

# THE OBLIGING WALRUS

**RAYHAN KHAN**

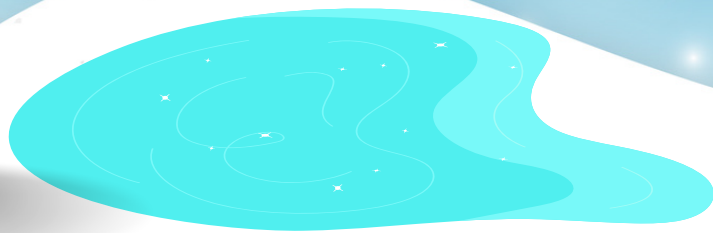

**Dedicated to My Mom**

**Once upon a time, in the icy Arctic region, there lived a kind hearted walrus named Wolly Walrus. He was different from others, he was curios, compassionate and had a strong desire to help others. He lived with his parents Willy Walrus and Sally Walrus.**

One chilly morning, when Wolly was strolling near an icy cold lake, he heard a loud shriek for help.

**He rushed to the spot and found out that it was his friend Rocky Walrus who was hurt as he fell into a pit in the snow. Wolly reassured Rocky and raced home to get a rope.**

**He took the rope and went back to the spot where Rocky was trapped.**

**After reaching back, he dropped the rope down for Rocky to climb.**

**Once he was on the surface, Wolly helped him to walk slowly to his home.**

**There his parents took care of Rocky. Willy and Sally called Rocky's parents to come and pick him from their home.**

**When they came, they thanked Wolly for his  
incredible kindness and they went back to  
their home**

**Wolly's parents were very proud of him as he became the hero of the day.**

**He will still go on continuing his mission of saving and helping others and inspiring others to follow in his footsteps. Remember, even the smallest acts of kindness and create a ripple effect of goodness in the world.**
