

# Best Day Ever

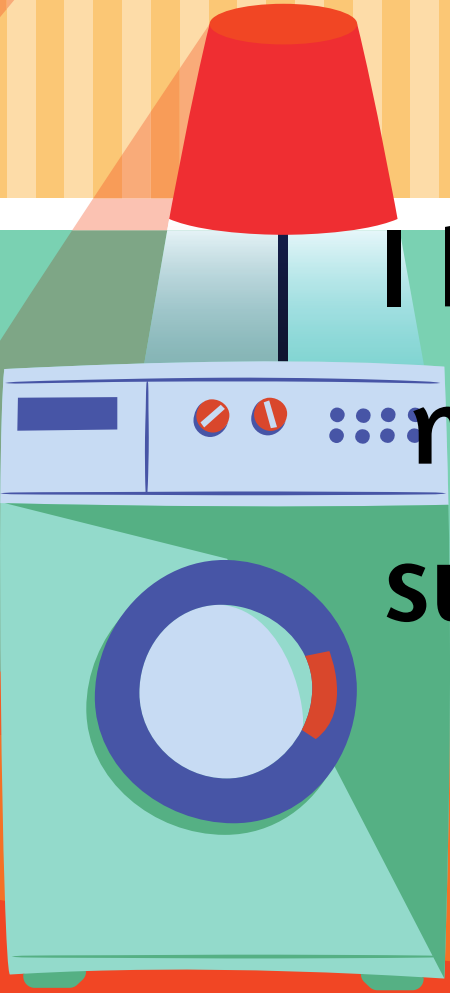

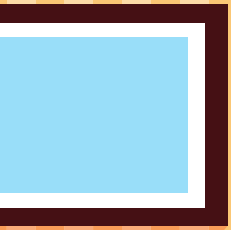

**This Book is dedicated to Ackua**

**One morning as the sun poked its head  
through my curtains, I was getting  
ready for school and I opened my  
draws and.....**

I had no clothes but I think I know who might be trying to prank me. Leah for sure! I am not sure or I might just have put them all in the wash.

"LEAH!" I yelled out. "Did you take my clothes?" "Nope." "Leah stop lying, tell me the truth." Leah replied with a firm "NO!"

I said, "Come on Leah, I can't be late for school again." "Ok", she said.

"Oh and by the way I am Ackua, I am small and have long, black, curly hair."

So Leah gave me my clothes back and I got dressed.

So I got in the car and went to school.

Once again, I was late. So I went to check in  
and go to class. Is it just me or is it so  
embarrassing walking into class when

you're late?

