Once, there lived a rich family. Everyone who did not know them personally, used to think that they are a 'Picture Perfect Family'.

They had the best car, the perfect house, branded clothes and a practically perfect life!

Yet they were not-so perfect people. The father was an extremely arrogant man and thought he was above everyone else. "Little one, I have faults just like anyone else, know my biggest fault? I am too

awesome! hahahahaha!!! "

I am so
humble and
awesome

It is my weekly
birthday !! I only
got 15 Louis Vuitton
shoes and 3
ponies!! uhhh...

The mother was a self-obsessed woman, who didn't care about anyone except herself.

One day, when the mom was busy pampering herself and the dad was telling his employees how great he was, the little girl threw a new tantrum about wanting a dog "Daddy, mommy, I want a poodle. I want a poodle NOW!!!!!!!!!!!!!!!"

YOU'RE THE
GREATEST, SIR!

I WANT A
POODLE! I
WANT A
POODLE NOW!

Me and my family need the purest breed of poodle on the entire planet!

Well ma'am...you see, such breeds are very rare. Finding true pure breeds is almost impossible.

How about I pay you a million dollars? Now that chance is rare as well. Ask for more money if you want but remember I need an absolutely pure

bre

\$

Well then ma'ami'll.....i'll try my best....

He travelled the world far and wide, searched every nook and corner but no poodle was perfect for the family.

Some were really short, some were way too huge and the others just weren't good enough for the family.

One day while he was walking down the street he was quite upset as he didn't want to lose the biggest deal of his life. He, then, suddenly saw a puppy. The puppy had thick white fur, and the perfect body for a healthy looking poodle.

The breeder thought that if the puppy would be given a good make-over, he would look exactly like a poodle, so, he picked the puppy up and took it with him to the best groomer in town straight away.

The groomer gave the puppy a good bath, a fur cut followed by some training.

And soon, it was the Perfect Poodle! The next day, the family came to collect the poodle and didn't hesitate in giving the breeder the promised amount. They named the dog 'Cooper'!

Days passed, the daughter loved cooper and showed him off to all her friends.

So sweet!

He is the best pet ever!

Meow?! i am still here!!!

One day, they took Cooper to Paris to participate in the most prestigious dog show in the world!

They were sure that Cooper would ace it!

**YOU THOUGHT YOU
COULD CHEAT US!!
THIS IS THE FINEST DOG
SHOW IN THE WORLD!!
THIS IS NO POODLE! IT'S
A MERE MONGREL!**

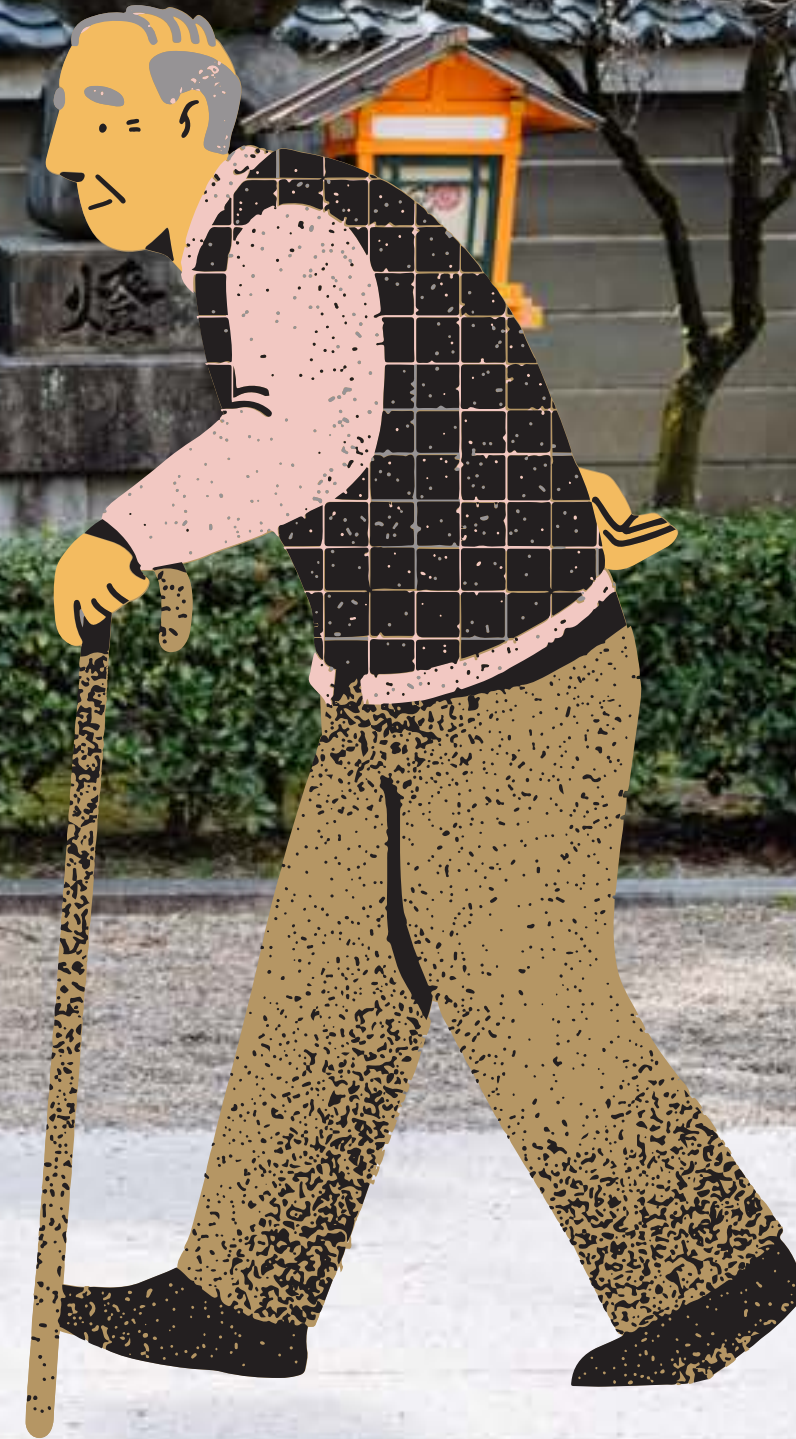

*I hate him! He is
horrible!!*

This made them very angry and they threw Cooper on the streets! Cooper had become very attached to the family, as they gave him the love he had been longing for, so, he sat on their doorstep, hoping that they would take him in again.

A week passed, and an old man who was walking past the house saw the puppy freezing outside and took pity on him. So, he took him to his house and gave him food and water in front of a cozy fireplace. He truly fell in love with Cooper and Cooper loved him!

If someone loves you... then they should love you for who you are from the inside not from the outside because all that is just temporary!
