This book is dedicated to my family, friends and teachers, who have guided me, supported me and encourage me in all possible ways.

Today was a beautiful sunny day and Maya was enjoying herself. Maya was a very fun and playful girl. She loved playing outside all day.

When Maya was playing, She
felt some flowers around her

It was the crystal sunshine
she felt so happy and she
jumped with joy

Maya told her mother all about
the crystal sunshine.

And her mother, beaming
with joy said, "That is
wonderful, Maya"

"Can you please tell me more about the crystal sunshine mom?"

"Sure dear, The crystal sunshine is very special and very rare and it can only be found in some places"

"That is amazing!"

Then her mother said, if you felt the
crystal sunshine, then you are special.

Oh! That is so fascinating to hear mother.

Let's try to find the crystal sunshine and give it to some other special person, her mom said.

Ok! Said Maya

But where was the crystal
sunshine to be found? It had
disappeared!

Maya burst into tears but her
mother tried to console her

I want the crystal sunshine
back! Maya said

That's ok dear, I am sure it
will come back another time,
her mom said

But whatever she said,
Maya still kept crying

After Maya calmed down a little, She was ready to talk

Maya said: Mother, I really liked the crystal sunshine

I know dear, but you know, nothing lasts forever

Yes, I know mom

To be honest, her mother
was also feeling a little bit
sad

She was hoping to give the
crystal sunshine to her
mom

Her mom was still very sad, but knew that
nothing lasts forever

Then suddenly, Her mother
had an idea

Her mom said that
maybe if you be kind to
others, the sunshine will
come back

Ok! Said maya

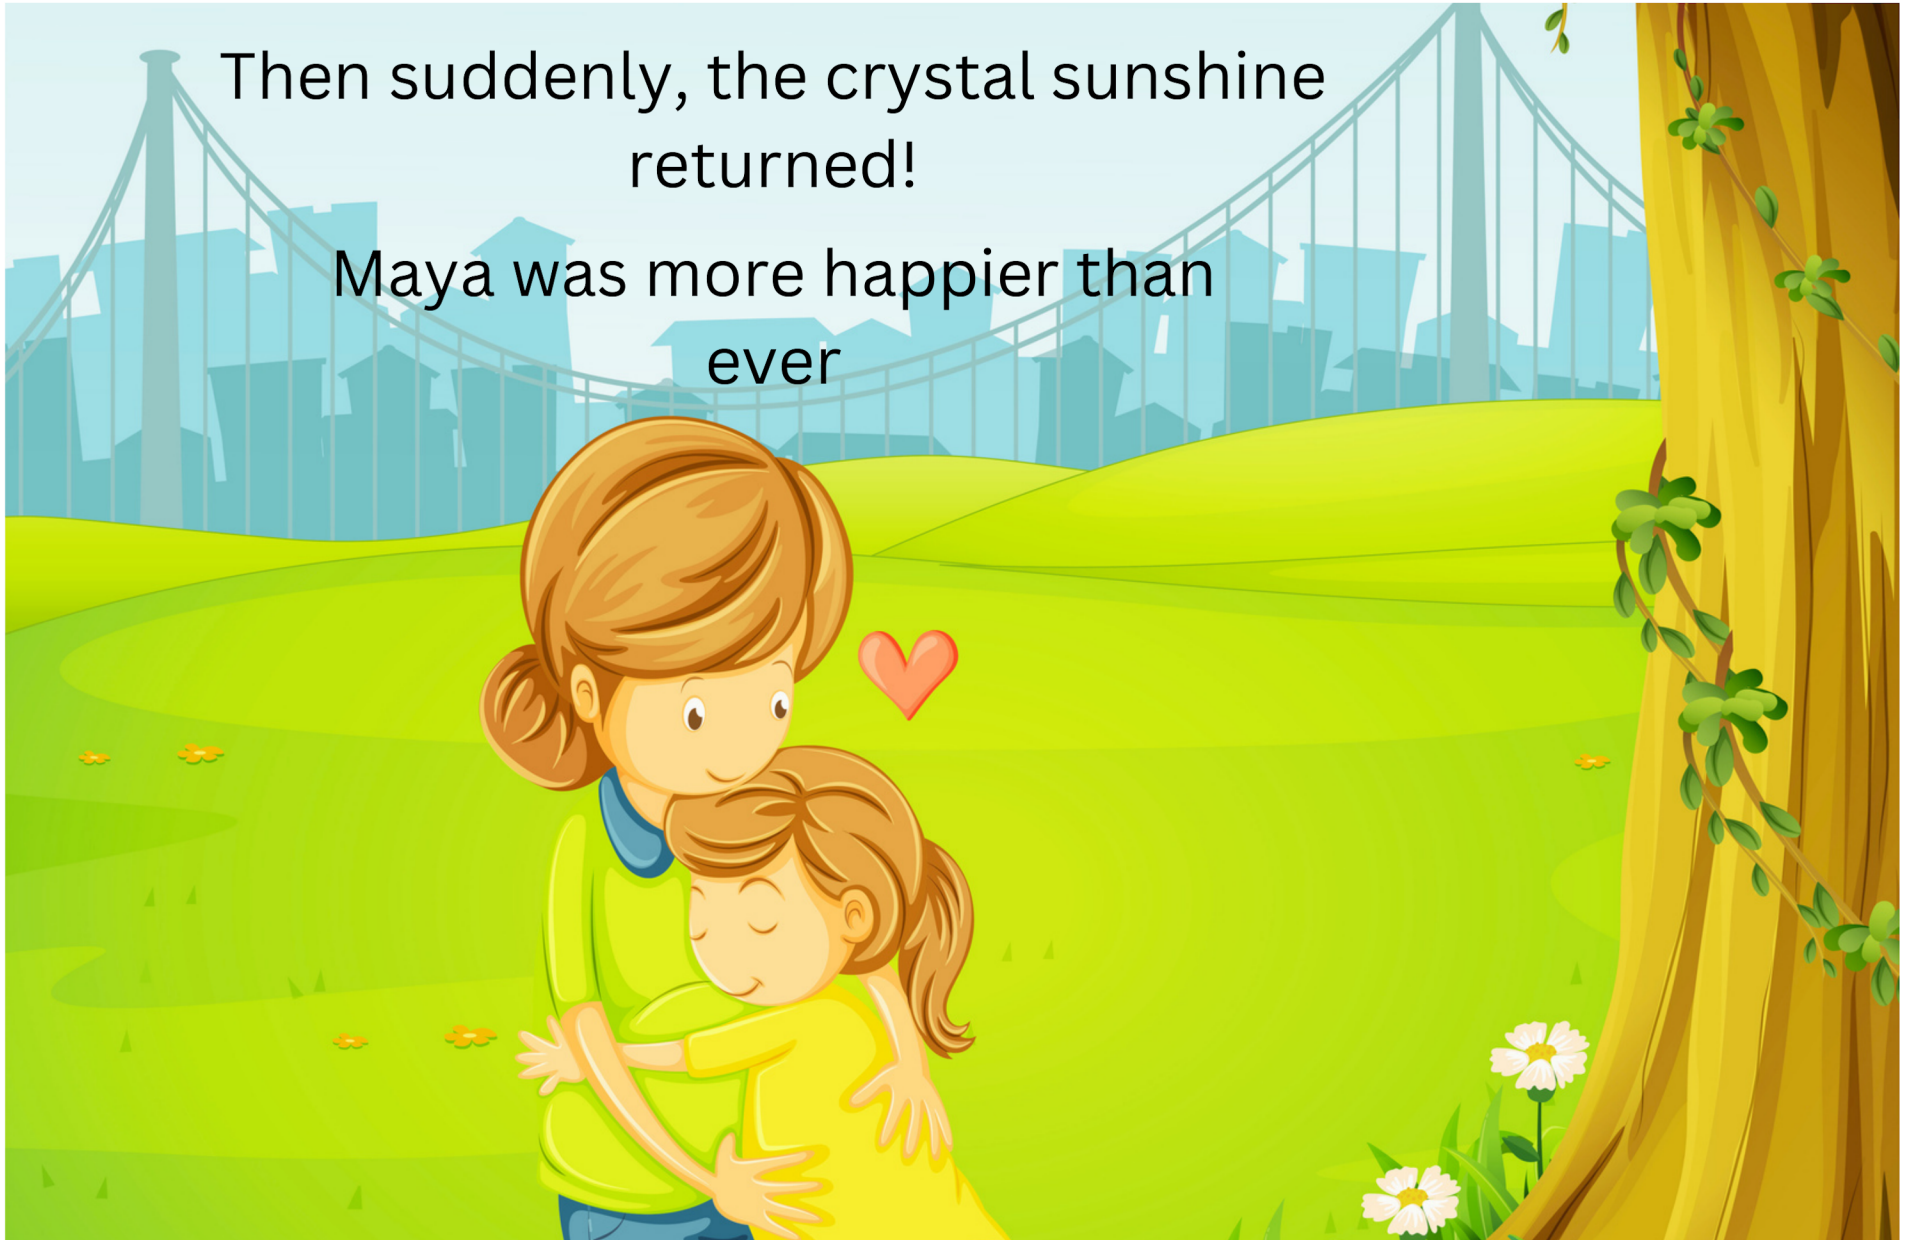

Maya decided to donate her
old but good clothes and
toys for poor girls

Maya felt so happy after
helping a little girl

Then suddenly, the crystal sunshine
returned!

Maya was more happier than
ever

Maya and her mom were so so happy for helping a little girl and that the crystal sunshine came back

Now Maya and her
mom were in the
ice cream shop

I feel so happy mom for
helping a poor girl mom,
said Maya

Me too, dear, said her mom

Mom, I have learnt that
doing good is the solution
to everything, said Maya

That's right my darling,
said her mother

"Dear readers, My name is Maya and I wanted to tell you that there is a solution to everything and that solution is doing good deeds. I hope that after you read this book, you will also write a book to change the world. I hope you enjoyed this book. Good Bye"