sorry I am  
late for school

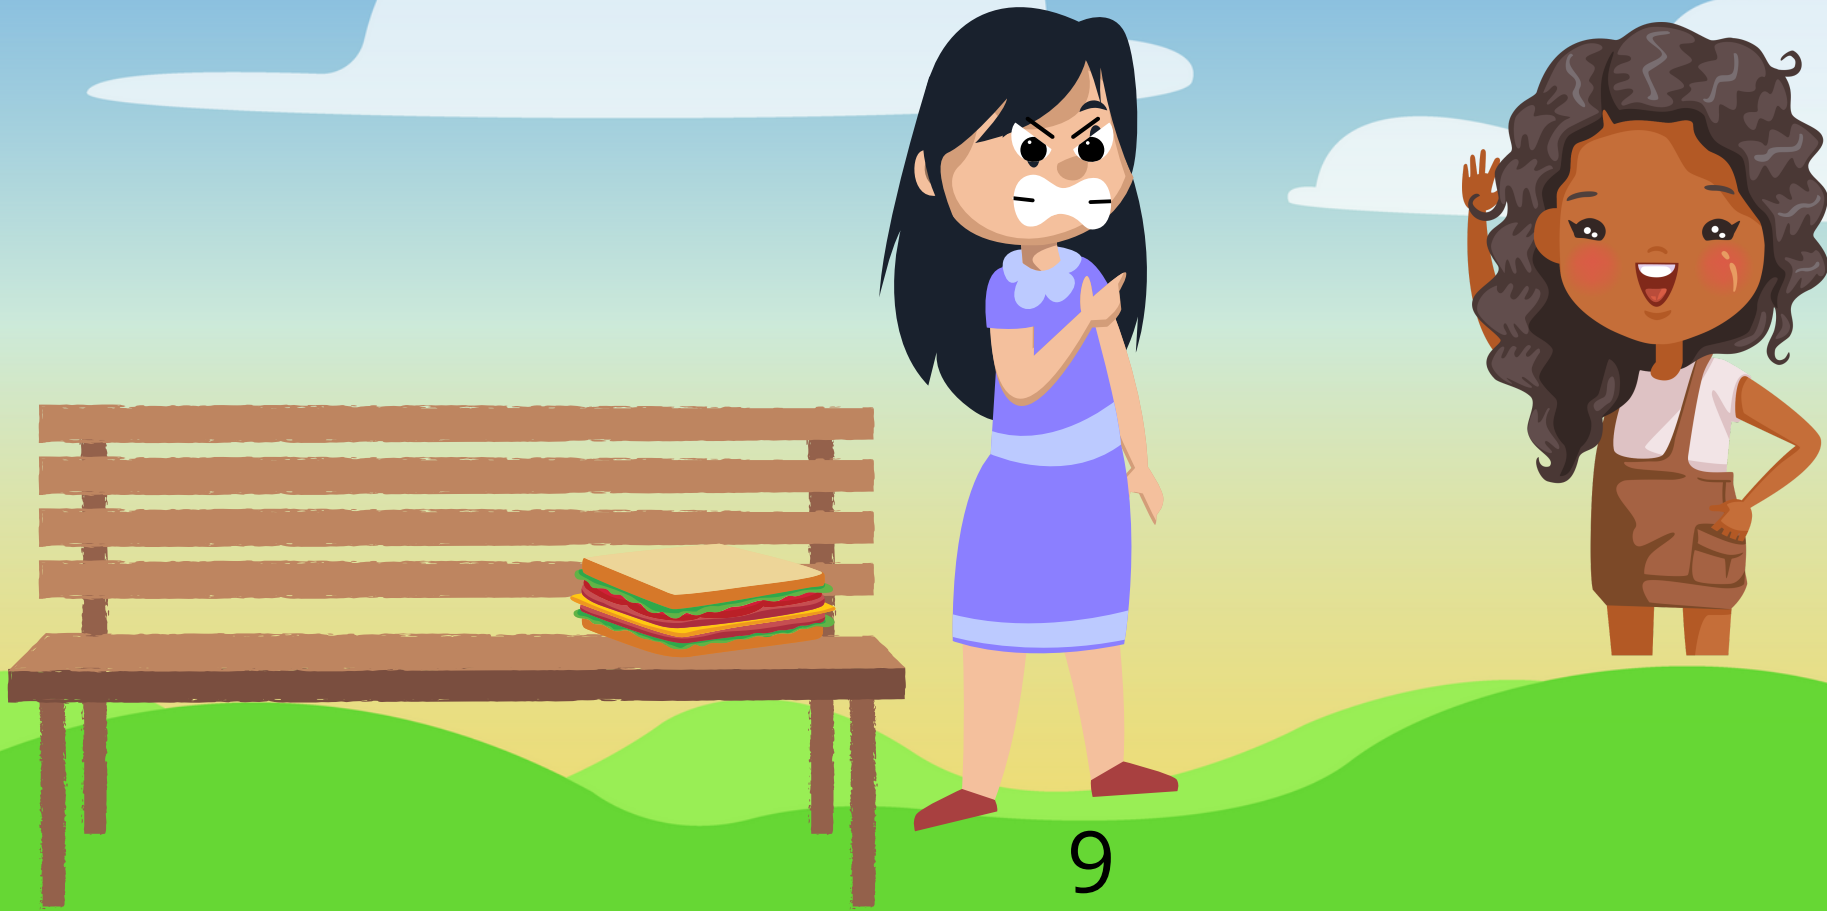

“Finally, it's lunch time,” I said. “Hahaha,”  
laughed Mia.

