

WHERE IS MY CAR?

Atharva kumar

Dedicated to my Mom

Tom was going to the cinema hall. It was a snowy Sunday.

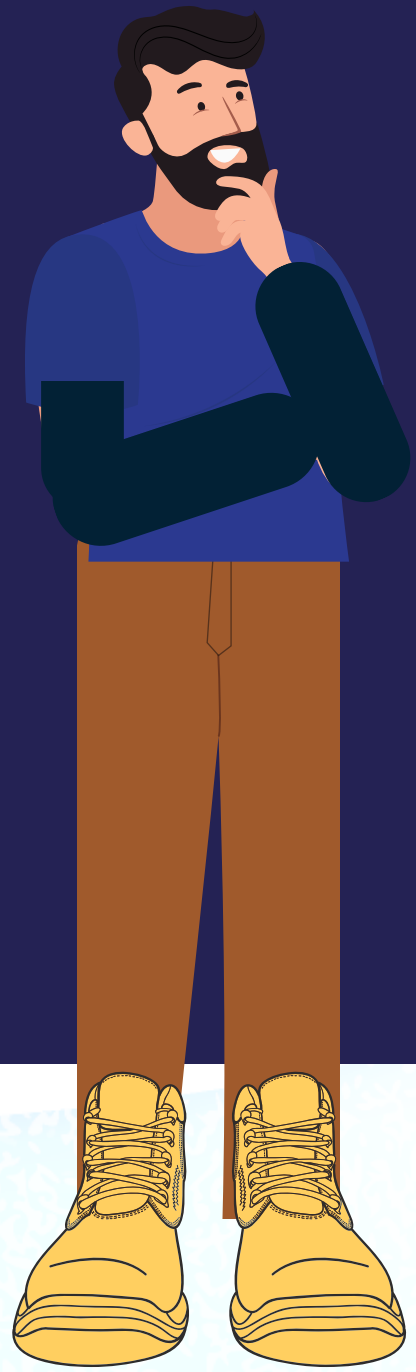

Tom found that the parking was full so he parked his car far away.

