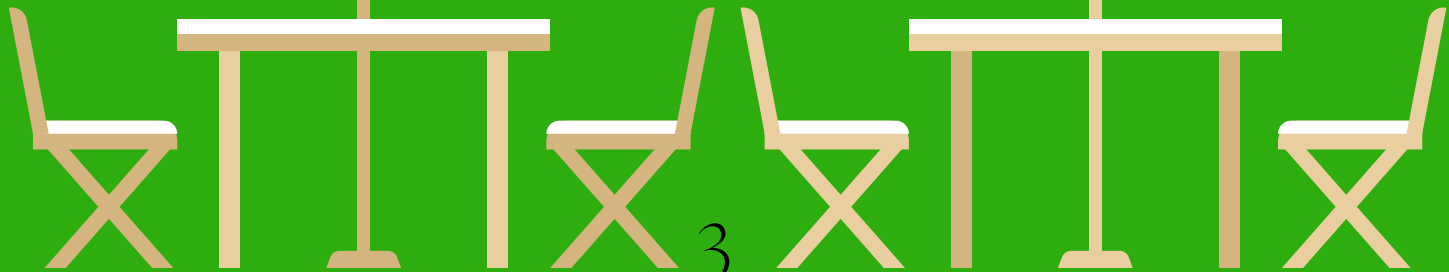

**“It’s the day we leave to go to space,” I called  
“I know, I am really excited to go,” said Pingo.  
“We probably should head to the spacecraft if  
we don’t want to miss it,” I said while rushing  
down the hall to the car.**

**Billy's cafe**  
**open**  
9am to 5pm

**Star's**  
**Playground**

**“We made it on time to get on the spacecraft!” said Pingo .**

**“Hi I am going to help you get to space,” a weird voice called from behind them.**

**“AWWWWWWWW!” said Pingo and I at the same time .**

**“Oh I forgot to say who I am, My name is Tajh.”**

**My name is Maddy and this is Pingo,” I told Tajh .  
“What time is your spacecraft leaving?” Tajh asked  
“I got told it was around 1 pm,” I replied.**