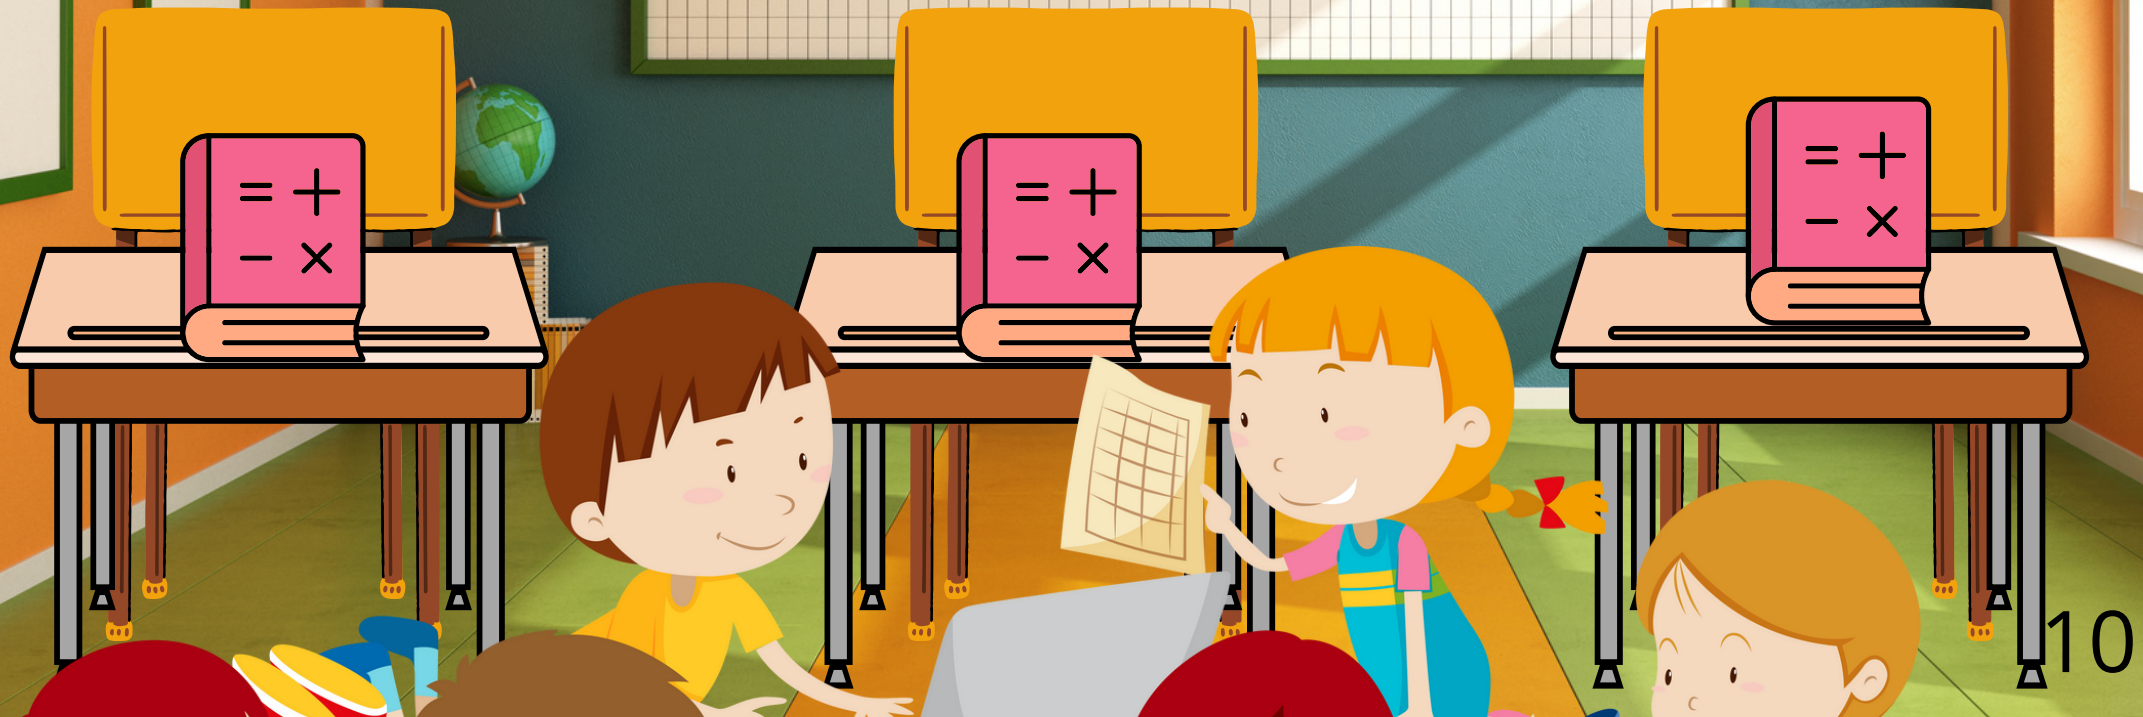

"mmmmm"

“Why are you always so late?” said Mia.  
“That’s none of your business,” I said. “Now  
go away,” I said. “Why?” said Mia.  
“Whatever, bye” said Mia.