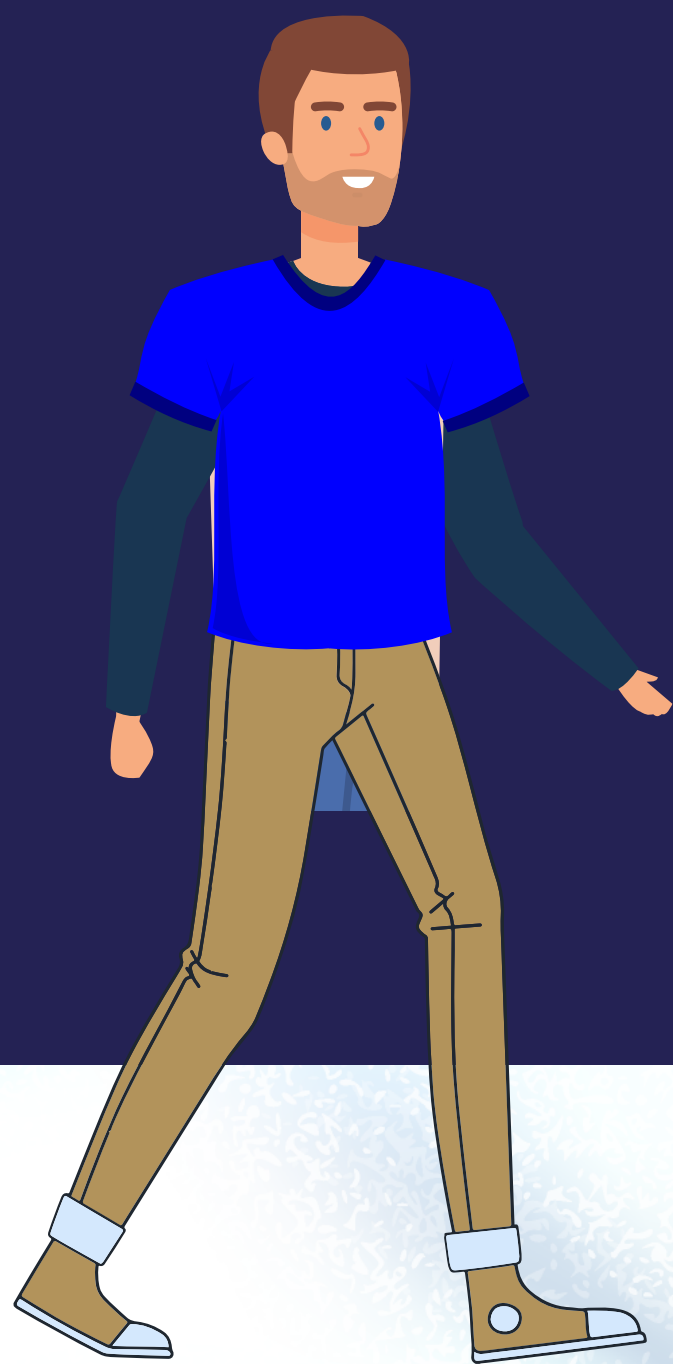

Tom went to the cinema, had fun, ate popcorn and stuff.

When he came out to take his car, he
could not find it!

Tom came home walking. He didn't mind about his car at last as he was tired.