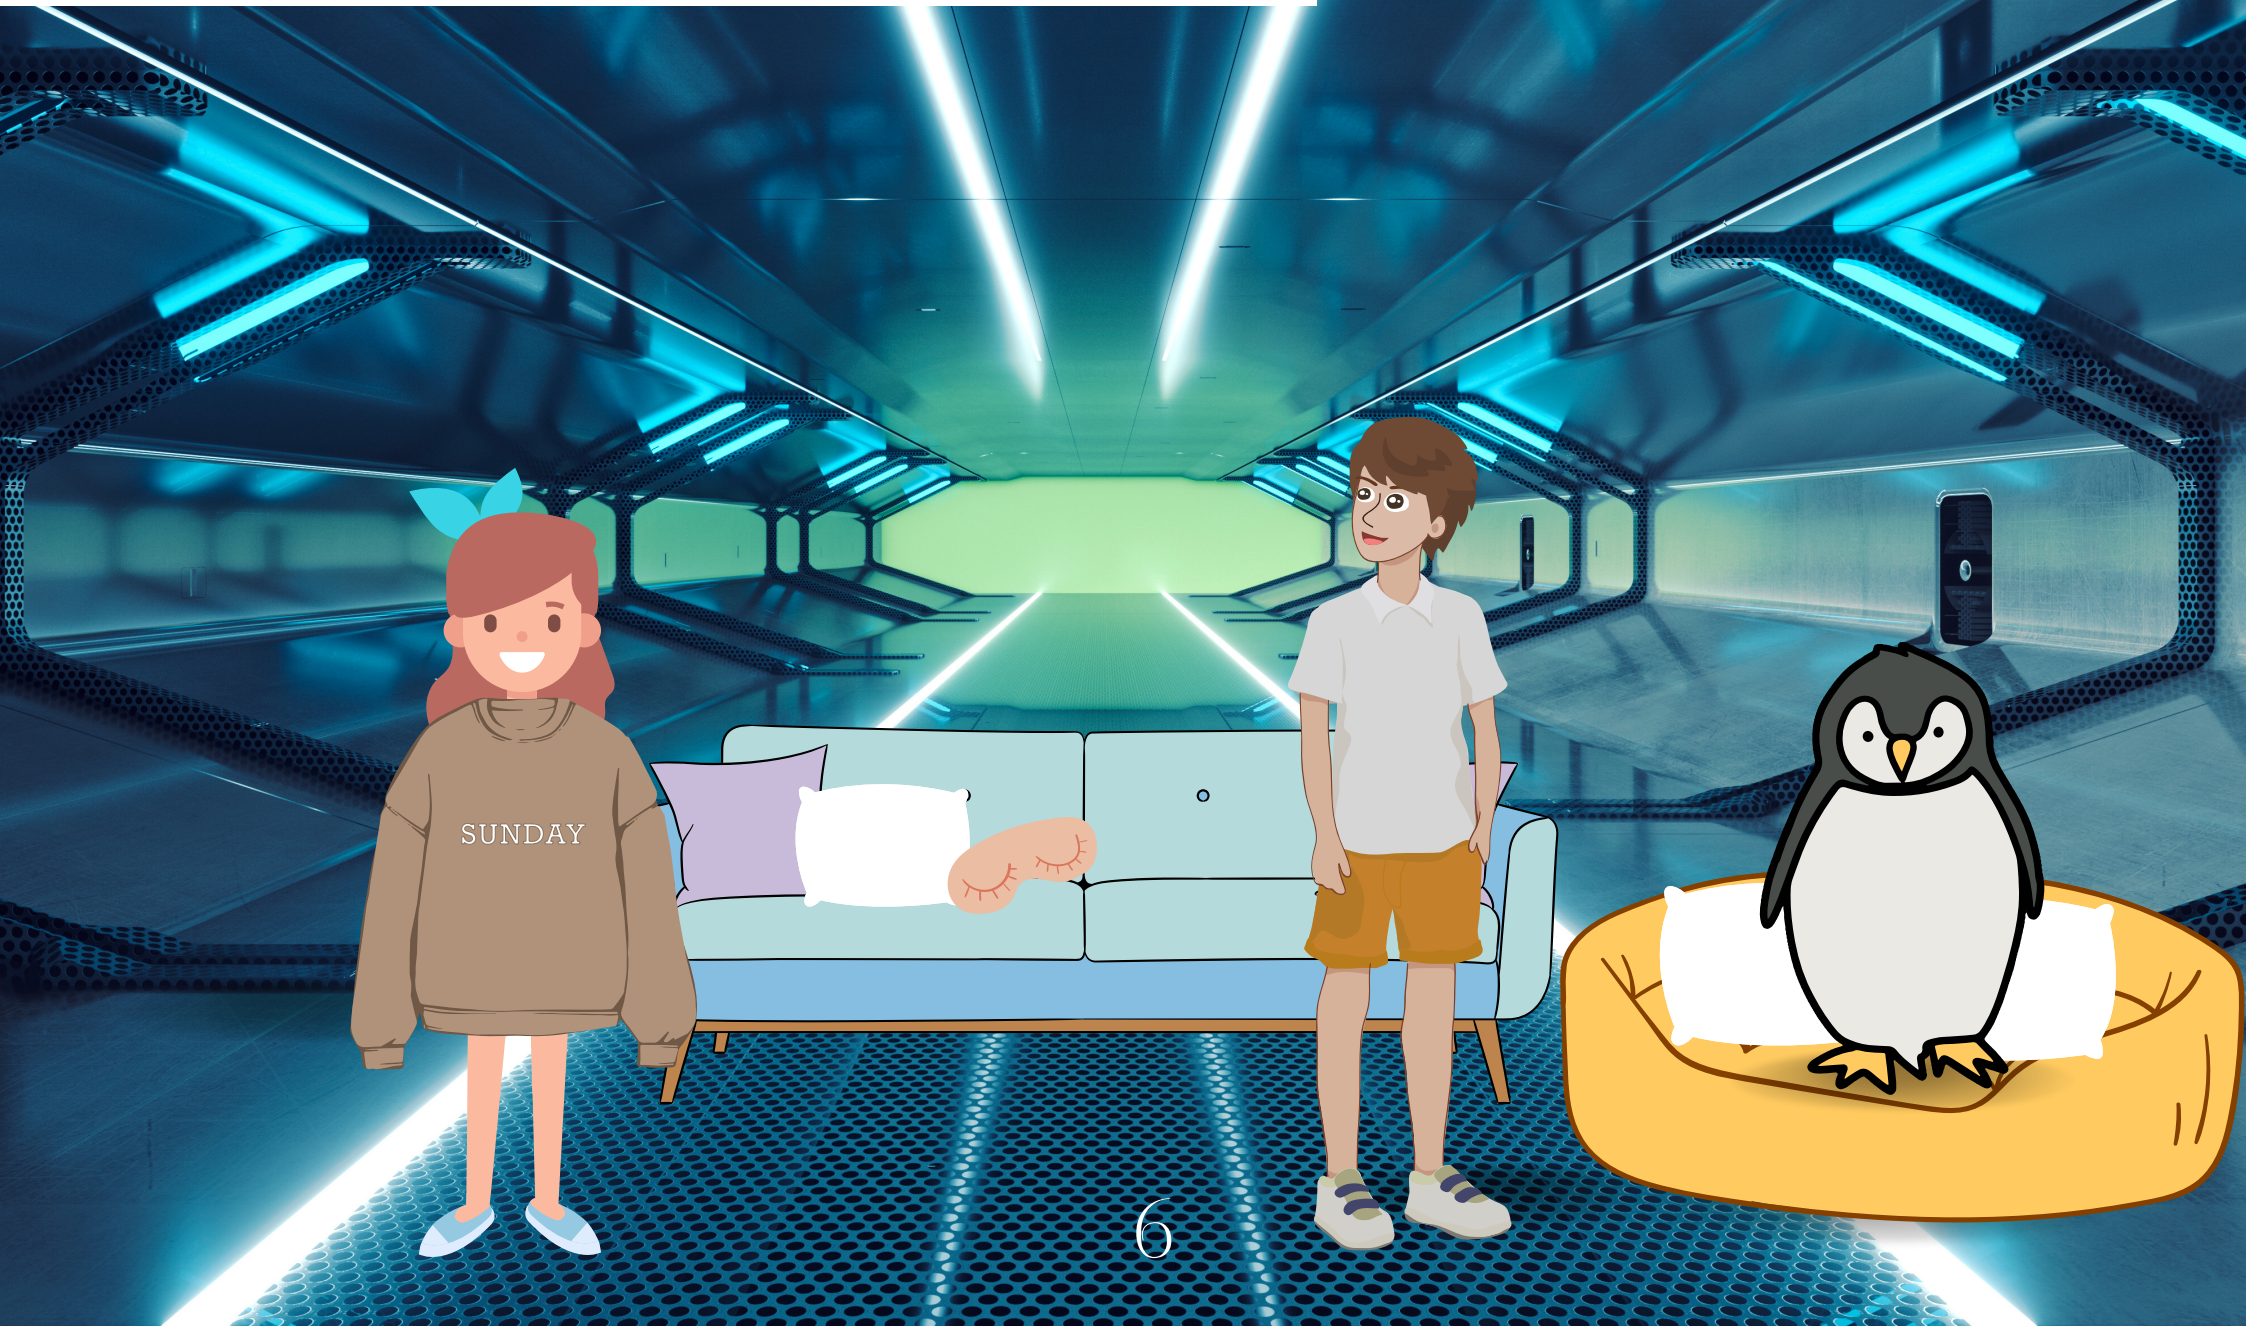

**“Ok let's go to the spacecraft,” said Tajh.**

**10, 9, 8, 7, 6, 5, 4, 3, 2, 1 take off!**

**“We are finally in space!” said Pingo.**

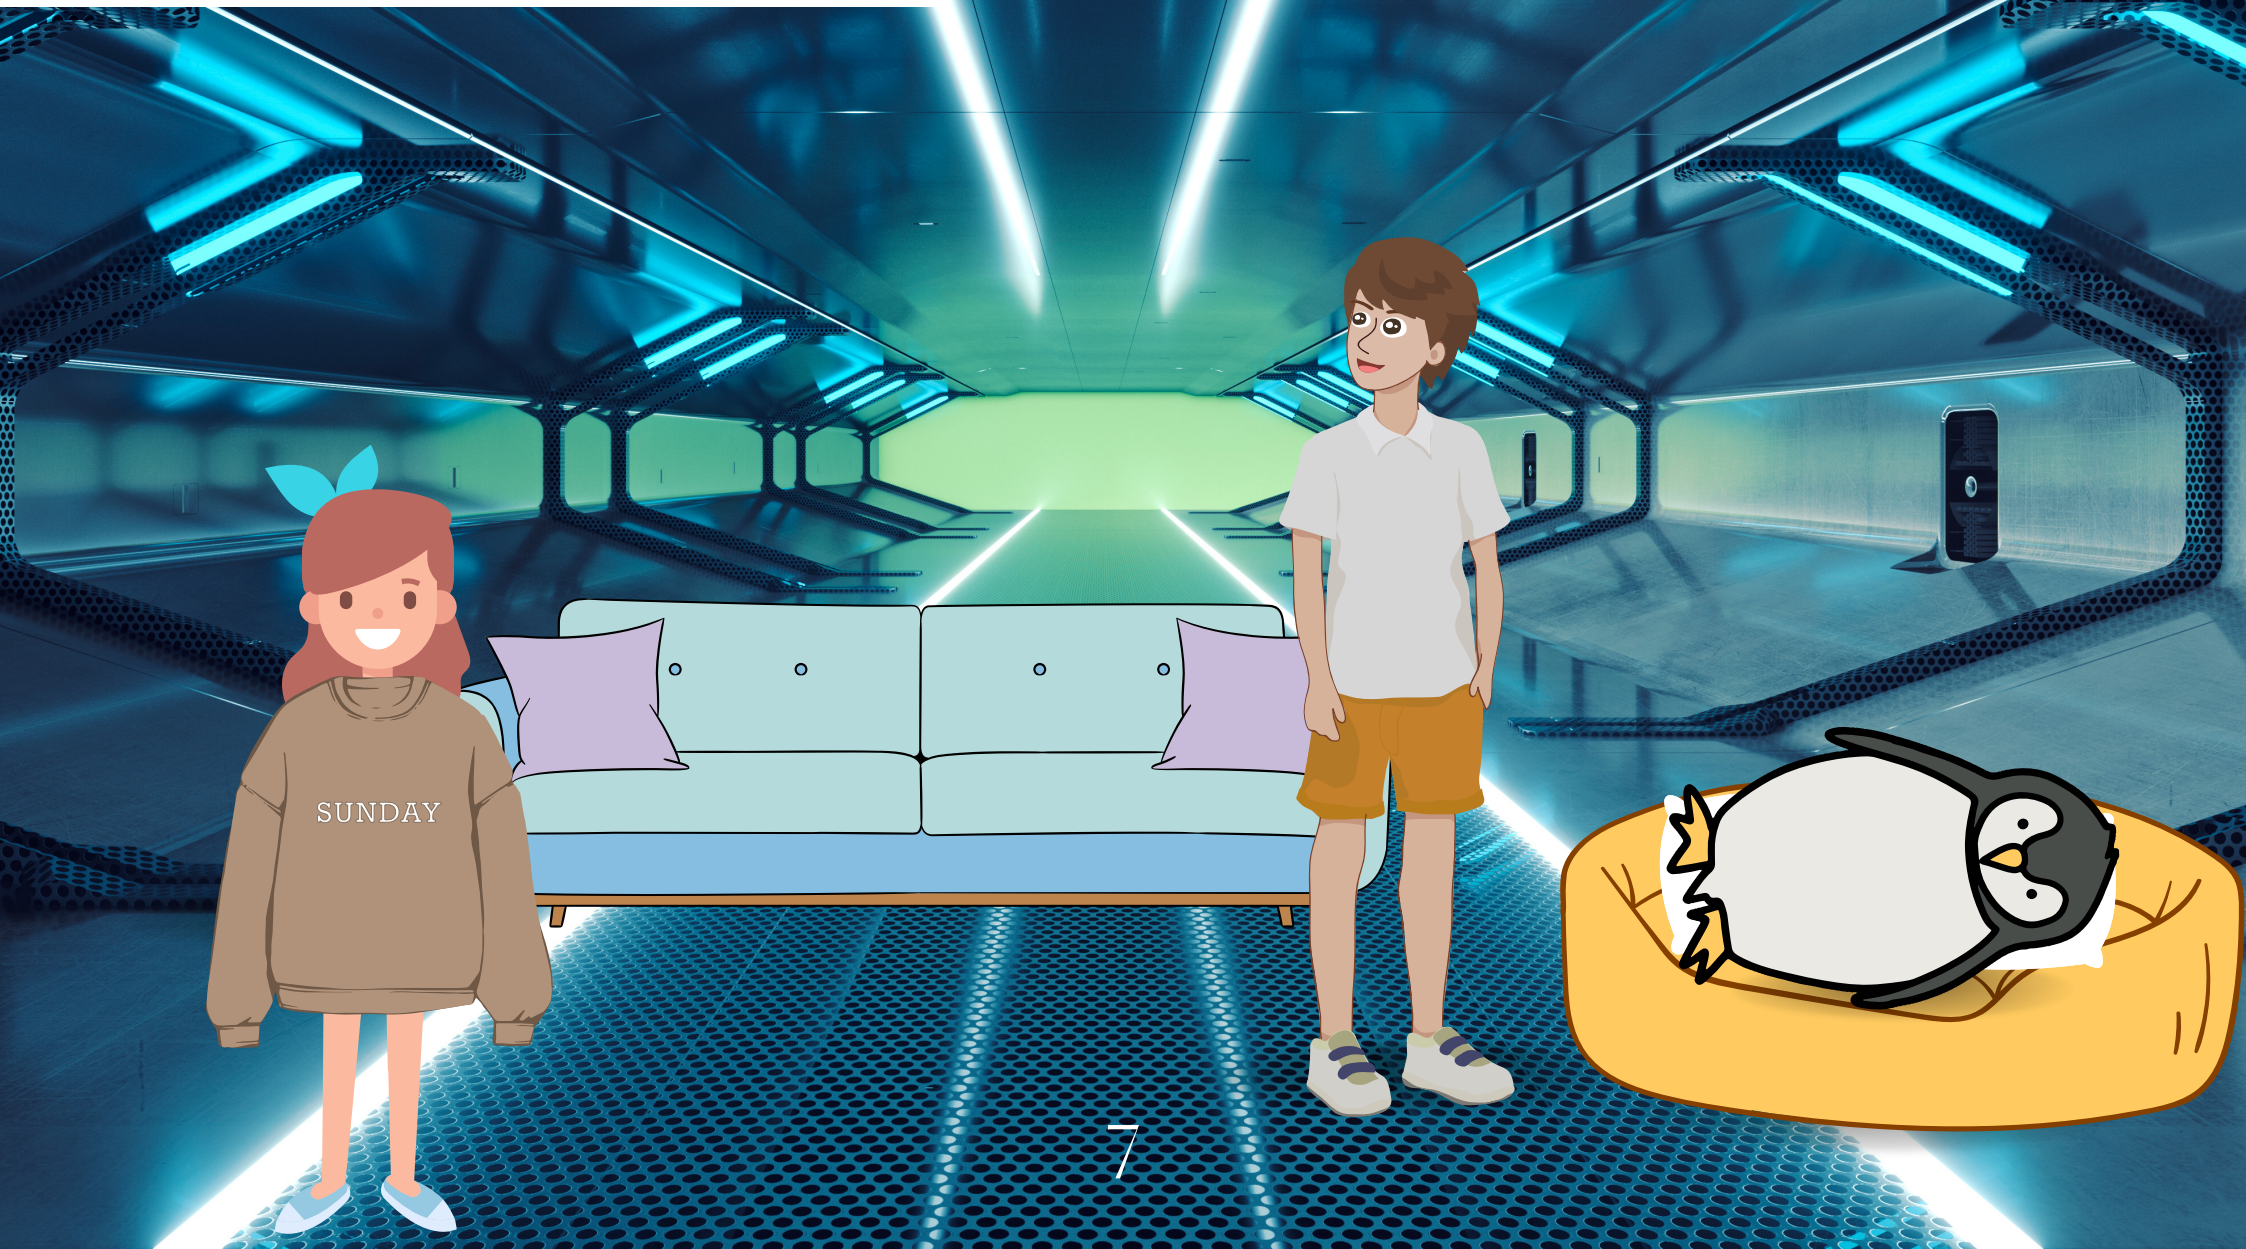

**“Where do you want to go first?”**

**Tajh asked.