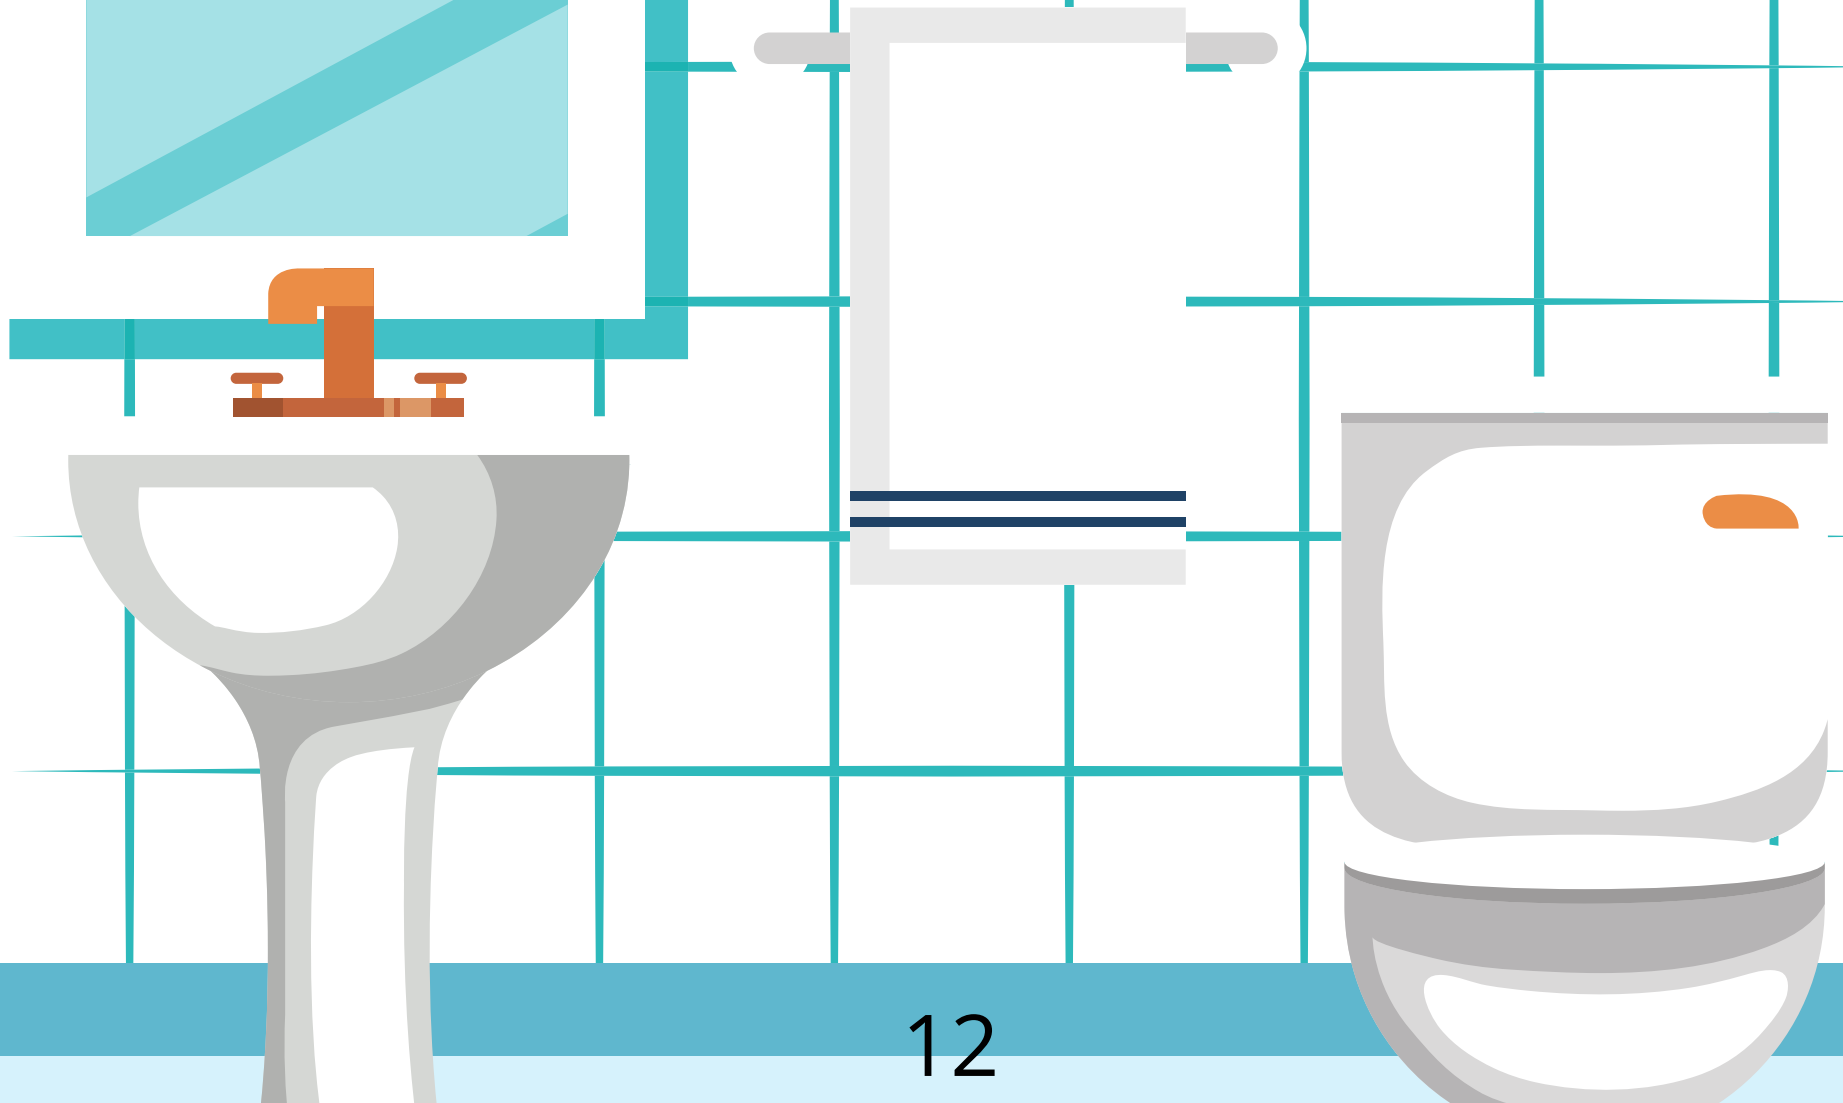

So play time ended and we all went inside.  
“Everyone get out your maths books,” said  
Mrs Hopper.

So we got out our math books and started maths.

As we were doing maths, I could hear something in the girls bathroom. I went in and.....

Mia and her friends were talking about how I have a different color skin and that my parents were divorced. I said to myself, "how did they get that information?" Then I see two pigtails that look like what my sister wore today and who do I see behind Mia's back.....

My little sister Leah. I said to her “Leah, how dare you do that to our family.” Then Mia and her friends left and Leah came up to me and said, “ I am really, really sorry, please forgive me. Please, I beg you, don’t tell mum.”

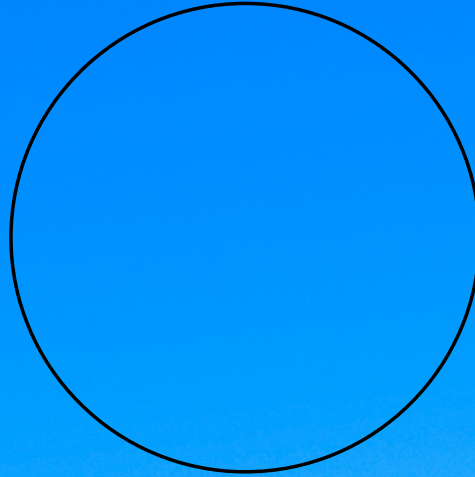

“Ok, ok” I said. So it came the end of the day and Mum said, “We are moving.” That was the last time I ever saw Mia. I made new friends at my new school. The Best day ever Mum.

This is our new house