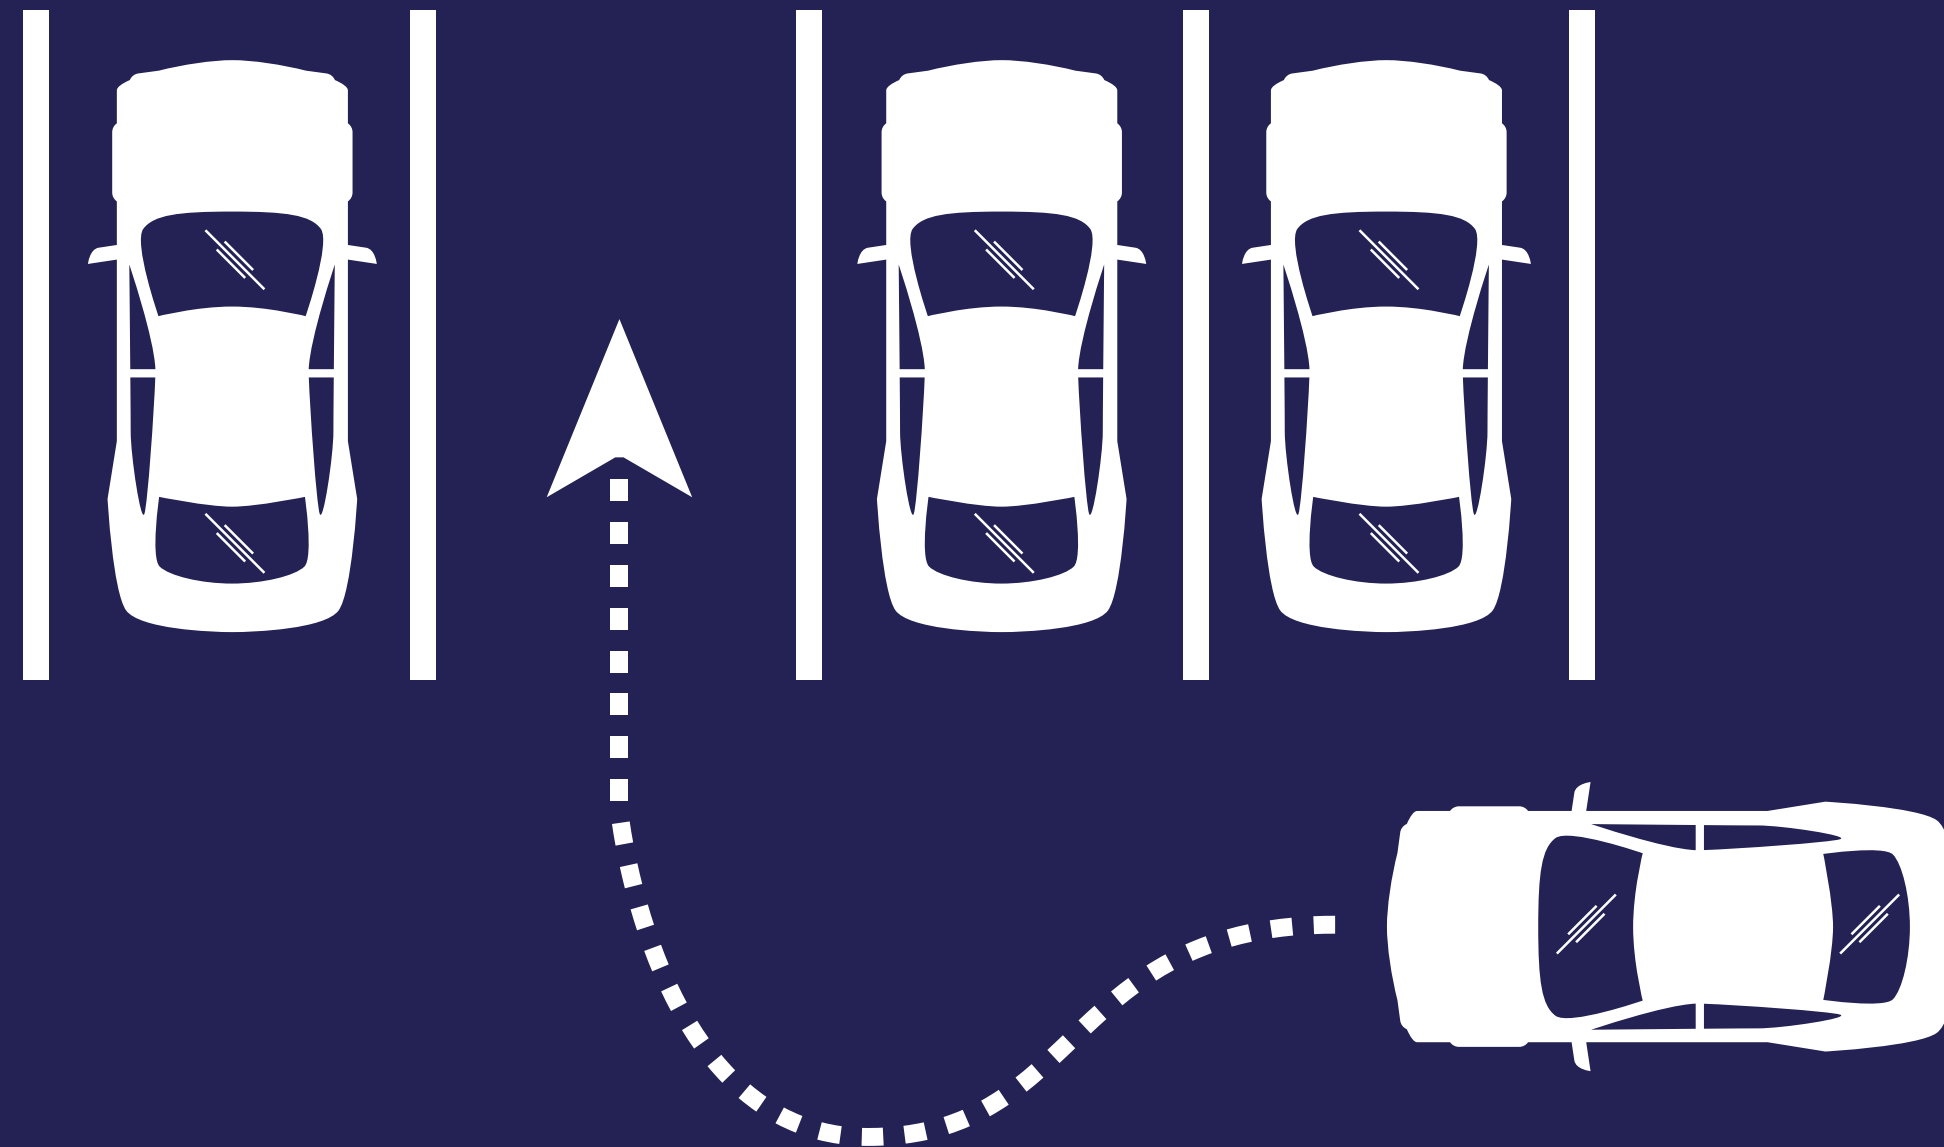

5 days later...