**

**“Ummmmm, let’s go to Mars!”**

**Maddy said.**

**"We are here on Mars!" Tajh said.  
"Yay!" I exclaimed with excitement**

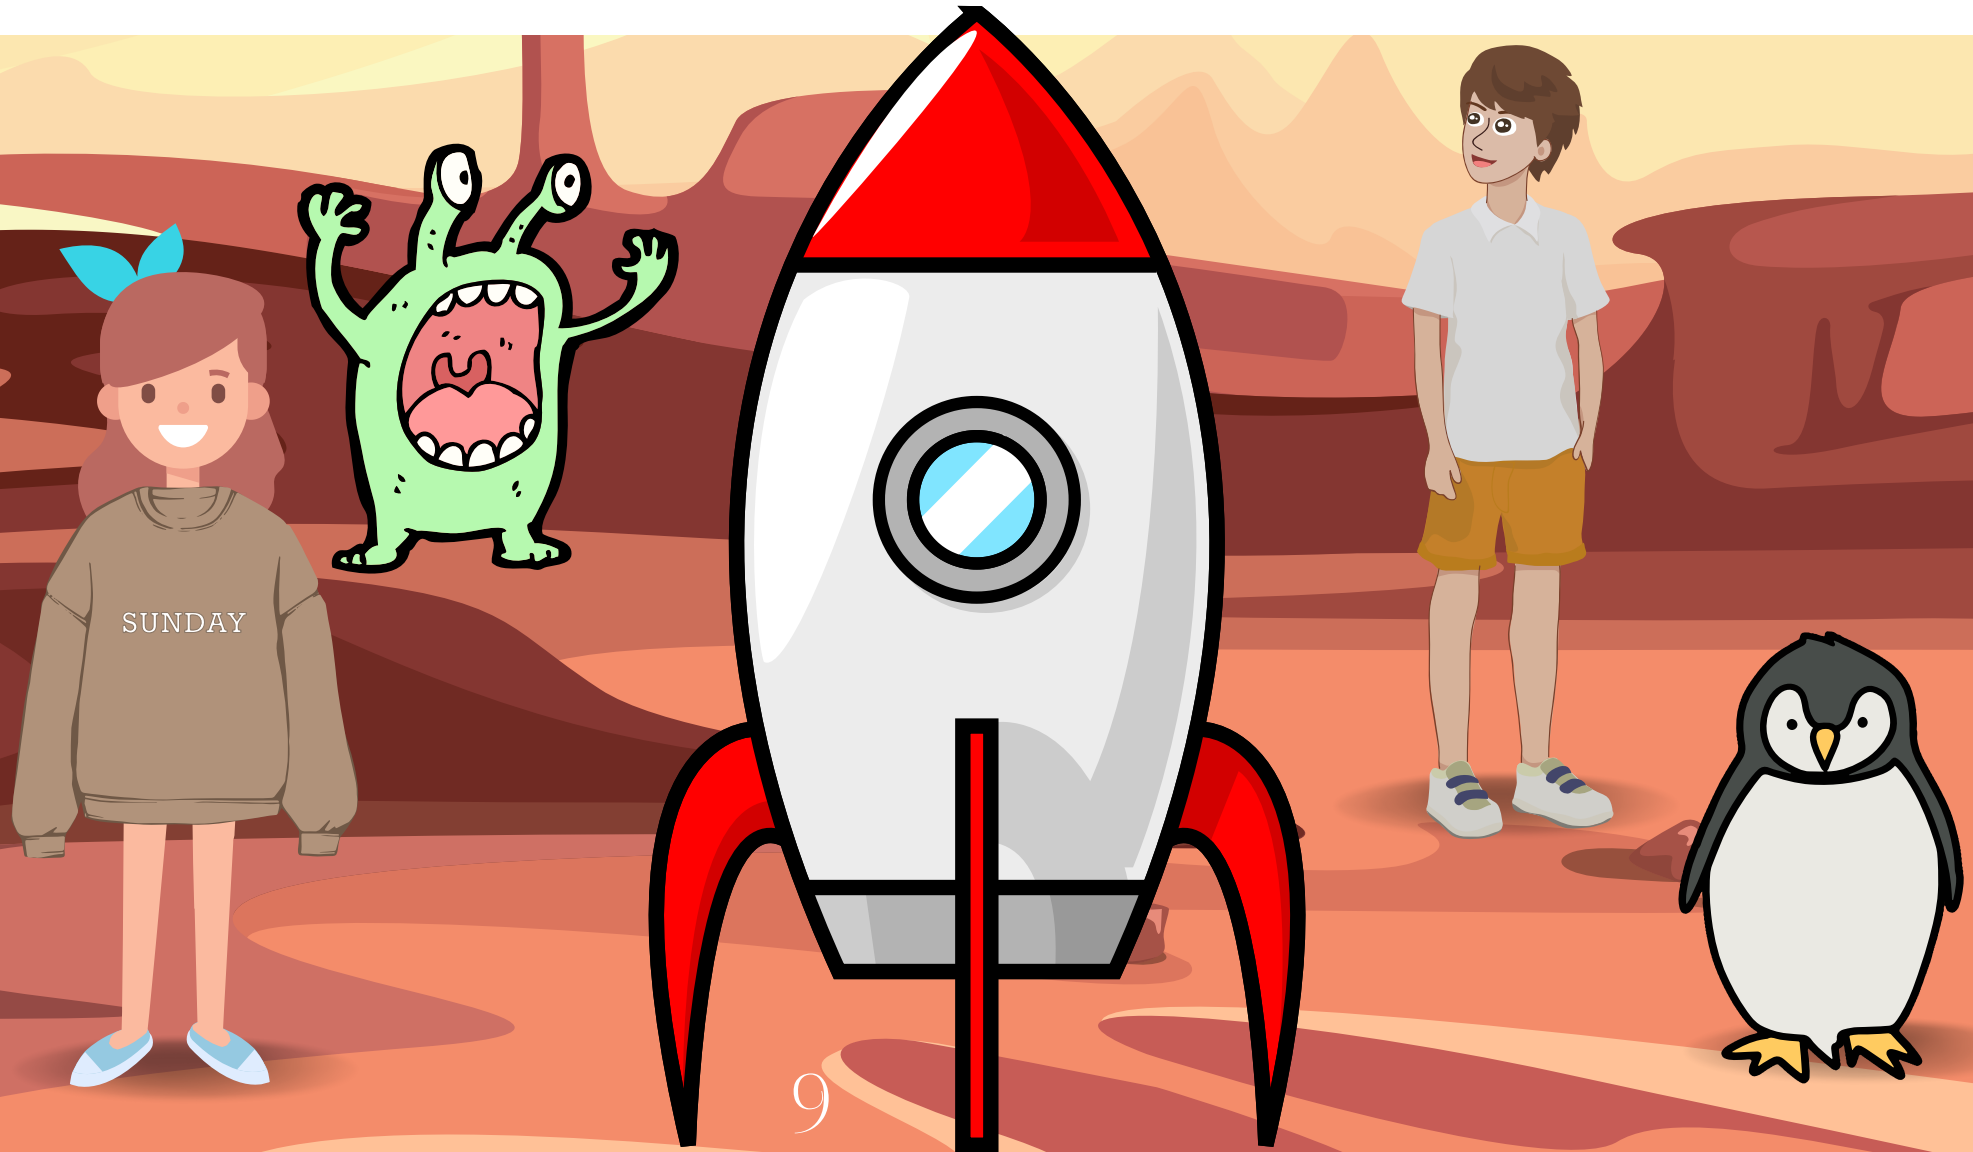

**"Blob blob!!"**

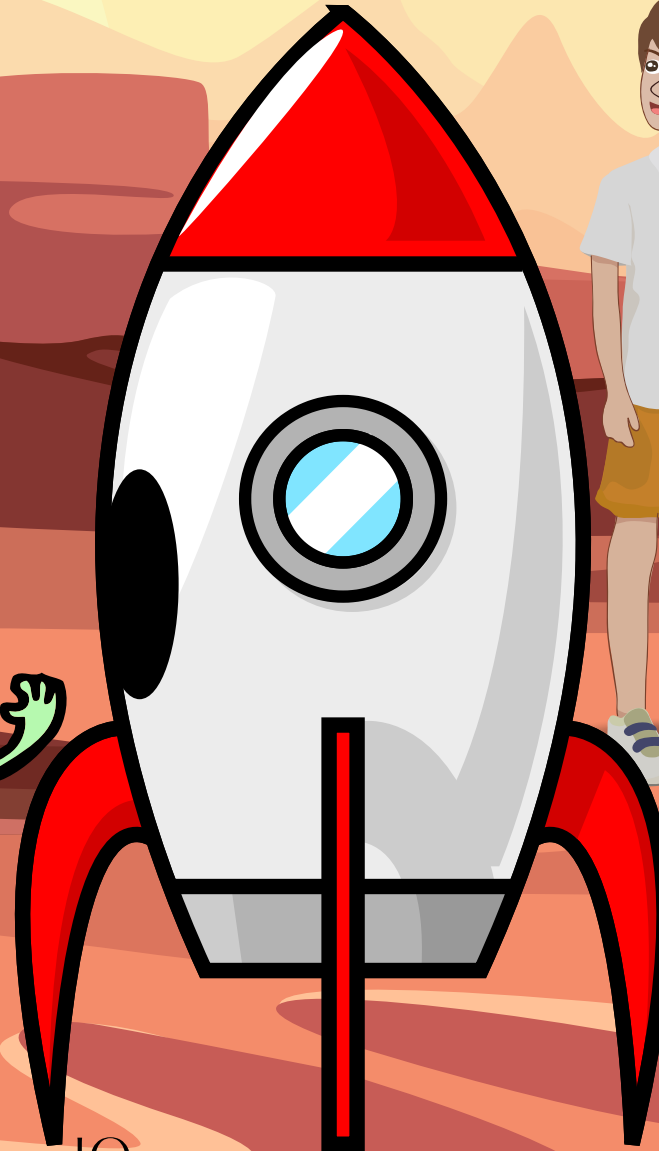

