WHAT'S INSIDE THE SHOES?

**One morning, George
was ready for going on
a trip with his family
and
was heading to the
dining room
for his breakfast.**

**He had his breakfast and
was all set
for going on the trip.**

**He had been
packing all
evening for the
trip on the
previous day.**

**As the family was about to get in the car,
the unthinkable happened!**

**"Oh my gosh! where
are the car's keys?"
shouted George's
dad.**

Their dad explained to them about the 'mission trip' and told them that they have to be at the airport by 3:00pm

They charged back to the house but George was not in the mood for doing anything, he was upset about what happened.

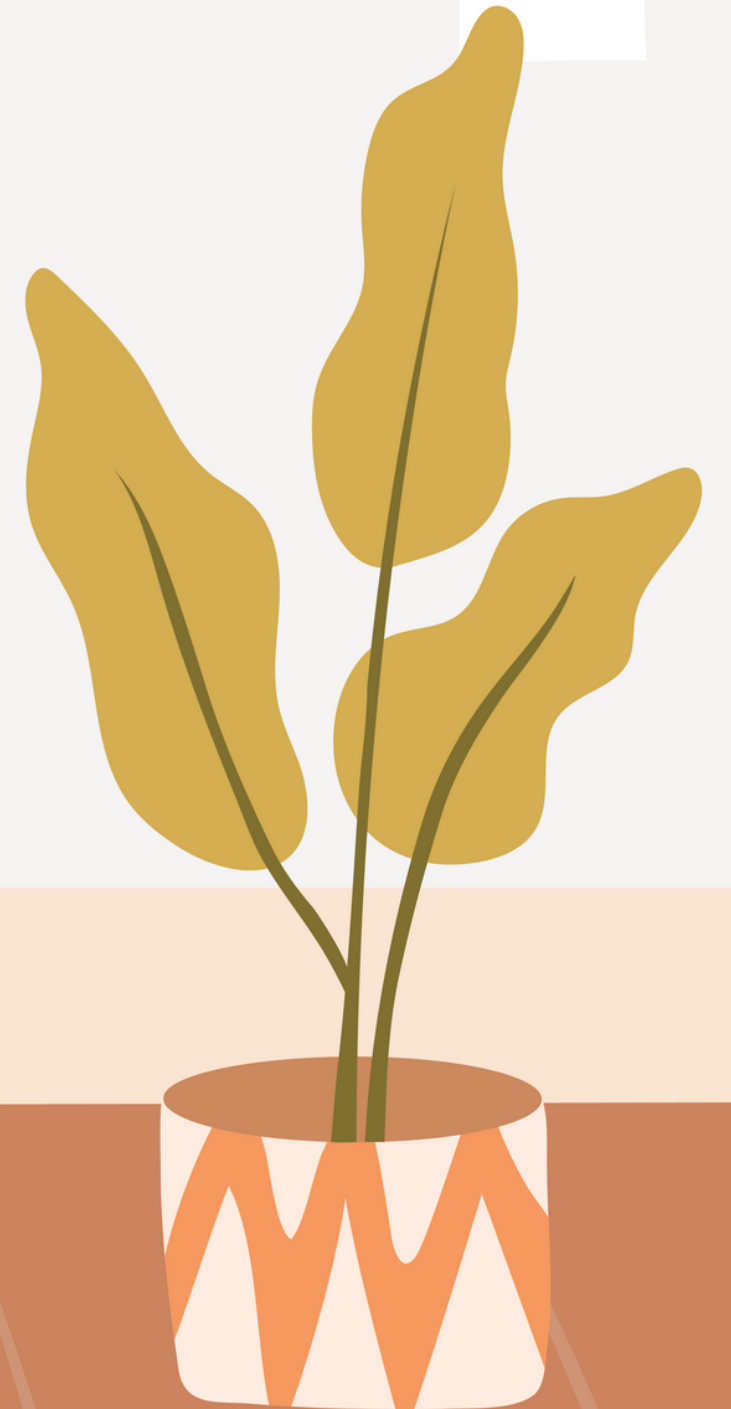

**He was sulking on the sofa
while his family was looking for the key
everywhere**

**Jonathan(brother) called him and he was crying too.
They decided not to cry and find the key.**

**Suddenly, something inside
him snapped. He
remembered everything**

The previous day George and his brother Jonathon were playing with their dog Scooby. Then they crashed into the wall and the keys fell into....