Tom wanted to go to the pizza shop. He remembers that he left his car somewhere far from the cinema the last Sunday.

He went to ask the cinema parking lot that if anyone had seen his car.

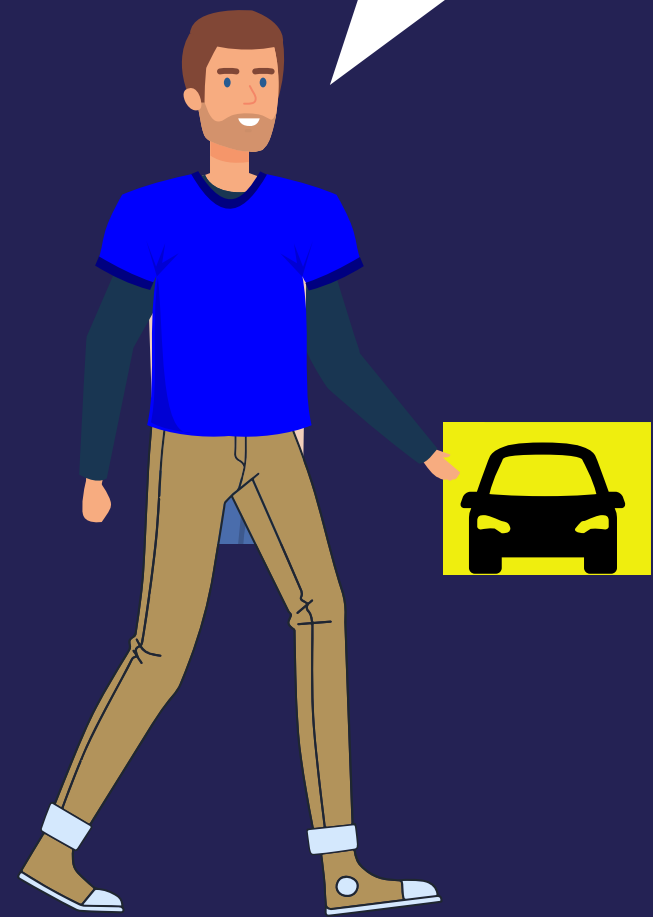

The people did not know where his car
was.

Tom went to the police station to inquire.
The police officers said they will find out.

I WANT TO
REPORT ABOUT
A LOST CAR,
CAN YOU HELP ?