**“What was that?” Pingo asked.**

**“Blob blob, I am Bob!”**

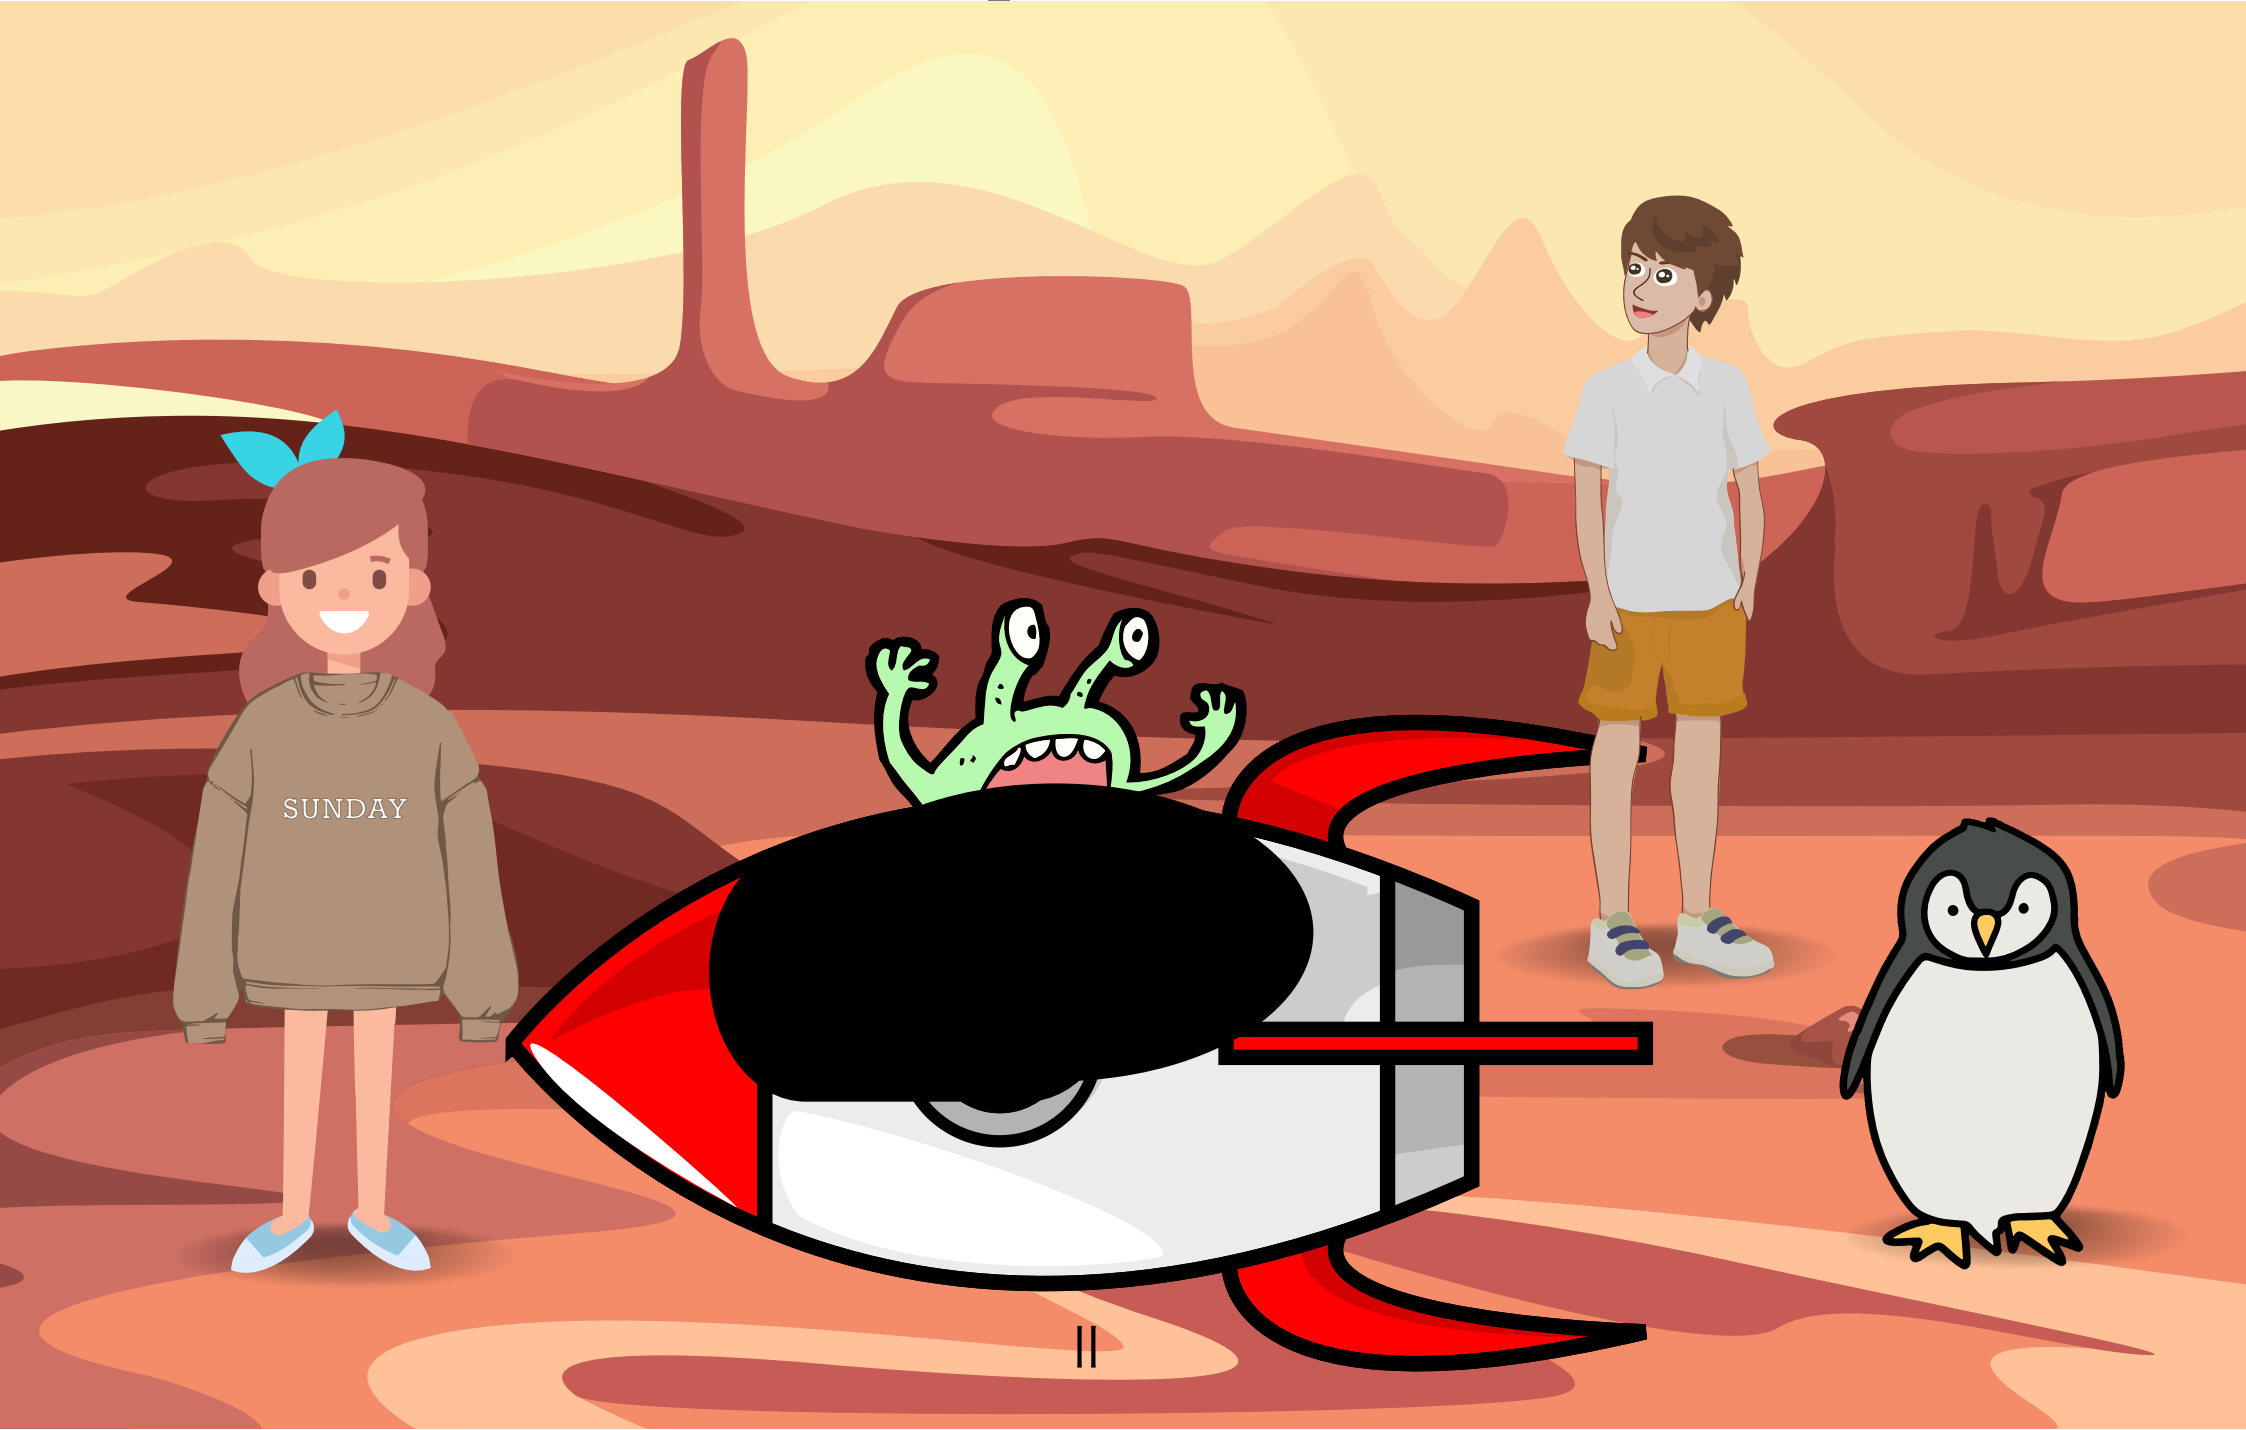

**“Hi Bob, I am Maddy and this is Pingo and Tajh.”**

**”Yum yum! metal!” yelled Bob.**  
**“Bob, don’t eat it!” I yelled**  
**“Too late, he ate some of it,” said Tajh.**

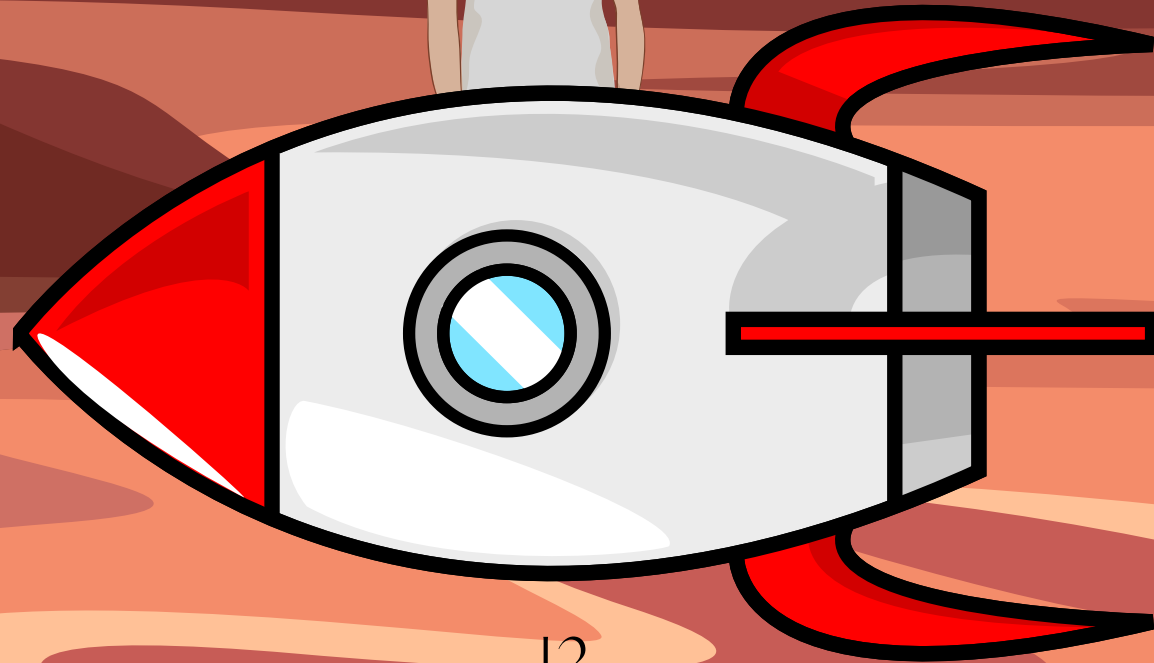