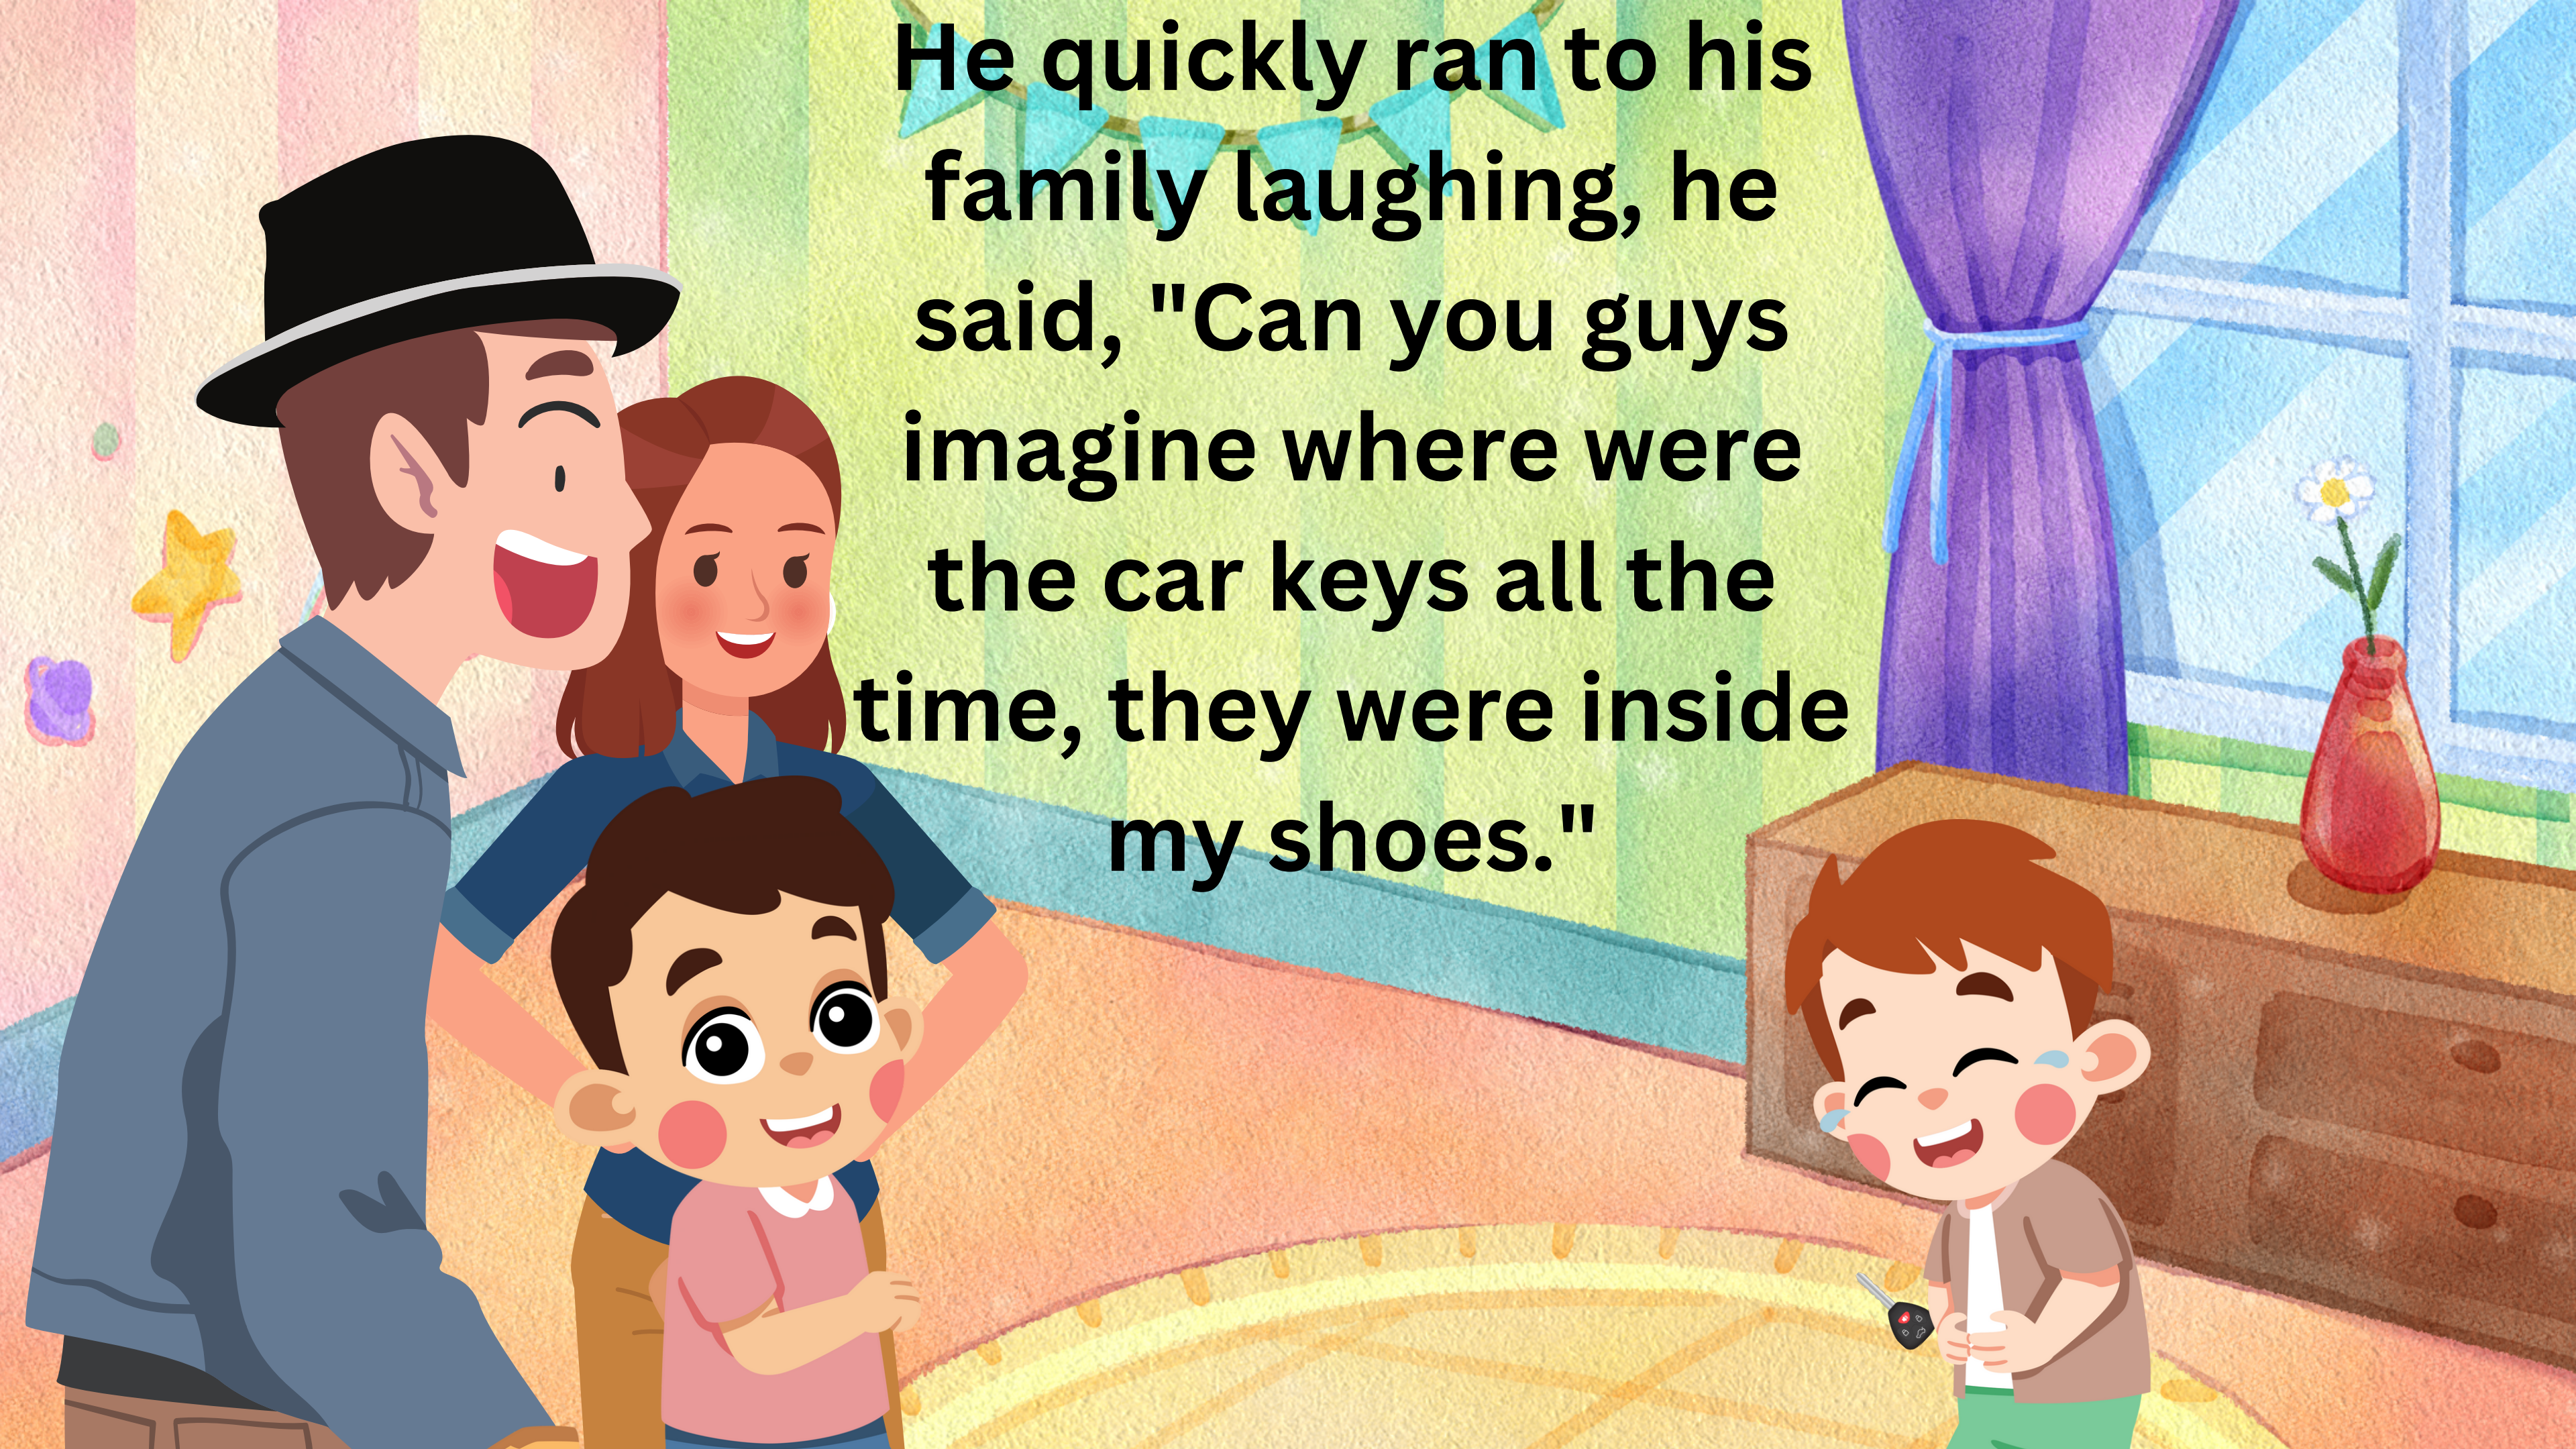

**He ran
towards the
shoe rack.**

A-Ha!
there you
are

He quickly ran to his family laughing, he said, "Can you guys imagine where were the car keys all the time, they were inside my shoes."

They made it to the airport in time and enjoyed their trip.