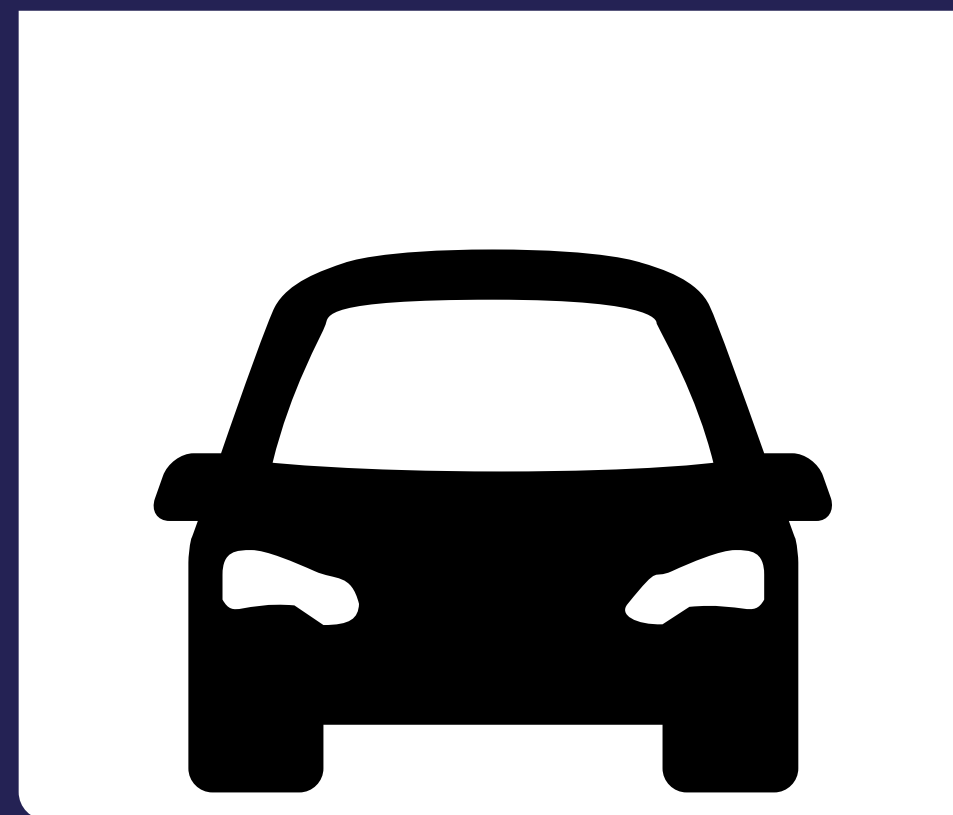

I'LL FIND OUT
SOON .

Tom gave up and went to his home..

After 3-4 hours The police station reached out to Tom and they said that his car was towed to the their garage.

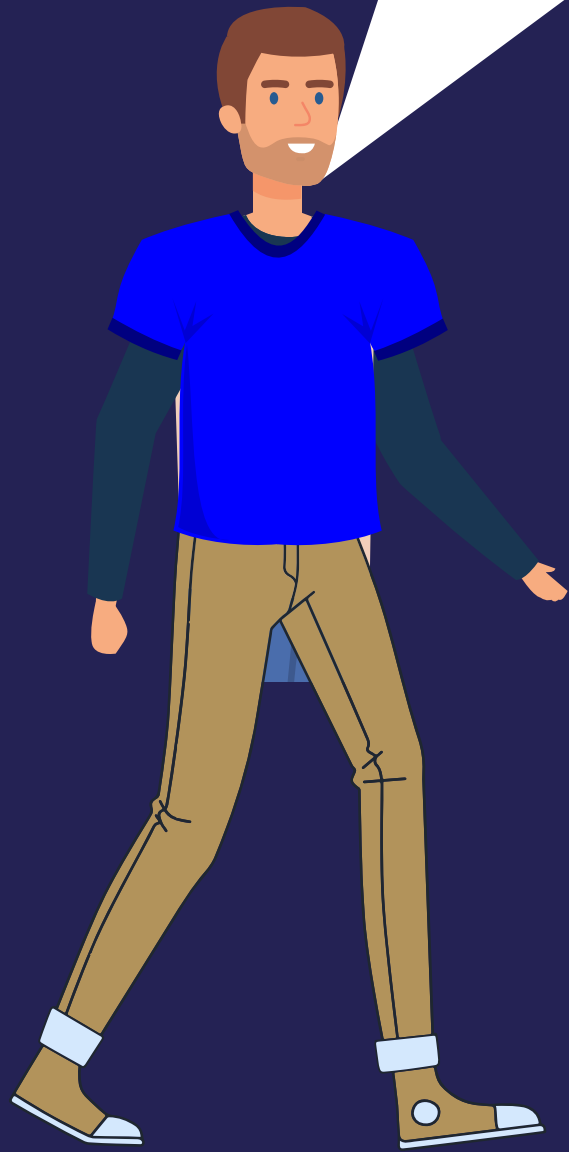

He paid for parking the car so long.

He had to give all the money he had as he knew he will have to work double hours to earn the lost money.

After that incident he never ever was careless.

I WILL NEVER
BE
CARELESS