**“How are we going to get back home now?” said Pingo. “We have to rebuild the spacecraft.”**

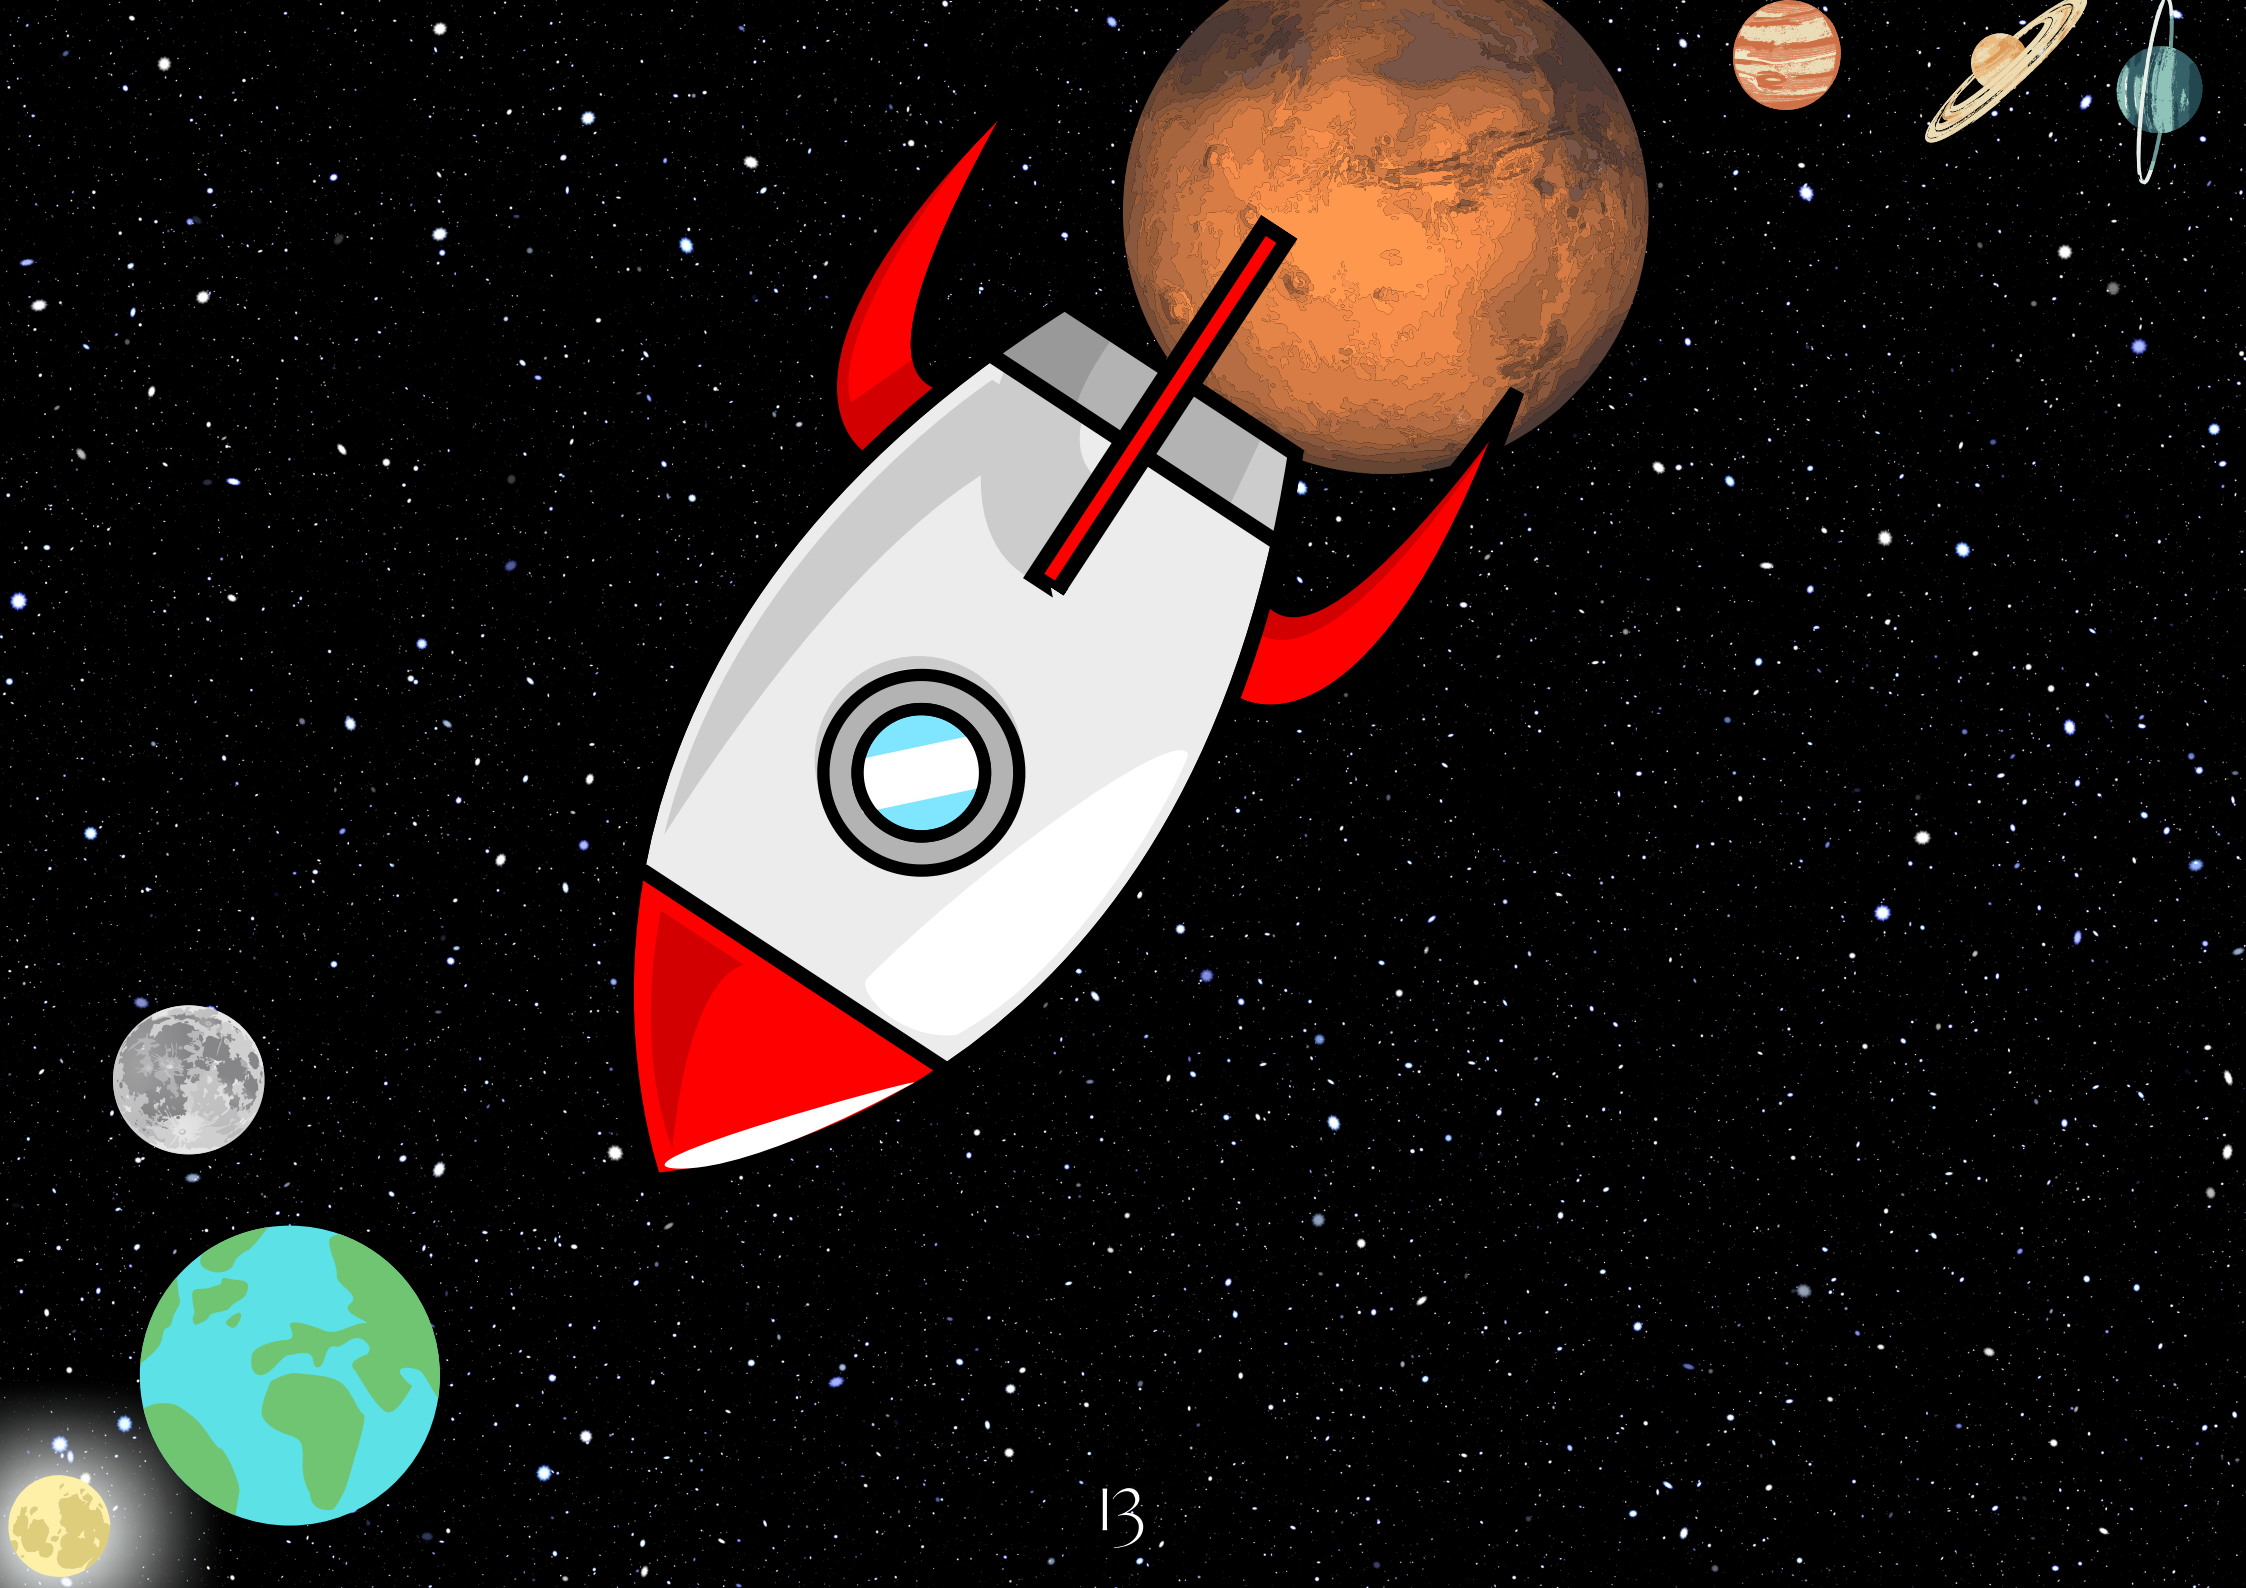

**“Can I have a piece of metal” asked Tajh**

**“Done” I said.**

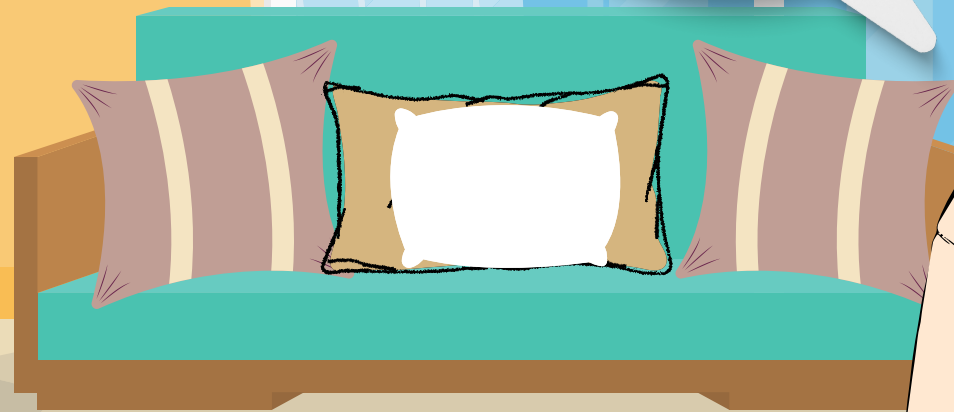

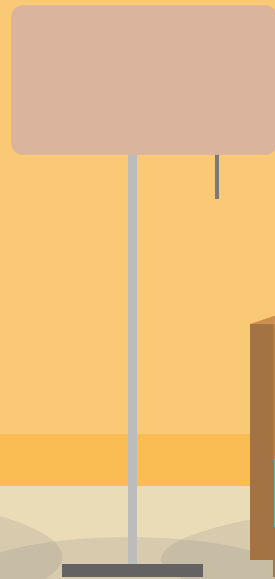

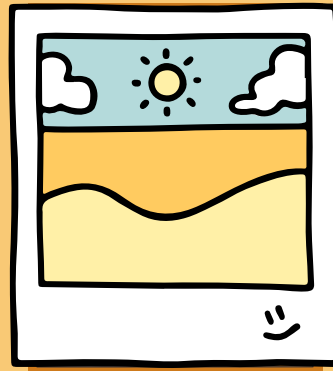

**“Let's go back to Earth,”  
said Tajh.**

**We flew back to Earth and we told NASA about what had happened in space. Then went home and rested for a few days.**

Pingo  
wake up!

Your

## About The Author

"My name is Maddy and I am a senior student from Australia. In my spare time I like to play football and netball, hanging out with my friends and playing with my dog.

I was inspired to write this book to raise money to help people in a different county and to share the story to little kids to enjoy. My dream for the future is to be a famous AFLW player for Richmond.

"The Adventure In Space" is a story that teaches you sometimes things can go wrong. They get stuck on mars and have to find away to return home.
